Connect students to the stories of history. Connect students to the experience of history. Connect students to success in history. At McGraw-Hill, we have dedicated the past few years to deepening our understanding of student and instructor experience. Employing a wide array of research tools including surveys, focus groups, and ethnographic studies, we've identified areas in need of improvement to provide an opportunity for greater learning and teaching experiences. The fifth edition of Traditions & Encounters is a result of this. Traditions & Encounters also has a rich history of firsts: the first world history text to take a truly global perspective on the past; the first to emphasize connections among cultures; the first to combine twin themes with a seven-part framework, making the huge story of world history more manageable to both teach and learn. Now Traditions & Encounters becomes the first truly interactive world history program: one that marries groundbreaking adaptive diagnostics and interactivities with a captivating narrative and engaging visuals, creating a unique learning environment that propels greater student success and better course results. Instructors gain insight into students' engagement and understanding as students develop a base of knowledge and construct critical thinking skills. Chapter-opening vignettes and a lively narrative keep students turning the page while the adaptive questioning for each chapter and the personalized study plan for each individual student help students prepare for class discussions and course work. With its hallmark of twin themes, Traditions & Encounters continues to tell the story of the cultures and interactions that have shaped world history, while adding redesigned maps, new primary sources, and new chapter- and part-level features that strengthen connections and prompt students to analyse the events and themes in order to build a greater understanding of the past and an appreciation of history's influence on the present. Students are no longer simply reading; they are reading, interacting, and engaging in a visual, auditory, and hands-on learning experience. Give students an experience. Improve course participation and performance. Experience Traditions & Encounters, and experience success. Based on Bentley and Ziegler's best-selling, comprehensive survey program, Traditions & Encounters: A Brief Global History provides a streamlined account of the cultures and interactions that have shaped world history. A focus on the human experience helps frame the broad scope of world history into a clear and concise learning experience for students. Bentley's engaging narrative is available as a digital SmartBook™, a personalized eBook that enhances understanding by asking students to demonstrate comprehension as they read. It is also supported by engaging digital tools, such as interactive maps, that encourage critical thinking and retention of key course concepts. Over a million students at thousands of schools have learned about world history with the best selling book for the course, Traditions and Encounters: A Global Perspective on the Past. Using the twin themes of traditions and encounters, the text emphasizes both the distinctive patterns of historical development within individual societies and the profound results of interactions between different societies. Exploring the historical record of cross-cultural interactions and exchanges, Traditions and Encounters places the world of contemporary globalization in historical context. The book helps students understand the world's major societies and shows how the interactions of these societies affect history throughout the world. The authors tell a coherent and digestible story of the past that is not weighed down by excessive detail, so instructors are able to incorporate additional readings. This edition provides an updated map program as well as the latest scholarship. It also moves Primary Source Investigator online, improving access for students to work with primary sources. "Preface How do the themes of traditions and encounters help make sense of the entire human past? World history is about both diversity and connections. We began this text with a simple goal: to help our students understand the unique histories of the world's rich variety of peoples while allowing them to see the long histories of connections and interactions that have shaped all human communities for millennia. To do this, we have written a story around the dual themes of traditions and encounters, so that we can highlight the many different religions and customs embraced by the world's peoples while also exploring the encounters with other cultures that brought about inevitable change"-- Traditions & Encounters: AP Edition has a rich history of firsts: the first world history text to take a truly global perspective on the past; the first to emphasize connections among cultures; the first to combine twin themes with a seven-part framework, making the huge story of world history more manageable to both teach and learn. With its hallmark of twin themes, Traditions & Encounters continues to tell the story of the cultures and interactions that have shaped world history, while adding redesigned maps, new primary sources, and new chapter- and part-level features that strengthen connections and prompt students to analyze the events and themes in order to build a greater understanding of the past and an appreciation of history's influence on the present. Students are no longer simply reading; they are reading, interacting, and engaging in a visual, auditory, and hands-on learning experience. - Publisher. Traditions & Encounters offers an inclusive vision of the global past—one that is meaningful and appropriate for the interdependent world of contemporary times. Given the diversity of human societies, gathering and organizing the sheer mass of information in a meaningful way is a daunting challenge for any world history survey course. The seven-part chronological organization enables students to understand the development of the world through time, while also exploring broader, big-picture thematic issues in world history. Through new and revised chapter-level and part-level features, the hallmark twin themes of traditions and encounters emerge in greater clarity than ever before in this sixth edition. As a result, students have resources that enable them to move beyond the facts of history and examine the past critically, analyze causes and effects, and recognize similarities and differences across world regions and time periods. By

