Ancient Greece. His only friend is a girl on the run. His only guide is a wild dolphin. And his murderous enemies are closing in... This action-packed adventure story is perfect for kids aged 9-12. 'Electrifying' - Independent on Sunday 'The reader's attention is caught from the first line...spellbinding' - Telegraph 'Set to become another children's classic' - Books for Keeps The international bestselling YA thriller by acclaimed author, Karen M. McManus - NOW A MAJOR NETFLIX SERIES. Five students go to detention. Only four leave alive. Yale hopeful Bronwyn has never publicly

broken a rule. Sports star Cooper only knows what he's doing in the baseball diamond. Bad boy Nate is one misstep away from a life of crime. Prom queen Addy is holding together the cracks in her perfect life. And outsider Simon, creator of the notorious gossip app at Bayview High, won't ever talk about any of them again. He dies 24 hours before he could post their deepest secrets online. Investigators conclude it's no accident. All of them are suspects. Everyone has secrets, right? What really matters is how far you'll go to protect them. 'Tightly plotted and brilliantly written,

with sharp, believable characters, this whodunit is utterly irresistible' - HEAT 'Twisty plotting, breakneck pacing and intriguing characterisation add up to an exciting single-sitting thrillerish treat' -THE GUARDIAN 'A fantastic murder mystery, packed with cryptic clues and countless plot twists. I could not put this book down' - THE SUN 'Pretty Little Liars meets The Breakfast Club' - ENTERTAINMENT WEEKLY 50 years of an iconic classic! This international bestseller and inspiration for a beloved movie is a heroic story of friendship and belonging. Cover

may vary. No one ever said life was easy. But Ponyboy is pretty sure that he's got things figured out. He knows that he can count on his brothers, Darry and Sodapop. And he knows that he can count on his friends—true friends who would do anything for him, like Johnny and Two-Bit. But not on much else besides trouble with the Socs, a vicious gang of rich kids whose idea of a good time is beating up on “greasers” like Ponyboy. At least he knows what to expect—until the night someone takes things too far. *The Outsiders* is a dramatic and enduring work of fiction that laid the

groundwork for the YA genre. S. E. Hinton's classic story of a boy who finds himself on the outskirts of regular society remains as powerful today as it was the day it was first published. "The Outsiders transformed young-adult fiction from a genre mostly about prom queens, football players and high school crushes to one that portrayed a darker, truer world." —The New York Times "Taut with tension, filled with drama." —The Chicago Tribune "[A] classic coming-of-age book." —Philadelphia Daily News A New York Herald Tribune Best Teenage Book A Chicago Tribune Book World Spring Book Festival

Honor Book An ALA Best Book for Young Adults Winner of the Massachusetts Children's Book Award The Justice League is a bunch of pushovers. The Teen Titans are just kids. When the DC Universe calls for a more...aggressive approach, they call Nightwing, Arsenal and company: the Outsiders. A renegade Superman Robot goes on the rampage, and a long-standing member of the Teen Titans dies. Stricken with grief, old allies Nightwing and Arsenal decide that enough is enough: a more proactive approach to justice isn't just needed—it's necessary. This title collects

TITANS/YOUNG JUSTICE:  
GRADUATION DAY #1-3, TEEN  
TITANS/OUTSIDERS SECRET FILES #1 and  
OUTSIDERS #1-7.  
Lost loves and painful truths against the backdrop of Liverpool's fall and rise Liverpool 1981: As the city burns during inner city riots, Paul meets two people who will change his life: Nadezhda, an elusive poet who has fallen out of fashion; and her daughter Sarah, with whom he shares an instant connection. As the summer reaches its climax his feelings for both are tested amidst secrets, lies and the unravelling of Nadezhda's past. It is an experience

that will define the rest of his life. The Outsiders moves from early-80s Liverpool, via Nadezhda's clandestine background in war-torn Europe, through to the present day, taking in the global and local events that shape all three characters. In a powerful story of hidden histories, lost loves and painful truths ambitiously told against the backdrop of Liverpool's fall and rise, James Corbett's enthralling debut novel explores the complexities of human history and how individual perspectives of the past shape everyone's present. Teaching literature

