What does it mean to be
Mi'kmaq? And if Swift Fox can't
find the answer, will she ever
feel like part of her family?
When Swift Fox's father picks
her up to go visit her aunts,
uncles, and cousins, her belly is

already full of butterflies. And when he tells her that today is the day that she'll learn how to be Mi'kmaq, the butterflies grow even bigger. Though her father reassures her that Mi'kmaq is who she is from her eyes to her toes, Swift Fox doesn't understand what that means. Her family welcomes her with smiles and hugs, but when it's time to smudge and everyone else knows how, Swift Fox feels even more like she doesn't belong. Then she meets her cousin Sully and realizes that she's not the only one who's unsure--and she may even be the one to teach him something about what being Mi'kmaq means. Based on the author's own experience, with

striking illustrations by Maya McKibbin, *A Long Way to a New Place* is a poignant story about identity and belonging that is at once personal and universally resonant. A heartfelt story about family, exploration and celebrating the great outdoors from award-winning artist, Carolina Rabei. When a little girl loses her fox toy, she discovers it's been taken by a real-life fox cub, but the real fox cub is lost too - can she help it find its way home, with the help of some other woodland creatures? Join Kate on her adventure, as she explores the countryside near her home. Outdoor play is very important for children's wellbeing, immunity

development and mental health, and Carolina's gorgeous artwork will encourage children to play outdoors and to engage with the natural world around them. Presents a collection of stories and poems celebrating the winter season. In the scores of posthumous tributes paid to Frank Sinatra after his death in 1998, most focused on his extraordinary reign as "The Voice" of twentieth-century pop music. But Sinatra was much more than a music icon. He was also one of the most popular movie stars of the 1940s, '50s, and '60s -- an Academy-Award winning actor with some sixty film credits to his name. He starred in some of the most

iconic films of the twentieth century and with some of the biggest names of the day. There were his dancing days with Gene Kelly in *Anchors Aweigh* and *On the Town*; his acclaimed dramatic turns in *From Here to Eternity* and *The Manchurian Candidate*; and his signature Rat Pack movies such as *Ocean's Eleven*. *Sinatra: Hollywood His Way* is a complete, film by film exploration of this true Hollywood legend. His screen history is vividly brought to life through illuminating reviews, behind-the-scenes stories, and hundreds of rare color and black-and-white photographs, making this the ultimate guide to the films of Frank Sinatra

and an essential in the library of any fan. From New York Times bestselling author Scott Eyman, this is the story of one of the most influential studios in film history, from its glory days under the leadership of legendary movie mogul Darryl F. Zanuck up to its 2019 buyout by Disney. March 20, 2019 marked the end of an era -- Disney took ownership of the movie empire that was Fox. For almost a century before that historic date, Twentieth Century-Fox was one of the preeminent producers of films, stars, and filmmakers. Its unique identity in the industry and place in movie history is unparalleled -- and one of the greatest stories to come out of

Hollywood. One man, a legendary producer named Darryl F. Zanuck, is the heart of the story. This narrative tells the complete tale of Zanuck and the films, stars, intrigue, and innovations of the iconic studio that was. *MINI TREASURES* - delightful mini picture books to treasure for ever. *SALLY'S SECRET* - Sally loves building houses in all sorts of places, and one day she discovers a special place for a special secret house, which she just has to share with her friend. While James and Ruth talk about their hard day, a cynical fox appears and challenges their belief in God. How can they believe God is all-good, all-knowing, and all-

powerful when there is so much pain and evil in the world? This colorful story will encourage deep conversations, help equip children with faith-strengthening tools, and embolden them to defend their Christian beliefs from an early age. Two talented Australian creators team up for a delightful book that is a must-have for any child who finds it difficult to share. Florence can't share her toys with Fox today because today is not Sharing Day. In fact, Sharing Day is not for hundreds of days. Fox has never heard of Sharing Day and he has some questions, but luckily Florence has all the answers. Hollywood: The Oral History covers the

history of Hollywood from the Silent era up to the 21st century. What makes this book unique from any other survey of Hollywood's history is that it is the history of an art form through the words of those people who created it - from Harold Lloyd to Katharine Hepburn to Warren Beatty to Jane Fonda and beyond, including directors, writers, producers, editors, designers of sets and costumes. As such, the authenticity of the text is irrefutable. The material in the book - gathered over the decades by the American Film Institute - has never been published before, has never been heard before. It is comprehensive - a monument

