The family hired a vocal coach who, even though he was a qualified and a professional coach, lusted after beautiful girls who were coached by him. This was not publicly known, and unaware of this, Dinah's family trusted him with Dinah. When the ordeal of sexual harassment began with Dinah, she was afraid to let her parents know. Her only confidant was a diary her mother gave her when she started her coaching lessons. At her final debut, when

she had turned eighteen years old, her coach disguised himself as a woman and raped her in the ladies room of the concert hall. Dinah suffered from two traumatic experiences being raped by her coach and unable to tell her family. Because of the trauma, she was sent to a home to recover, where she attempted suicide. After much care and counseling and with the help of a friend, she overcame the trauma and revealed her long-kept secret. This brought her justice as her vocal coach was arrested and sentenced to life imprisonment. After losing his mind, he committed suicide. Ten years later, Dinah was back on stage, singing even better than she had ever been and fulfilled the dream her mother wanted to see come true.

Journey to that Great Day: Stories of Families of Faith is the inspiring story of families who triumph over life's trials in our changing world through their active faith in God. Their stories will deepen your faith and fuel your hope. An inspirational book for people of all races and ages, Journey to that Great Day unfolds the power of faith among families in American culture and history spanning from the South's reconstruction period to the 21st century. Bringing to life the stories of dynamic families, Journey to that Great Day explores the theme of families as ambassadors of peace, hope, unity, and love. This book is the first volume in the series, "Mary Protectress of the Faith." This book is a "Primer" as it is meant to be a simple introduction to the Christian faith and the spirituality of the Immaculate Heart of Mary. It is meant to be an "Invitation" from God and Our Lady to you, dearest reader, to enter into the Divine Heart and Divine Will of Our Heavenly Father. This first volume is meant to be used in the immediate aftermath of The Great Warning (Illumination of Conscience) as prophesied by Our Lady at Garabandal, Spain, during the 1960s. This book contains prayers, heavenly messages, and commentaries, meant to help people who are looking for credible and relevant information and reconciliation with God. It is the author's hope that this book serves its purpose. Although this book is written by a Catholic Christian, the intended audience is for all peoples of all faiths and non-believers.

Series: Mary Protectress of the Faith, Volume 1 Life Happens-Enjoy the ride. Life Happens is full of impactful moments that shaped the life of one woman. She has experienced the loss of family, friends, and her own childhood memories. She will take you on a journey through her life experiences and share what she learned along the way. She shares her greatest joys and her struggles through her most traumatic experiences. There were times she felt God was over estimating how much she could handle, but she never lost her faith. She did stray away from God; there were times she even ran away, but deep down she always felt his presence in her life. You will get to know Tonya Strahan as you enjoy the ride-the ride she calls Life. She lived a life that was normal to her, but as she grew, she realized that life could be better. She learned that although struggles may come her way, how she reacted to it was the key to happiness. She has lived, experienced, and overcame with faith, hope, and love. She hopes her reflections, throughout her life, inspire and encourage you to press on and fight the good fight with faith and more self-love. Being misunderstood drove her to try harder, to be better for those around her until she realized it's not about them. It's not about how others perceive you or what they think about you. They can think you're a purple polka-dotted dinosaur, but it doesn't make you a purple polka-dotted dinosaur. She had to learn that the hard way, but in the end, she learned to love others where they are, but most importantly, to love herself. That is the key to learning how to enjoy the ride. Suggests activities to be used in the classroom to accompany the reading of One fine day by Nonny Hogrogian. Describes how to make every day an extraordinary day by saturating oneself in Jesus's grace, allowing the day to be filled with God-given purpose regardless of the minor setbacks