unit based on the popular children's story, The Outsiders. Another classic from the author of the internationally bestselling The Outsiders Continue celebrating 50 years of The Outsiders by reading this companion novel. That Was Then, This is Now is S. E. Hinton's moving portrait of the bond between best friends Bryon and Mark and the tensions that develop between them as they begin to grow up and grow apart. "A mature, disciplined novel which excites a response in the reader . . . Hard to forget."—The New York Times Giants are a ubiquitous feature of medieval

romance. As remnants of a British prehistory prior to the civilization established, according to the *Historium regum Britannie*, by Brutus and his Trojan followers, giants are permanently at odds with the chivalric culture of the romance world. Whether they are portrayed as brute savages or as tyrannical pagan lords, giants serve as a limit against which the chivalric hero can measure himself. In *Outsiders: The Humanity and Inhumanity of Giants in Medieval French Prose Romance*, Sylvia Huot argues that the presence of giants allows for fantasies of ethnic

and cultural conflict and conquest, and for the presentation—and suppression—of alternative narrative and historical trajectories that might have made Arthurian Britain a very different place. Focusing on medieval French prose romance and drawing on aspects of postcolonial theory, Huot examines the role of giants in constructions of race, class, gender, and human subjectivity. She selects for study the well-known prose *Lancelot* and the prose *Tristan*, as well as the lesser known *Perceforest*, *Le Conte du papegau*, *Guiron le Courtois*, and *Des Grantz Geants*. By

asking to what extent views of giants in Arthurian romance respond to questions that concern twenty-first-century readers, Huot demonstrates the usefulness of current theoretical concepts and the issues they raise for rethinking medieval literature from a modern perspective. One of the BBC's '100 Novels That Shaped Our World' The bestselling American classic of youthful rebellion and coming of age on the streets, adapted into an award-winning film by Francis Ford Coppola *The Greasers and the rich-kid Socs* are at war on the Tulsa streets. *Ponyboy*, a fourteen-year-old

brawler, chainsmoker and dreamer, is a fiercely loyal greaser. But a single, murderous catastrophe is to wrench him from his old life and overturn everything he thinks he knows. The Outsiders was an audacious debut written when S. E. Hinton was only seventeen, laying bare the hopes and terrors between teenage bravado in a world of drive-ins, drag races and switchblades. Confronting America with a new breed of anti-hero from the wrong side of the class divide, The Outsiders is a young adult novel of enduring power. It was made into a film in 1983 starring Patrick Swayze, Rob Lowe

and Tom Cruise. With an introduction by Jodi Picoult 'Gritty, emotional and very authentic' Jodi Picoult 'The Outsiders is a teenage epic' Francis Ford Coppola The classic YA novel RUMBLE FISH, written by celebrated novelist S.E. Hinton and immortalized by legendary film maker Francis Ford Coppola, now available as an eBook for the first time. Rusty James wants to be just like his big brother Motorcycle Boy - tough enough to be respected by everyone in the neighborhood. But Motorcycle Boy is also smart, so smart that Rusty James relies on him to bail him out of trouble.

The brothers are inseparable, and Motorcycle Boy will always be there to watch his back, so there's nothing to worry about, right? Or so Rusty James believes, until his world falls apart and Motorcycle Boy isn't there to pick up the pieces. From the author of THE OUTSIDERS, S.E. Hinton looks into a world where hope is hard to find, and violence is a fact of life. "Stylistically superb. . . . This packs a punch that will leave readers of any age reeling."—School Library Journal "Sharper in focus and more mature in style than Hinton's The Outsiders."—Booklist An ALA Best Books for Young Adults A School

Library Journal Best Books of the Year  
Reproduction of the original: Daisy Miller by Henry James Novel-Ties study guides contain reproducible pages in a chapter by chapter format to accompany a work of literature of the same title. An action-packed new series set in the mysterious, dangerous Bronze Age Young Hylas--goatherd, Outsider, thief--is hunted by powerful warriors who want him dead and have kidnapped his sister. Hylas is forced to flee his home, but not before a mysterious stranger gives him a bronze dagger. While on the run, Hylas must use his skill and wits to survive a shipwreck