that will never age nor be surpassed. Fans of Aaron Becker's Caldecott Honor winner Journey will love this utterly enchanting wordless picture book in which two friends follow a young fox deep into the woods and discover a wondrous and magical world. When a young girl brings her beloved stuffed fox to the playground, much to her astonishment, a real fox takes off with it! The girl chases the fox into the woods with her friend, the boy, following close behind, but soon the two children lose track of the fox. Wandering deeper and deeper into the forest, they come across a tall hedge with an archway. What do they find on

the other side? A marvelous village of miniature stone cottages, tiny treehouses, and, most extraordinary of all, woodland creatures of every shape and size. But where is the little fox? And how will they find him? Stephanie Graegin's oh-so-charming illustrations are simply irresistible, and readers young and old will want to pore over the pages of this delightful fantasy adventure again and again. Valerie, a lonely little rich girl living in Italy, yearns for a friend, a wish that is answered when a statue in the park magically comes to life, but their friendship is threatened when the mysterious boy, Cherubino, vanishes Originally

published in 1970, Roald Dahl's *Fantastic Mr. Fox* tells the story of the Fox Family. After twelve years, the Fox Family's quiet home life proves too much for Mr. Fox's natural animal instincts. When his young nephew arrives, Mr. Fox slips back into his old ways as a smart bird thief and, in doing so, endangers not only his beloved family, but the whole animal community as well. In Fall 2009, audiences will cheer as award-winning director Wes Anderson (*Rushmore*, *The Royal Tenenbaums*, *The Darjeeling Limited*) brings us his take on the tale: a blockbuster stop-motion animation film shot entirely in high definition. Starring the

voice talents of George Clooney (Michael Clayton), Meryl Streep (*Doubt*), Bill Murray (*Lost in Translation*), and Jason Schwartzman (*Marie Antoinette*), the movie is sure to please fans of the original story as well as enchant new generations. *Fantastic Mr. Fox: The Making of the Motion Picture* is a family-friendly behind-the-scenes look at the creation of the film. Filled with photos, script pages, storyboards, and interviews with cast and crew, this book is a delightful and intriguing peek at the magic that happens as the filmmakers bring to life one of children's literature's most beloved characters: the outrageous, audacious,

Fantastic Mr. Fox. In 1929, Hollywood mogul William Fox (1879-1952) came close to controlling the entire motion picture industry. His Fox Film Corporation had grown from a \$1600 investment into a globe-spanning \$300 million empire; he also held patents to the new sound-on-film process. Forced into a series of bitter power struggles, Fox was ultimately toppled from his throne, and the studio bearing his name would merge in 1935 with Darryl F. Zanuck's flourishing 20th Century Pictures. The 25-year lifespan of the Fox Film Corporation, home of such personalities as Theda Bara, Tom Mix, Janet Gaynor and John Ford, is chronicled in this

thorough illustrated history. Included are never-before-published financial figures revealing costs and grosses of Fox's biggest successes and failures, and a detailed filmography of the studio's 1100-plus releases, among them *What Price Glory?*, *Seventh Heaven* and the Oscar-winning *Cavalcade*. A series of comical choices such as, "Would you rather eat spider stew or slug dumplings or mashed worms?" ends with an invitation to bedtime, in an outrageous read-aloud first published in 1978. Reprint. Part of the RED FOX GIANT PICTURE BOOK series, a LARGE FORMAT edition of a collection of poems which

stress the fun to be had in performing tasks in groups. Illustrated in colour throughout by the author. When the Fox Film Corporation merged with Twentieth Century Pictures in 1935, the company posed little threat to industry juggernauts such as Paramount and MGM. In the years that followed however, guided by executives Darryl F. Zanuck and Spyros Skouras, it soon emerged as one of the most important studios. Though working from separate offices in New York and Los Angeles and often of two different minds, the two men navigated Twentieth Century-Fox through the trials of the World War II boom, the birth of television, the

