The Internet Book Aug 31 2020
The Internet Book, Fifth
Edition explains how
computers communicate, what
the Internet is, how the
Internet works, and what

services the Internet offers. It is designed for readers who do not have a strong technical background — early chapters clearly explain the terminology and concepts needed to understand all the services. It helps the reader to understand the technology behind the Internet, appreciate how the Internet can be used, and discover why people find it so exciting. In addition, it explains the origins of the Internet and shows the reader how rapidly it has grown. It also provides information on how to avoid scams and exaggerated marketing claims. The first section of the book introduces communication system concepts and terminology. The second section reviews the history of the Internet and its incredible growth. It documents the rate at which the digital revolution occurred, and provides background that will help readers appreciate the significance of the underlying design. The third section describes basic Internet technology and capabilities. It examines how

Internet hardware is organized and how software provides communication. This section provides the foundation for later chapters, and will help readers ask good questions and make better decisions when salespeople offer Internet products and services. The final section describes application services currently available on the Internet. For each service, the book explains both what the service offers and how the service works. About the Author Dr. Douglas Comer is a Distinguished Professor at Purdue University in the departments of Computer Science and Electrical and Computer Engineering. He has created and enjoys teaching undergraduate and graduate courses on computer networks and Internets, operating systems, computer architecture, and computer software. One of the researchers who contributed to the Internet as it was being formed in the late 1970s and 1980s, he has served as a member of the Internet

Architecture Board, the group responsible for guiding the Internet's development. Prof. Comer is an internationally recognized expert on computer networking, the TCP/IP protocols, and the Internet, who presents lectures to a wide range of audiences. In addition to research articles, he has written a series of textbooks that describe the technical details of the Internet. Prof. Comer's books have been translated into many languages, and are used in industry as well as computer science, engineering, and business departments around the world. Prof. Comer joined the Internet project in the late 1970s, and has had a high-speed Internet connection to his home since 1981. He wrote this book as a response to everyone who has asked him for an explanation of the Internet that is both technically correct and easily understood by anyone. An Internet enthusiast, Comer displays INTRNET on the license plate of his car.

All You Have to Do Is Ask Jun 09 2021 A set of tools for mastering the one skill standing between us and success: the ability to ask for the things we need to succeed. Imagine you're on a deadline for a big project, and feeling overwhelmed. Or you're looking for a job, but can't seem to get your foot in the door. Or you're dying for tickets to a sold out concert, and all your leads have gone cold. What do these problems have in common? They can all be solved simply by reaching out to a colleague, friend, or wider network and making an ask. Studies show that asking for help makes us better and

less frustrated at our jobs. It helps us find new opportunities and new talent. It unlocks new ideas and solutions, and enhances team performance. And it helps us get the things we need outside the workplace as well. And yet, we rarely give ourselves permission to ask. Luckily, the research shows that asking—and getting—what we need is much easier than we tend to think. Here, Wayne Baker shares a set of strategies—used at companies like Google, GM, and IDEO—that individuals, teams, and leaders can use to make asking for help a personal and organizational habit, including:

- A quiz to identify your asking-giving style
- SMART criteria for who, when, and how to ask
- “Plug-and-play ” routines that make requests a standard component of meetings
- Mini-games that incentivize asking within teams
- The Reciprocity Ring, a guided activity that allows people to tap into the giving power of a network

Picking up where the bestselling book *Give and Take* left off, *All You Have to Do Is*

Ask shows us how to ignite the cycle of giving and receiving by asking for the things we need. Advance praise for *All You Have to Do Is Ask* “Asking for help and support has been a key to my success. Wayne Baker expertly shares how everyone can do it.”—Shellye Archambeau, former CEO, MetricStream, and board director, Verizon and Nordstrom “Wayne Baker shares the formula for driving personal, organizational, and social change by tapping the power of our teams and networks for help. This insightful book is a must-read for anyone seeking practical and proven solutions to make our workplaces and world a better place.”—Noel Tichy, professor, University of Michigan, and author of *Judgment and Control Your Destiny or Someone Else Will*