everyday life holds. The most remarkable story ever revealed starts like this: "...And war broke out in heaven: Michael and his angels fought with the dragon..." The Great Day is anchored on the allegorical story of the woman in Revelation 12 and her adversary, which led to the war in heaven—the root of all wars and woes on earth. In her, the unchangeable and eternal purpose of God for humanity was perfectly sealed. The author presents three stages of war by her Antagonist—a first war in heaven, then many wars on earth—, then a final war from heaven before the messianic kingdom of Christ. The result is a prophecy book that is almost as dramatic and moving as a novel, yet it's not a fiction. Interpreting the entire end-time prophecies from this vantage point, is what sets this book apart from the rest. In particular, four unique discoveries have transformed this book to a new prophetic treasure that every Christian must possess. The reader will discover early in the book, how the invention of another woman—Asherah, the mother of Baal, later coded as Babylon in Revelation 17 became Satan's greatest game changer. Who is the real Gog and Magog—the Antichrist that would occupy Israel? Why Russia is not the Gog of Magog of Ezekiel's prophecy. Understanding the sequence and purpose of the 21 plagues—the seven seals and the sets of retributory plagues of tribulation—seven trumpets and seven bowls of wrath. How are the unleashing of these unprecedented apocalyptic plagues linked to the two powerful prophets in Revelation 11? What will be the roles of the armies of raptured saints following King Jesus for the Armageddon war? The Great Day is a must read for every Christian concerned about the end-time—our eternal destiny. The entire kingdom agenda of Jesus is about the End-times We are walking into a future marked by the challenges of global warming, political unrest, technology, globalization, and the unraveling of institutions. As we come upon new horizons, we cling even more to connection and promise. Searching for the Sacred: Sixty Meditations on Faith, Hope, and Love is a devotional book of stories and parables that gives the reader hope, insight, courage, and resilience. From a writer "whose genre-jumping refusal to be pinned down [makes him] an exemplar of our era" (NPR), a new book that confirms his power to astound readers. As a child Geoff Dyer spent long hours making and blotchily painting model fighter planes. So the adult Dyer jumped at the chance of a residency aboard an aircraft carrier. Another Great Day at Sea chronicles Dyer's experiences on the USS George H.W. Bush as he navigates the routines and protocols of "carrier-world," from the elaborate choreography of the flight deck through miles of walkways and hatches to kitchens serving meals for a crew of five thousand to the deafening complexity of catapult and arresting gear. Meeting the Captain, the F-18 pilots and the dentists, experiencing everything from a man-overboard alert to the Steel Beach Party, Dyer guides us through the most AIE (acronym intensive environment) imaginable. A lanky Englishman (could he really be both the tallest and the oldest person on the ship?) in a deeply American world, with its constant exhortations to improve, to do better, Dyer brilliantly records the daily life on board the ship, revealing it to be a prism for understanding a society where discipline and conformity, dedication and optimism, become forms of self-expression. In the process it becomes clear why Geoff Dyer has been widely praised as one of the most original—and funniest—voices in literature. Another Great Day at Sea is the definitive work of an author whose books defy definition. COMING SOON AS A HALLMARK CHRISTMAS MOVIE NEW YORK TIMES BESTSELLER • Mrs. Miracle shows an ordinary family that they are blessed beyond belief in this uplifting holiday tale from Debbie Macomber, the queen of Christmas stories. As the holiday season begins, Laurel McCullough could use some good news. She and her husband, Zach, have been praying for a baby that seems more and more like an impossible dream, and they've had to move in with her beloved grandmother, Helen, who's having trouble taking care of herself. But when Laurel contacts a local home-care organization for help, there are no caregivers available. Then Mrs. Miracle appears at the door. No stranger to lending a helping hand to a family in need, Mrs. Miracle reveals herself to be nothing short of a godsend. Helen's even convinced she's an angel! And Laurel can't help but notice that with Mrs. Miracle's companionship, Helen is noticeably happier and more engaged, decorating the family Christmas tree and setting up the nativity. In the meantime, Laurel and Zach encounter curious signs, all pointing toward the arrival of a special baby. As Christmas approaches, there appears to be even more to Mrs. Miracle than meets the eye. In a classic tale of Debbie Macomber's signature seasonal magic, Laurel, Zach, and Helen experience a holiday of heavenly proportions. This book is a