Hollywood Blacklist, and more to an era of exceptional success, which included what was then the highest grossing movie of all time, *The Sound of Music*. Twentieth Century-Fox is a comprehensive examination of the studio's transformation during the Zanuck-Skouras era. Instead of limiting his scope to the Hollywood production studio, Lev also delves into the corporate strategies, distribution models, government relations, and technological innovations that were the responsibilities of the New York headquarters. Moving chronologically, he examines the corporate history before analyzing individual

films produced by Twentieth Century-Fox during that period. Drawn largely from original archival research, Twentieth Century-Fox offers not only enlightening analyses and new insights into the films and the history of the company, but also affords the reader a unique perspective from which to view the evolution of the entire film industry. As Fox wanders through a strange landscape, he cannot help but be reminded—at every corner—of the streams, the trees, and the family he once knew. Fox would like nothing more than to return to his home, but it seems the cityscape has built up around him. Follow Fox as he looks for

a way back home to the wild green land where every fox belongs. *Back Matter* shows readers the creative ways humans are helping to mitigate habitat encroachment in our towns and cities. Good parents everywhere know the tension of wanting our kids to be curious, to have rich experiences and friends...but to be perfectly safe while doing it. Little Fox knows all about it! His father (in classic picture book fashion) warns him of the danger everywhere. But Little Fox still frolics with butterflies, scavenges for food, and searches for new friends. Then one day he takes a tumble, bumps his head, and starts dreaming of things that reflect

both the beauty he's seen and the scary things he's heard. Marije Tolman's ingenious illustrations use a fresh technique that feels like a movie and a dream, starring the cheerful, bright orange Little Fox on grainy mixed media landscapes of blue and green. And when Little Fox wakes up, he's perhaps a little wiser, but still every bit as curious and full of life. Praise for Little Fox □ "A beautiful, fully realized dreamscape. A tender, brilliant tour de force from the Netherlands."—Kirkus Reviews, starred review This charming story follows two children who go looking for their jump rope and discover that a group of foxes have

claimed it as an answer to their wish. With beautiful, classic illustrations and lyrical text, here is a subtle, sensitive piece of magic that proves to sisters, brothers, and foxes alike that the trusted familiar often lives right next to the truly extraordinary—if only you have the eyes to see it. Intended for film and video buffs as well as audio engineers, recording students and aspiring sound operators, Sound for Picture takes a behind-the-scenes look at the high-tech world of audio production for television and motion pictures. Tricky Fox uses his sack to trick everyone he meets into giving him ever more valuable items. When a lost fox enters a village on a

snowy night, a young boy, seeing that the animal has been chased away by the town's adults, leaves a basket of food for the fox in a greenhouse where it has taken shelter. Grandma always has time to play with Bessie, so when she dies Bessie is very sad. It is not until Bessie is grown up and has a daughter of her own, who reminds her a bit of Grandma, that she feels happier and stops missing her. Give the gift of Christmas with this beautiful holiday tale that celebrates the true meaning of the season. "Come!" drummed a woodpecker one cold, wintry day. "A baby is coming. There's work to be done!" One by one, from field and forest, the

animals make their way to a barn. The cow has sweet-smelling hay to offer the baby. The bluebird has the gift of song. And a lamb has soft, cozy wool. But the shy little fox has nothing to offer . . . or so he thinks. With its gentle text and warm, expressive illustrations, this irresistible take on the Nativity story invites even the youngest child to discover the truest gifts of the Christmas season: the ones that come from the heart. A magnificent and arresting picture book that goes to the heart of human relationships. No one has time to keep an eye on Jim, a toddler whose sticky antics with jam add to the muddle of a children's party. Suggested

level: preschool, juniors. With millions of followers on Instagram, Juniper the fox is the internet's cutest pet! Juniper's adorable snaggletooth smile and fun-loving personality are vibrantly captured in this heartwarming book. With gorgeous photos, a charming narrative about Juniper's life, and a behind-the-scenes look at what it's like to live with a fox, this book will capture the heart of any animal lover. Juniper's story chronicles her adoption and real-life Fox and the Hound relationship with a dog named Moose as well as the hilarious shenanigans she regularly gets herself into—including adapting to her new companion

Fig, a younger fox who was rescued from a fur farm. Readers will also get a look at the thing Juniper is best known for: she paints with her paws! Juniper's paw paintings sell out instantly on her website, and readers will delight in learning more about her artistic adventures. With her signature grin, Juniper reminds us that there is always something to be happy about; you just have to know where to look. In this first paperback edition, Solomon, a screenwriter/story editor who co-authored *The Films of Twentieth-Century Fox* and produced the television show *That's Hollywood*, reruns his history of management in the boom and bust years of this

major motion picture company. Includes a photo of founder/producer Darryl F. Zanuck; the introduction to the original edition; and data on the studio's hit movies, film rentals, and production costs. Annotation copyrighted by Book News, Inc., Portland, OR Discover the very special book that has captured the hearts of millions of readers all over the world. 'A wonderful work of art and a wonderful window into the human heart' Richard Curtis A book of hope for uncertain times. Enter the world of Charlie's four unlikely friends, discover their story and their most important life lessons. The boy, the mole, the fox and the horse have been