Asking the Right Questions to Get the Health Care You Need Jan 24 2020 Families experiencing the stress of a chronic or serious illness typically find themselves forced

to make many life-altering decisions, and often with little time to contemplate the best course of action. This book serves as a practical guide to help what all of us will one day experience when we find ourselves sorting through the complex maze of obtaining good health care. Unlike other books written by doctors, nurses, and chaplains, this book comes from the perspective of a social worker who knows first hand the struggles families experience with obtaining the right information so that good decisions can be made. Written with the idea in mind that the reader may be experiencing an exorbitant amount of stress, the book is laid out in direct, straightforward, and easy language to help with the following: good communication with the health care team establishment of goals for care and getting everyone on board the different ways to ensure you're heard when you can't speak for yourself what to do (and not to do) during a hospitalization the secrets to

selecting a good nursing home what to do when someone refuses to go to a nursinghome choices available when a situation becomes terminal how to help prevent a financial crisis during a health crisis ways to get needed medications when you can't afford it This is a book that all of us will need someday if not now.

Take What You Need Nov 02 2020 Jen Crow's

transformation was triggered, quite literally, by a bolt of lightning. That jolt, which destroyed her home in a subsequent fire, forced her to consider what she really needed as she looked to rebuild her life. In *Take What You Need* Crow opens new perspectives for all of us looking to understand our past, our unexpected suffering, our failures, so we too can begin charting a course forward--one drawn from resilience and hope. We see with the immediacy of someone who nearly lost it all that our possessions won't carry us. Our responses to the regrets,

losses, separations, addictions, and unexpected twists and turns of our lives are shaped by the spiritual values that sustain us and the people who support us. Crow invites us to explore the expected and unexpected turns our lives can take--and all the ways we can pay attention to what we truly need to survive the painful moments and live lives of meaning. Survival guide, spiritual companion, and a light in the dark, *Take What You Need* offers hope, humor, and real-life spiritual tools to meet the hardest moments of our lives.

All You Need Is Fudge Aug 11 2021 "Fun characters, quaint setting, mouth-watering recipes." --RT Book Reviews Fudge shop owner Allie McMurphy is making fudgie treats for the annual yacht race--but a killer's stirring up a batch of trouble. . . All you need is Love Dec 03

2020 'Making a paradigm shift,
Sen writes, "Parenting is not
just about bringing up children.

It is about growing up and
transforming ourselves to be
better human beings." Urban
parents, working or stay-at-
home, would do well to get
themselves a copy. Actually,
make that every parent.' - India

Today 'Although there are
endless discussions on what is
good and not good for children,
Shelja has a simple belief - a
happy mother is the best thing
for children.' - The Hindu 'Alive
with anecdotes, distilled theory
and authentic empathy, this
gift of a book nudges us gently
and playfully through a
reflective connect with
ourselves and our children into
the world of life-affirming
parenting! Shelja is a wise
guide ... My well-thumbed copy
is evidence of its real value.' -

Gloria Burrett,
psychotherapist, New Delhi
'This is a wise and wonderful
book written by the talented
therapist, Dr Shelja Sen.

Professionals and parents alike will enjoy this well-written and insightful text. Outstanding!' - Susan Lowell, educational therapist, Chapel Hill, North Carolina 'This is a book that makes us look within as parents ... It will make you drop your jaw in awe that parenthood could be so vast and complex, but it will also make you shake your head in disbelief that it could be so simple ... All you need is love, really.' - Ankita Khanna, psychologist and art-based therapist, New Delhi "'Go get this book" if you are a parent. Your kids will thank you too.' - Garima Gupta, Goodreads 'This book is different ... Parents as coaches is the approach, with a community that nurtures them and their children.' - The Times of India Bangalore blog 'This is not your run-of-the-mill parenting book. Her philosophy rings true and is extremely adaptable. Giving you tools that almost any parent can work with to better themselves which in turn will better their children. This book is a must-read!' - Upasana Mahtani