and a great white shark attack, befriend a dolphin, and help Pirra, the runaway daughter of a High Priestess. Together with Pirra, the dolphin, and the valuable bronze sword, Hylas fights to discover why he's being hunted and find his sister before the warriors find them. 'Powerful as [Richard Wright] was - is - as a writer, nobody can surpass him in doing certain kinds of writing... He is courageous - he was able to look into areas that nobody at that time was willing to look at' Toni Morrison Cross Damon is disenchanted. At odds with society, and with himself, his idealism and

sense of alienation have driven him to drink and incessant reflection. But when Cross is mistakenly reported to have died, he is suddenly free to put his ideals to the test - and a reign of terror and destruction ensues. A counterpart to Wright's 1940 novel, Native Son, The Outsider is Wright's existential masterpiece. An epic exploration of criminality and oppression its publication established Wright as America's most daring, and damning writers. The marriage of Virginia and Leonard Woolf is best understood as a dialogue of two outsiders about ideas of social and political belonging

and exclusion. These ideas infused the written work of both partners and carried over into literary modernism itself, in part through the influence of the Woolfs' groundbreaking publishing company, the Hogarth Press. In this book, the first to focus on Virginia Woolf's writings in conjunction with those of her husband, Natania Rosenfeld illuminates Leonard's sense of ambivalent social identity and its affinities to Virginia's complex ideas of subjectivity. At the time of the Woolfs' marriage, Leonard was a penniless ex-colonial administrator, a

fervent anti-imperialist, a committed socialist, a budding novelist, and an assimilated Jew who vacillated between fierce pride in his ethnicity and repudiation of it. Virginia was an "intellectual aristocrat," socially privileged by her class and family background but hobbled through gender. Leonard helped Virginia elucidate her own prejudices and elitism, and his political engagements intensified her identification with outsiders in British society. Rosenfeld discovers an aesthetic of intersubjectivity constantly at work in Virginia Woolf's prose, links this

aesthetic to the intermeshed literary lives of the Woolfs, and connects both these sites of dialogue to the larger sociopolitical debates--about imperialism, capitalism, women, sexuality, international relations, and, finally, fascism--of their historical place and time. The indigenous population of Deia has lived side by side with increasing numbers of foreigners over the past century, and what has occurred there over this period offers an example of how the population of one Mediterranean village has gained full advantage from the economic opportunities

opened up by foreign investments, without losing the fabric of social relations, the meaning and values of their culture. Deià has been able to continue as a community with its own symbolic boundaries and identity, not in spite of the outsiders (some of whom are well-known literary personalities, artists and musicians) but because of their presence. This study shows how, under the impact of wars, migration, national politics, global economic and technological developments and especially tourism, the categories of Insider and Outsider are contracted and

expanded, and reinterpreted to fit the constantly changing "reality" of the society; they assume different meanings at different times. The conflicts and resulting compromises over a hundred-year period have provided a sense of history that allows each group to define, develop, adapt and sustain their sense of belonging to their own communities. 50 years of an iconic classic! The international bestseller and inspiration for a beloved movie--now with bonus content. This special edition of the groundbreaking novel contains: Never before seen photos and letters

from the publisher's archives Original review clippings and media coverage Photos from the author's personal collection A gallery of covers around the world New material from the stars and director of the iconic film--including Francis Ford Coppola, Rob Lowe, Matt Dillon, and others And much more! Celebrating 50 years of the novel that laid the groundwork for the YA genre, this is the ultimate edition for fans of THE OUTSIDERS. A perfect way to honor this impressive milestone and a must-have for fans of all ages. Ponyboy can count on his brothers. And on his friends. But not

on much else besides trouble with the Socs, a vicious gang of rich kids whose idea of a good time is beating up on "greasers" like Ponyboy. At least he knows what to expect—until the night someone takes things too far. It's time to redefine the CEO success story. Meet eight iconoclastic leaders who helmed firms where returns on average outperformed the S&P 500 by more than 20 times. This book uses cultural and psycho-social analysis to examine the beat writer Charles Bukowski and his literature, focusing on representations of the anti-hero rebel and outsider. Clements considers

the complexities, ambiguities, and contradictions represented by the author and his work, exploring Bukowski's visceral writing of the cultural ordinary and everyday self-narrative. The study considers Bukowski's apolitical, gendered, and working-class stance to understand how the writer represents reality and is represented with regards to counter-cultural literature. In addition, Clements provides a broader socio-cultural focus that evaluates counterculture in relation to the American beat movement and mythology, highlighting the

