Angels are real, some of them fell and became known as fallen angels. They came from Heaven to the earth, there is proof in the bible and in history about what they did. The bible speaks of their offspring as giants, world history speaks of the offspring of "the gods" as giants. Is there a difference? The "sons of Seth" doctrine teaches that the "sons of God" mentioned in Genesis 6: were merely regular humans i.e. the

"righteous line of Seth" who produced the giants. I will include the verse for those not familiar with Genesis 6 And it came to pass, when men began to multiply on the face of the earth, and daughters were born unto them, 2 That the sons of God saw the daughters of men that they were fair; and they took them wives of all which they chose. 3 And the Lord said, My spirit shall not always strive with man, for that he also is flesh: yet his days shall be an hundred and twenty years. 4 There were giants in the earth in those days; and also after that, when the sons of God came in unto the daughters of men, and they bare children to them, the same became mighty men which were of old, men of renown. The information presented in this book reveals the falseness of the "sons of Seth" doctrine and sets the record straight about who the "sons of God" who "took wives" from the daughters of men actually were...And now, an in depth preview of the rest of the book...The Bible speaks of giants using names like Nephilim, Rephaim, Zamzumim, Zuzim, Emim and others. History speaks of giants using names like Si Te Cah, Annunaki, Aloadai, Formorian and others. The Bible describes giants as at least 13 feet tall and even much taller having 6 fingers and 6 toes on each hand and foot. History describes giants as at least 13 feet and much taller, skeletons of races of giants have been unearthed having 6 fingers and 6 toes on each hand and foot and many of them with double rows of teeth. The bible speaks of the "sons of God" the binai ha Elohim mating with women and producing giants and "mighty men" as you will see from this book the bible is clear that these "sons of God" were angels/celestial beings. Ancient cultures like Sumeria, Greece, Rome, Africa and others also speak of celestial beings mating with women and producing giants and super human men. The goal of this book is to confirm the bible through history and to confirm history through the bible. The bible is history, what has happened in ancient and recent times is also history. The various comparisons you will see in this book will show clearly that the giants and fallen angels of the bible are present throughout world history under different names. Moreover, this book will show the undeniable association between the gods/celestial beings, fallen angels and giants of ancient times.