Luthra, blogger 'I enjoyed reading this book and being a first-time mom, it was that much more enlightening. Dr Shelja has truly kept to her word, by not lecturing parents but helping parents understand their kids and anticipate their behaviour at every stage. A real eye-opener and one of my favourite books on parenting so far.' - Sneha, www.amazon.com 'This is a well-written book - very powerful topic, but written in a very lucid style and makes for "easy" reading. Reinforces the "basics on parenting" in a great way and leaves an impression! The section dealing with teens and pre-teens is especially good.' - Namrata Singh, www.amazon.com I accept and love you the way you are. You are unique, you are different and you are you. I will not compare you with others, I will not constantly keep expecting and demanding what you might not be able to do or give. As parents, we foist our dreams and aspirations on our children, push them to be more than we could ever be. But do

we have the courage and honesty to look within and ask what drives our parenting - our own needs or those of our children? More crucially, are we able to accept them and respect them for who they are?

Child & adolescent psychologist and family therapist Shelja Sen formulates five anchors of parenting to help you connect with the immense wisdom that is already present in you: Connect (create the foundation of parenting); Coach (build the necessary skills in children through an understanding of their unique wiring and temperament); Care (nurture ourselves for a more wholesome life); Community (build caring ecosystems for children to thrive in) and Commit (sustain the courage and compassion).

Groundbreaking, essential reading.

Ask Me for a Blessing (You Know You Need One) Mar 26

2020 What is a blessing? Do you have to believe to receive one? Can you doubt while you pray? And can you extend grace to others while still desperately in need of it yourself? Once a week Episcopal priest Adrian Dannhauser stands outside her Manhattan church beside a chalkboard sign that reads "Ask me for a blessing (because God knows you need one)." Passersby stop, chat, and ask for prayer: for a sick friend, an addicted son, an upcoming job interview, the state of our nation, or the grief of our world. Bus drivers sometimes open their doors for a quick prayer before the light turns green, and someone once took her to meet their doorman so she could bless him too. Half of those who stop are in crisis. Someone always cries. A few are simply curious. Through the heartfelt, frank, and sincere stories of her unique ministry, Dannhauser offers

glimpses into the tender, holy, and sometimes hilarious moments of sidewalk prayers. With a potent blend of reverence and irreverence, as well as insights from Christian scriptures, she delves into the power that ancient ideas-- blessing, forgiveness, miracles, and prayer--hold in a disenchanted world. For people of Christian faith, other faiths, or no faith at all, having spiritual conversations, even awkward ones with strangers on the street, can help us face our vulnerability, where we may discover a grace sufficient for all.

They had four young children, and Drew, a Maine state trooper, would soon begin training to become a minister as well. Then early one morning Drew left for work and everything changed. On the very roads that he protected every day, an oncoming driver lost control, and Kate lost her husband. Stunned and grieving, Kate decided to continue her husband's dream and became a minister herself. And in that capacity she found a most unusual mission: serving as the

minister on search and rescue missions in the Maine woods, giving comfort to people whose loved ones are missing, and to the wardens who sometimes have to deal with awful outcomes. Whether she is with the parents of a 6-year-old girl who had wandered into the woods, with wardens as they search for a snowmobile rider trapped under the ice, or assisting a man whose sister left an infant seat and a suicide note in her car by the side of the road, Braestrup provides solace, understanding, and spiritual guidance when it's needed most. Here if You Need Me is the story of Kate Braestrup's remarkable journey from grief to faith to happiness. It is dramatic, funny, deeply moving, and simply unforgettable, an uplifting account about finding God through helping others, and the tale of the small miracles that occur every day when life and love are restored. [All You Need Is Love](#) Nov 26 2022 Shannon Baker likes the one man she can't have. To be fair, the day she meets her

sister's boyfriend on the California beach, she thinks he's a tourist—a really charming tourist who understands more of her heart than people she's known her whole life. But Marshall has a secret. He's only pretending to date Shannon's sister—his co-worker—because her ex dumped her hours before a family reunion. In return, she's promised to recommend Marshall for a promotion back in New York. Things get complicated when he meets Shannon, a woman so unlike anyone he's ever known. Because she's sweet and kind and selfless ... and, somehow, she sees something in him. Unfortunately, being with her would ruin all his plans. Or is love enough to make everything work out the way it should? *** Read all the books in the Walker Beach Series, a clean and sweet collection about people finding love in a small town.