shared millions of times online - perhaps you've seen them? They've also been recreated by children in schools and hung on hospital walls. They sometimes even appear on lamp posts and on cafe and bookshop windows. Perhaps you saw the boy and mole on the Comic Relief T-shirt, Love Wins? Here, you will find them together in this book of Charlie's most-loved drawings, adventuring into the Wild and exploring the thoughts and feelings that unite us all. Dennis the monster doesn't like the thunderstorm, so he decides to make as much noise as he can to try and scare it away. Suggested level: junior. This book, the first of two volumes,

will provide a major new history of the British B film, tracing the development of the low-budget supporting feature from the 1927 Films Act (which introduced a quota system for the distribution and exhibition of indigenous product) to the age of television, when B film producers channelled their energies into making TV programmes. Along the way, the authors will address leading producers and studios, B film stars, distributors, the genres and themes that tended to dominate B film production (comedy, horror, crime and fantasy). "Quota Quickies" will include a case study of the B films of Michael Powell. The authors' argument is that the B

film was hugely important in British cinema history in offering an opportunity for British actors and technicians to develop their careers, and that the films themselves provided an outlet for the exploration of peculiarly British cultural concerns in an industry traditionally dominated by Hollywood output. They also contend that some of the films stand up well to contemporary viewing and are deserving of critical re-evaluation. A gentle rhyming story for ages 3-5+ with fun colour photos and facts about foxes and hedgehogs! When Ferdinand Fox meets Edmond the baby hedgehog playing out one night, little Ed shrieks and

curls into a tight prickly ball. He thinks the fox will eat him! But Ed soon realises that he is safe, and has just met a very special fox... One Fox is a stunning counting book and thrilling farmyard adventure from the brilliantly talented author and illustrator, Kate Read. One famished fox with two sly eyes is on the prowl . . . three plump hens had better watch out! The rich, close-up illustrations take the reader to the heart of the drama in this exciting story set in a moonlit farmyard. With something different to count in every picture, learning numbers from one to ten has never been so much fun, while the story will keep everyone gripped to the

last, hugely satisfying page. Kate Read is a graduate from the prestigious MA in Children's Book Illustration at Anglia Ruskin University, Cambridge. Her luscious artwork is a mixture of collage, printing and drawing, creating layers of beautiful texture and detail. A king and his servant learn about the benefits of diversity and the damage that barriers can do in this colorful tale. In this moving and valuable story, a king banishes anyone who looks different than him and builds a wall to keep them away. His kingdom was once flourishing with singers and sculptors, dancers and astronomers, and everyone in between. Now, most of the

people are gone. Once he sees how lonely his side of the wall has become, he realizes where he went wrong and gains a new appreciation for his diverse and talented kingdom. With a visually engaging style that makes a complex lesson simple, this story shows children how a community can be harmed when barriers are built and how it thrives when people come together. "The Wall shows in brilliant color just how vibrant your life can be when you break down barriers and work toward inclusion, which is a wonderful message for readers of any age."

—Katherine Kleffner, blogger, The Nerdy Girl Express "A clever ebb and flow of colors

and shapes that will have young readers, as well as the king, quickly seeing the errors of exclusionary ways."—Foreword Reviews "The Wall: A Timeless Tale is a joyful celebration of diversity, bar none!" —Storywraps "Macri and Zanotti . . . make it clear that shutting people out only weakens a kingdom, and they do it with laughter, not argument." —Publishers Weekly This is a fixed-format ebook, which preserves the design and layout of the original print book The book behind the phenomenal Youtube sensation 'What Does the Fox Say?' Dog goes woof. Cat goes meow. Bird goes tweet, and mouse goes

squeak... But what does the fox say? Ylvis started working with the illustrator for this book before they had even uploaded the video to Youtube as they felt it had the potential to become an interesting book as well. As they say "The level of detail in Svein's drawings make the book fun to read over and over. Hopefully kids will enjoy reading it as much as we enjoyed making it." Ylvis is made up of brothers Bård and Vegard Ylvisåker. Besides being talented musicians and pretty good dancers, the brothers have worked as comedians and talk-show hosts in Norway for many years. Svein Nyhus is a Norwegian author and illustrator of

children's books. He lives in Tonsberg, Norway. His previous books include 'Why

Kings and Queens Don't Wear Crowns" by Princess Mårtha

Louise of Norway.