male cool anti-hero. The cultural practices and discourses utilized to situate Bukowski include the individual and society, outsiderdom, cult celebrity, fan embodiment, and disneyfication, providing a greater understanding of the beat generation and counterculture literature. New ways to teach reading, writing and the love of literature. The books that we choose to keep -- let alone read -- can say a lot about who we are and how we see ourselves. In My Ideal Bookshelf, dozens of leading cultural figures share the books that matter to them most; books that define their dreams

and ambitions and in many cases helped them find their way in the world. Contributors include Malcolm Gladwell, Thomas Keller, Michael Chabon, Alice Waters, James Patterson, Maira Kalman, Judd Apatow, Chuck Klosterman, Miranda July, Alex Ross, Nancy Pearl, David Chang, Patti Smith, Jennifer Egan, and Dave Eggers, among many others. With colorful and endearingly hand-rendered images of book spines by Jane Mount, and first-person commentary from all the contributors, this is a perfect gift for avid readers, writers, and all who have known the influence of a great

book. Discover why outsiders from Trump to Corbyn are succeeding like never before - and what this means for you. In recent years, voters have deserted the political centre like never before. Whether it's Trump, Brexit, Le Pen, or Corbyn, outsiders and populists are flourishing on the far left and far right. Celebrated political commentator Steve Richards explores factors from globalization and fake news to rising immigration and stagnant wages. Richards argues that the reasons for the success of the outsider also sows the seeds of their eventual demise. If they do gain power, they inevitably

become insiders themselves - and fail to live up to their extravagant promises. This landmark book examines the rapidly shifting global political landscape of the last decade, and is essential reading for anyone who has been bothered by Brexit, troubled by Trump or confused by Corbyn. Includes extra content detailing the story behind how the Mennymys came to be. Previously unpublished and exclusive to the ebook editions, the author hopes her readers, new and old, will enjoy discovering the back story to this mysterious family of life-sized rag dolls. From the outside, 5 Brocklehurst Grove

looks like an ordinary house - the windows are always clean, and the garden well tended. And from the inside, to hear the voices of the inhabitants, the Mennym family, you would think they were a perfectly ordinary family, too. But you'd be wrong, for the Mennymys are far from ordinary. The whole family shares an astonishing secret behind which it's hidden for forty years; a secret to which nobody has ever come close - until perhaps, now. When a letter arrives from Australia, the whole family is plunged into fear that now, for the first time, their secret is about to be exposed . . . Sylvia Waugh's

extraordinary debut novel about the Mennymys, a family of life-sized rag dolls, won the 1994 Guardian Children's Fiction Award. First published by Viking in 1967, *The Outsiders* immediately resonated with young adults. This groundbreaking novel was like nothing else out there—it was honest and gritty, and was a deeply sympathetic portrayal of Ponyboy, a young man who finds himself on the outside of regular society. Forty years later, with over thirteen million copies sold, the story is as fresh and powerful to teenagers today as it ever was. Celebrate the

fortieth anniversary of a classic with this stunning edition, featuring the original cover. Under a searing Calabrian sky, detective Daniel Wright is shown the world's most famous stolen painting - Caravaggio's *Nativity*. As a Caravaggio lover and expert in art recovery, he is determined to rescue it from the mafia bosses who use it as payment for drug deals and assassinations. Risking his marriage, his career and his life, Daniel defies his superiors and goes beyond the law with the help of Uffizi Gallery curator Francesca Natali in a desperate bid to save the

Caravaggio before it is lost forever. But will he become the hero of the art establishment, or has he dangerously underestimated its mafia underworld? Saving Caravaggio is a thrilling story of intrigue and personal crusades, that combines the dark atmosphere of Naples with a determined pursuit of passion. The second book in the acclaimed horror series by Brandon Faircloth is finally here. Jason and his grandfather Dr. Barron track down and destroy creatures they call the Outsiders--monsters that hide behind human forms and are supported by both a fanatical cult and an international corporation. But as