collection of short inspirational stories written by unknown authors. I've gathered these stories throughout the years. The most inspirational stories that touched my heart and made me a better person - are compiled in this book. My goal is to bring these stories to my readers and to ignite, inspire and encourage their hearts. Once you pick up this book - please read it slowly. Take your time. Listen to the words coming through your mind and your heart. Enjoy each and every one of these stories. Give them the opportunity to touch your soul. Ask yourself what can you learn by reading the story? How can it affect your life? Can you become a better and happier person? You might find some stories more inspirational than the others. Some will make you cry. Some will make you laugh. Remember that all the stories in the book are designed to inspire and encourage you. I truly hope that you get as much fun and inspiration from reading this book, as I got from working on it. His book is about different short stories that reflect his own persona and about how he thinks as a writer. Those short stories include his testimonies and faith in God, stories on his thoughts of various famous people throughout history, fictional western stories, fictional horror stories, Sci-fi stories, fictional ghost stories, and stories of various events that occurred in my life. These poems of love and inspiration came from times of joy and sorrow, but through all of those times whether good or bad, I had my Lord and Saviour Jesus Christ by my side. His loving kindness and grace has guided me to a place of peace. My only hope is that these few words will also help inspire someone else when things sometimes feel unbearable. Sincerely, Katherine R. Benson

Throughout my life, expressing my thoughts and feelings on paper was a way to pacify what was troubling me. So it was only natural, during my acute respiratory distress syndrome recovery, that I began to document what I remembered and what I was told about my illness. I started to recreate what transpired during those thirteen days I was hospitalized. Being the organized person that I am, I arranged all of this information in chronological order. The missing pieces of my life suddenly started to make sense and that made me feel better. Basically, writing this book became my own personal therapy. But as I recalled some of the horrific events of my illness, it was evident that faith was what held me together. When I continued to examine myself and reflect on how I had reached this point in my life, I saw a pattern in what had always sustained me. With all of the

disappointments and all of the pain throughout the years, both emotionally and physically, I always relied on my faith and the healing power of our Lord. This near death experience taught me valuable lessons and allowed me to draw upon the strength of many. What began as a therapeutic tool for my own benefit, and possibly my immediate family, has become a book filled with testaments of faith, healing, and a family's love. We can never fully prepare ourselves for adversity, illness, or tragedy; therefore, I pray my words will give hope to those who face life's challenges and inspire those to draw strength from our Heavenly Father, so by His grace ... you too can PREVAIL. "--Annette L. Saenz" About the Author Annette L. Saenz lives in Brownsville, Texas, with her husband and two children. She is a registered nurse and practices as a certified nurse case manager. Her fascinating journey provides a window into one family and the complex world of a once-infamous drug seen through new eyes. When a small vial arrives in her mailbox from 'Lewis Carroll,' Ayelet Waldman is at a low point. Her mood storms have become intolerably severe; she has tried nearly every medication possible; her husband and children are suffering with her. So she opens the vial, places two drops on her tongue, and joins the ranks of an underground but increasingly vocal group of scientists and civilians successfully using therapeutic microdoses of LSD. As Waldman charts her experience over the course of a month - bursts of productivity, sleepless nights, a newfound sense of equanimity - she also explores the history and mythology of LSD, the cutting-edge research into the drug, and the byzantine policies that control it. Drawing on her experience as a federal public defender, and as the mother of teenagers, and her research into the therapeutic value of psychedelics, Waldman has produced a book that is eye-opening, often hilarious, and utterly enthralling. As he did for his previous books, *My Greatest Day in NASCAR* and *My Greatest Day in Golf*, sports journalist Bob McCullough has crisscrossed the country interviewing legendary football players who are in the Hall of Fame. In addition to asking about their greatest day, McCullough has expanded these interviews to include thoughts on their greatest college day, greatest opponent, and greatest teammate.