digging deeper into the implications of world history's stories—not just the who, the what, and the where, but also the why and the how—students can make sense of the human past. Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need, when they need it, and how they need it, so that your class time is more engaging and effective. Traditions & Encounters: A Brief Global History, the highly-anticipated concise version of Bentley and Ziegler's best-selling survey text, provides a streamlined account of the cultures and interactions that have shaped world history. With an engaging narrative, strong thematic approach, visual appeal, and solid pedagogy, it offers enhanced flexibility and affordability without sacrificing the features that have made the complete text a favorite among instructors and students alike. Never HIGHLIGHT a Book Again Includes all testable terms, concepts, persons, places, and events. Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need, when they need it, and how they need it, so that your class time is more engaging and effective. "This is History Book. It explored the grand scheme of world history as a product of real-life human beings pursuing their individual and collective interests. It also offered a global perspective on the past by focusing on both the distinctive characteristics of individual societies and the connections that have linked the fortunes of different societies. It has combined a clear chronological framework with the twin themes of traditions and encounters, which help to make the unwieldy story of world history both more manageable and more engaging. From the beginning, Traditions & Encounters offered an inclusive vision of the global past—one that is meaningful and appropriate for the interdependent world of contemporary times"-- Over a million students at thousands of schools have learned about world history with the best selling book for the course, Traditions and Encounters. The text is unique in approach: it covers the world as a whole, examining the formations and development of the world's major societies (traditions), and exploring cross-cultural interactions and exchanges that have been some of the most effective agents of change in history (encounters). In addition, the authors tell a coherent story of the past that is not weighed down by too much detail, enabling instructors to incorporate additional readings. The third edition is accompanied by the Primary Source Investigator CD, offering an easy and affordable way for instructors to get students working with primary sources. This groundbreaking world history text has, in its first edition, become a market leader by offering a fresh, global perspective on the past. The text is unique in approach; covering the world as a whole, examining the formations and development of the world's major societies ("traditions"), and also systematically exploring cross-cultural interactions and exchanges that have been some of the most effective agents of change in all of world history ("encounters"). In addition, the authors have taken great care in constructing a coherent vision of the past that is not weighed down by a mass of detail, thus enabling instructors to incorporate additional readings of their choosing. Finally the text emphasizes that historical processes work themselves out through the lives and experiences of individual human beings, opening each chapter with an account of individual experiences that illuminate themes in that chapter. The second edition includes scholarship updates throughout and revisions to organization and content. Traditions & Encounters: A Brief Global History, the highly-anticipated concise version of Bentley and Ziegler's best-selling survey text, provides a streamlined account of the cultures and interactions that have shaped world history. With an engaging narrative, strong thematic approach, visual appeal, and solid pedagogy, it offers enhanced flexibility and affordability without sacrificing the features that have made the complete text a favorite among instructors and students alike. Based on Bentley and Ziegler's best-selling, comprehensive survey text, Traditions & Encounters: A Brief Global History provides a streamlined account of the cultures and interactions that have shaped world history. An effective part structure organizes developments into seven eras of global history, putting events

into perspective and creating a framework for cross-cultural comparisons, while the strong themes of traditions (the formations and development of the world's major societies) and encounters (cross-cultural interactions and exchanges) bring focus to the human experience and help turn the giant story of world history into something more manageable. With an engaging narrative, visual appeal, extended pedagogy, and a strong emphasis on critical thinking, this concise version offers enhanced flexibility and affordability without sacrificing the features that have made the complete text a favorite among instructors and students alike. Accompanys: 9780073406930, 9780073330679 Traditions and Encounters new Advanced Placement edition offers an inclusive vision of the global past -- one that is meaningful and appropriate for the interdependent world of contemporary times. Through new and revised chapter-level and part-level features, the hallmark twin themes of traditions and encounters emerge in greater clarity than ever before. Integrated AP features and primary documents enhance the learning experience. -- Covers the world as a whole, examining the formations and development of the world's major societies (traditions), and exploring cross-cultural interactions and exchanges that have been some of the most effective agents of change in history (encounters). This book tells a story of the past that is not weighed down by too much detail. Culture of Encounters documents the fascinating exchange between the Persian-speaking Islamic elite of the Mughal Empire and traditional Sanskrit scholars, which engendered a dynamic idea of Mughal rule essential to the empire's survival. This history begins with the invitation of Brahman and Jain intellectuals to King Akbar's court in the 1560s, then details the numerous Mughal-backed texts they and their Mughal interlocutors produced under emperors Akbar, Jahangir (1605–1627), and Shah Jahan (1628–1658). Many works, including Sanskrit epics and historical texts, were translated into Persian, elevating the political position of Brahmans and Jains and cultivating a voracious appetite for Indian writings throughout the Mughal world. The first book to read these Sanskrit and Persian works in tandem, Culture of Encounters recasts the Mughal Empire as a polyglot polity that collaborated with its Indian subjects to envision its sovereignty. The work also reframes the development of Brahman and Jain communities under Mughal rule, which coalesced around carefully selected, politically salient memories of imperial interaction. Along with its groundbreaking findings, Culture of Encounters certifies the critical role of the sociology of empire in building the Mughal polity, which came to irreversibly shape the literary and ruling cultures of early modern India. Based on Bentley and Ziegler's best-selling, comprehensive survey text, Traditions & Encounters: A Brief Global History provides a streamlined account of the cultures and interactions that have shaped world history. An effective part structure organizes developments into seven eras of global history, putting events into perspective and creating a framework for cross-cultural comparisons, while the strong themes of traditions (the formations and development of the world's major societies) and encounters (cross-cultural interactions and exchanges) bring focus to the human experience and help turn the giant story of world history into something more manageable.