their enemies gain the upper hand, they will find themselves facing forces they do not understand and learning dark truths that will change everything. Read the second book in a series that is being called "mindblowingly original horror" and "fast-paced, intricate and pulse-pounding". Did you enjoy the first book? Did you love the action, the characters, the connections and the plot twists? Then just wait until you finish this one. Think you're ready for how it ends? You're not. Encourage students to make connections in history while becoming familiar with this well-

known novel by implementing The Outsiders: An Instructional Guide for Literature. These engaging, rigorous lessons and activities work in conjunction with the text to teach students how to analyze and comprehend rich, complex literature. Students will learn how to analyze story elements in multiple ways, practice close reading and text-based vocabulary, determine meaning through text-dependent questions, and more. The Socs's idea of having a good time is beating up greasers like Ponyboy. Ponyboy knows what to expect and knows he can count on his brothers and

friends - until the night someone takes things too far. A ground-breaking, timeless story from a brilliant writer. Today, following the tsunami of women's protest at widespread abuse, we do more than read them; we listen and live with their astonishing bravery and eloquence. When an insidious supernatural force edges its way into a seemingly straightforward investigation into the gruesome murder of a young boy, it leads a seasoned cop and an unorthodox investigator to question everything they believe in. Winner of the Man Booker Prize By the author of The Handmaid's Tale

and Alias Grace Laura Chase's older sister Iris, married at eighteen to a politically prominent industrialist but now poor and eighty-two, is living in Port Ticonderoga, a town dominated by their once-prosperous family before the First War. While coping with her unreliable body, Iris reflects on her far from exemplary life, in particular the events surrounding her sister's tragic death. Chief among these was the publication of The Blind Assassin, a novel which earned the dead Laura Chase not only notoriety but also a devoted cult following. Sexually explicit for its time,

The Blind Assassin describes a risky affair in the turbulent thirties between a wealthy young woman and a man on the run. During their secret meetings in rented rooms, the lovers concoct a pulp fantasy set on Planet Zycron. As the invented story twists through love and sacrifice and betrayal, so does the real one; while events in both move closer to war and catastrophe. By turns lyrical, outrageous, formidable, compelling and funny, this is a novel filled with deep humour and dark drama. Republic of Outsiders is about the growing number of Americans who

disrupt the status quo: outsiders who seek to redefine a wide variety of fields, from film and mental health to diplomacy and music, from how we see gender to what we eat. They include professional and amateur filmmakers crowd-sourcing their work, transgender and autistic activists, and Occupy Wall Street's "alternative bankers." These people create and package new identities in a practice cultural critic Alissa Quart dubs "identity innovation": they push the boundaries of who they can be and what they can do, even turning the forces of co-optation to their

benefit. In a brilliant and far-reaching account, Quart introduces us to individuals who have created new structures to keep themselves sane, fulfilled, and, on occasion, paid. This deeply reported book shows how and why these groups now gather, organize, and create new communities and economies. Without a middleman, freed of established media, and highly mobile, unusual ideas and cultures are able to spread more quickly and find audiences and allies. *Republic of Outsiders* is a critical examination of those for whom being rebellious, marginal, or amateur is a source of strength rather

than weakness. "Beautifully vicious. Perfect for the fairytale reader who has always wanted the heroine to grow sharp teeth and bite Prince Charming."—Chloe Gong, #1 New York Times bestselling author of *These Violent Delights* A darkly enchanting fantasy debut about a morally gray witch, a cursed prince, and a prophecy that ignites their fate-twisted destinies—perfect for fans of *The Cruel Prince* and *Serpent & Dove*. Violet is a prophet and a liar, influencing the royal court with her cleverly phrased—and not always true—divinations. Honesty is for

suckers, like the oh-so-not charming Prince Cyrus, who plans to strip Violet of her official role once he's crowned at the end of the summer—unless Violet does something about it. But when the king asks her to falsely prophesy Cyrus's love story for an upcoming ball, Violet awakens a dreaded curse, one that will end in either damnation or salvation for the kingdom—all depending on the prince's choice of future bride. Violet faces her own choice: Seize an opportunity to gain control of her own destiny, no matter the cost, or give in to the ill-fated attraction that's growing between her and Cyrus.

