How do you have a relationship with a woman who pees standing up? That was the question Carl had to ask himself after marrying fiery, young Kenya, whose need for dominance and control overshadowed not only his needs, but her abilities. There were a lot of broken lamps in the early years of their relationship. However, there were moments when things teetered on the edge of getting a lot uglier than a broken lamp, too. Thankfully, a radical change in attitude saved their marriage. They became strong enough to thrive through big challenges: parenthood, losing their home to fire, and Kenya's near-fatal illness. Carl, who now co-leads relationship workshops with Kenya, shares the lessons learned not only of his own struggle to be in a relationship of equals, but of his and Kenya's deep study of the subject. In this book readers will learn: --Why "a boy cannot become a man until he has healed a woman." --How to determine what a woman really wants, and how to give it to her without losing your self-respect or her respect for you. --Why your position on the "Monk Scale" makes all the difference to your success as a husband and father. --How to keep your own vices from getting in the way of your relationship

But, nothing could prepare me for the high maintenance, rich girl I'm hired to protect. She's got a smart mouth, is hell-bent on pushing my buttons, and doesn't take the threats against her seriously. And despite the nightmares that plague her dreams, or the fact that I'm the only one who knows about them, I'm not there to befriend her. I'm there to protect her no matter how much she intrigues me. Jabs will be exchanged, glares will become the norm, jealousy will rear its ugly head, and sparks...well those damn things will inevitably fly. But will it all come with a dangerous price? 'A blisteringly imaginative crime novelist...violent, amoral, terse and fast-moving...a classic American novelist' Kirkus Reviews Bill Collins is young, good looking, agile and strong, but he's a drifter with mild multiple neuroses, in and out of institutions, and dangerously violent on occasion. When he gets involved with the hard-drinking Fay Anderson and the deceptively pleasant ex-police officer everyone knows as Uncle Bud in a ruthless kidnap plot, everything goes to hell in a hurry, and the end, for Bill, is inevitable and shattering. This is a tour de force of paranoia and violence from the master of the crime noir novel. They say big-city problems don't happen here. They're wrong. This book is especially designed for, but not limited to, youth and young adults in order to assist them with how they communicate with God through prayer about everyday life. SWAT member Falcon Hale has to watch over his army buddy's sister for a few days; until the cops catch her stalker. Falcon thinks Aria is a rich, ice princess with no heart. Aria thinks Falcon is a playboy and a bully with no manners. They both swear they hate each other, but the spark that appears when they are together, has nothing to do with hate...
