Momma, Momma, the Preachers' Comin Apr 09 2021 This is primarily a story of my mother's life as a Homesteader in the barren Canadian wilderness. The winters were long and harsh as she struggles to survive while living on a small, meagre farm. It tells the story of a young mother as she provides for her family. Her strong faith in her Lord gave her strength to carry on each day. When she finds the struggle too deep, no matter what the cost, she realizes she must find a way out.

Kek Huuygens, Smuggler Aug 13 2021 When you need something stolen, smuggled, or made to disappear, Kek Huuygens is your man In the aftermath of World War II, young couples stroll through Brussels, but they do not speak of love. Instead, they might talk about papers, passports, or relocation—and most of all, they speak of currency. As Europe rebuilds itself, fortunes are made and lost in hours, and money is worthless until it is converted into dollars. When Kek Huuygens, a Polish-born smuggler lurking among the Brussels cocktail set, hears that a wealthy industrialist is desperate to convert \$5 million of Belgian francs into American currency, he offers to help. For \$1 million, he will liberate the man's fortune. All the magnate has to do is let Kek steal it. In these seven elegant short stories, Kek battles customs agents and police across Western Europe. For this dapper Pole, there is no object too large to smuggle—so long as the price is right.

Finding Colin Firth Oct 23 2019 From the publishers of Bridget Jones's Diary Only an idiot would attempt to make a pie – a special-ordered chocolate caramel cream Amore Pie – while watching Pride and Prejudice. Had she put in the vanilla? What about the salt? Damn Colin Firth and his pond-soaked white shirt. At home in Boothbay Harbour, Maine, Veronica Russo loves to lose herself in watching Colin Firth movies and baking pies filled with good thoughts. Pies that can bring you happiness, hope, even love (everything she feels when Colin Firth is on the screen, in fact). But Veronica is not so in touch with her own feelings and has deeply buried memories of that one heart-breaking summer, when she was just

16 . . . In Boston, college graduate Bea Crane has received an earth-shattering letter. Gemma Hendricks has come to Boothbay not to find something, but to run away. She's accidentally pregnant, suddenly unemployed and under pressure from her husband to give up on her career and settle down, away from her beloved New York City. With all this on her shoulders, Gemma would rather watch Bridget Jones' Diary with a bowl of popcorn rather than face the truth. But she can't hide away for ever. With Colin Firth in town to shoot a new movie, all three women find their lives become closely entwined. They might be looking out for Colin Firth at every turn, but they'll also find new and important friendships along the way. Actually and The Jane Austen Book Club. *** This is a work of fiction, in no way endorsed by Colin Firth and where Colin Firth himself does not feature. ***

Turtleface and Beyond May 10 2021 Darkly funny stories by the man David Sedaris calls "the most outlandish and energetic writer I can think of" Paddling down a remote, meandering river, Georgie's friend Otto decides to do something both spectacular and stupid: He scales a sandy cliff that rises from the water and runs down its steep face, preparing for a triumphant running dive. As his friends look on, they watch something awful unfold: Otto lands with an odd smack and knocks himself unconscious, blood spilling from his nose and mouth. Georgie arrives on the scene first and sees a small turtle, its shell cracked, floating just below the water's surface. Otto and the turtle survive the collision, though both need help, and Georgie finds his compassions torn. This title story sets the tone for the rest of Arthur Bradford's Turtleface and Beyond, a strangely funny collection featuring prosthetically limbed lovers, a snakebitten hitchhiker turned wedding crasher, a lawyer at the end of his rope, a ménage à trois at Thailand's Resort Tik Tok, and a whole host of near disasters, narrow escapes, and complicated victories, all narrated by Georgie, who struggles with his poor decisions but finds redemption in the telling of each of his tales. Big-hearted and hilariously high-fueled, Turtleface and Beyond marks the return of a beloved and unforgettable voice in fiction.

Chasers of the Light Jun 23 2022 I would love to say that you make me weak at the knees, but to be quite upfront and completely truthful, you make my body forget it has knees at all. One day, while browsing an antique store in Helena, Montana, photographer Tyler Knott Gregson stumbled upon a vintage Remington typewriter for sale. Standing up and using a page from a broken book he was buying for \$2, he typed a poem without thinking, without planning, and without the ability to revise anything. He fell in love. Three years and almost one thousand poems later, Tyler is now known as the creator of the Typewriter Series: a striking collection of poems typed onto found scraps of paper or created via blackout method. Chasers of the Light features some of his most insightful and beautifully worded pieces of work-poems that illuminate grand gestures and small glimpses, poems that celebrate the beauty of a life spent chasing the light.

Scraped Knees Apr 21 2022 The poems in Scraped Knees tell of a journey from memories of childhood in the poem Step Into to thoughts about death in Frozen in Time, Missing, and

Just Beyond. Five poems speak to the feelings and thoughts one has when told that one has cancer. These poems are Revelation, Reflections, Hope, and CA, and Statistics. Oyster Stew and Super Bowl were written to celebrate the time spent with my mother when she was on hospice. We watched the New England Patriots win their first Super Bowl and even she cheered at the end. That time will always be a most cherished memory. Some of the poems in Scraped Knees speak of faith and of learning to quiet the mind during Friends meetings for worship. Winter Darkness, Tears, and Human Touch look at the darker side of life while other poems, Solitude and Journey celebrate what life can be. And then there's Journeying Companions and Heres To, poems that speak to the friendship and comfort one may find in the time spent with four legged friends. My poems attempt to look at and picture in ones eye the many sides and moments in a lifetime of journeying. They look at the joyful and peace-filled days and walk through the reality of the more difficult happenings that one may face.

The most accomplished smuggler in Europe, Huuygens never makes a bet unless he is sure to win. He is a lucky man, but his luck is about to be tested. In the shadows, Victor Girard—a French gangster who gambles not just with money, but with people's lives as well—watches him place the bet. Like his opponent, Girard prefers sure things. He knows Huuygens' reputation, and offers him \$50,000 to bring a certain priceless item through United States customs. Huuygens has made a career humiliating border agents, but he will find that Americans are not so easy to fleece—and that this is a wager that he cannot afford to lose.

Ten Thousand Tongues: secrets of a layered kitchen May 22 2022 Strong matriarchs in the author’s family are the inspiration for “Ten Thousand Tongues.” These are stories of perseverance, and of a deep-rooted appreciation of family legacies that inspire and shape reverence to one’s culinary heritage. This biographical fiction is about eight women who find refuge, solace, and strength in their constantly evolving relationship to family and each other, through the foods they cooked and later, the dishes they are most often remembered by. It captures their essence through narratives from within and around their homes, their lives intersecting briefly, as mothers and as daughters. The main characters of this book navigate the constructs of religious boundaries, between Hinduism and Judaism, and definitions of identity in India and the United States. Despite their flawed relationships, their modest kitchens create indelible memories. Their domestic life is sometimes their burden, and at other times their sanctuary, and yet, long after the kitchen fires are cold, the warmth of old-fashioned comfort foods continue to nourish both body and spirit. Their narratives lead readers through the food pathways that finally culminate in Ana’s kitchen, far away from where the stories first began. Immortalized through iconic comfort foods, eight women effortlessly manage to create a unique and lasting culinary legacy that spans many generations. Look for a companion cookbook of the same name to pair with the novel for a complete immersive experience.