Violet's wits may protect her in the cutthroat court, but they can't change her fate. And as the boundary between hatred and love grows ever thinner with the prince, Violet must untangle a wicked web of deceit in order to save herself and the kingdom—or doom them all. Now an HBO limited series starring Ben Mendelsohn! Evil has many faces...maybe even yours in this #1 New York Times bestseller from master storyteller Stephen King. An eleven-year-old boy's violated corpse is discovered in a town park. Eyewitnesses and fingerprints point unmistakably to one

of Flint City's most popular citizens—Terry Maitland, Little League coach, English teacher, husband, and father of two girls. Detective Ralph Anderson, whose son Maitland once coached, orders a quick and very public arrest. Maitland has an alibi, but Anderson and the district attorney soon have DNA evidence to go with the fingerprints and witnesses. Their case seems ironclad. As the investigation expands and horrifying details begin to emerge, King's story kicks into high gear, generating strong tension and almost unbearable suspense. Terry

Maitland seems like a nice guy, but is he wearing another face? When the answer comes, it will shock you as only Stephen King can. A vital and timely reminder that modern life owes as much to outlandish thinking as to dominant ideologies. What do the Nag Hammadi library, Dan Brown's *The Da Vinci Code*, speculative feminist historiography, Marcus Garvey's finances, and maps drawn by asylum patients have in common? Jonathan P. Eburne explores this question as never before in *Outsider Theory*, a timely book about outlandish ideas. Eburne brings readers on an adventure in

intellectual history that stresses the urgency of taking seriously—especially in an era of fake news—ideas that might otherwise be discarded or regarded as errant, unfashionable, or even unreasonable. Examining the role of such thinking in contemporary intellectual history, Eburne challenges the categorical demarcation of good ideas from flawed, wild, or bad ones, addressing the surprising extent to which speculative inquiry extends beyond the work of professional intellectuals to include that of nonprofessionals as well, whether amateurs, unfashionable observers, or the

clinically insane. Considering the work of a variety of such figures—from popular occult writers and gnostics to so-called outsider artists and pseudoscientists—Eburne argues that an understanding of its circulation and recirculation is indispensable to the history of ideas. He devotes close attention to ideas and texts usually omitted from or marginalized within orthodox histories of literary modernism, critical theory, and continental philosophy, yet which have long garnered the critical attention of specialists in religion, science studies, critical race theory, and the

history of the occult. In doing so he not only sheds new light on a fascinating body of creative thought but also proposes new approaches for situating contemporary humanities scholarship within the history of ideas. However important it might be to protect ourselves from “bad” ideas, *Outsider Theory* shows how crucial it is for us to know how and why such ideas have left their impression on modern-day thinking and continue to shape its evolution. The *New Outsiders* celebrates outdoor creativity. Fresh ideas, adventurers and sustainable entrepreneurs inspire a new

outdoor generation to live a life less ordinary under the open sky. There is something about the great outdoors that makes us want to go back each time we return home from a field trip. We crave the crisp fresh air. We desire the raw experience that only nature can grant us. Driven by the will to unplug from our daily routines we seek to reconnect with something that feels more authentic. The *New Outsiders* celebrates outdoor creativity and presents brands and ideas shaping the ethos of today's adventurers and entrepreneurs. They develop products, run companies, explore

far-flung countries and pursue activities with sustainability and social responsibility in mind. The *New Outsiders* introduces some of the most outstanding of these free spirits and presents in-depth features on niche activities and must-visit locations. Co-edited by creative director and outdoor enthusiast Jeffrey Bowman this volume is a must have for everyone who wants to call the great outdoors their second home. It may be the Neopolitan way, but I am not a Neopolitan. And something tells me I have made a very big mistake... When Jim Wolf arrives in Naples for a

weekend break, he has no idea what to expect. Slowly he becomes seduced by the city and its people. When he meets Lousia, an ex-girlfriend from London, she introduces him to a world of shadows and organized crime, secret codes and unwritten rules that he can not

imagine. At any stage Jim's ordinary holiday threatens to take a thrilling but dangerous turn for the worst. After a series of unexpected twists, Jim finds himself in a situation that he does not understand, playing a high-stakes game in which he could lose everything. Betrayal of a lover,

of friends, of oaths and of oneself - are just part of the way of life that he must learn. The struggle of three brothers to stay together after their parent's death and their quest for identity among the conflicting values of their adolescent society.
