Spider Bones Sep 23 2022 A complex and riveting
tale of deceit and murder unfolds in this
repackage of the thirteenth thrilling novel in
Reichs's "cleverly plotted and expertly
maintained series" (The New York Times Book
Review). John Lowery was declared dead in
1968—the victim of a Huey crash in Vietnam, his
body buried long ago in North Carolina. Four
decades later, Temperance Brennan is called to
the scene of a drowning in Hemmingford, Quebec.
The victim appears to have died while in the
midst of a bizarre sexual practice. The corpse is

later identified as John Lowery. But how could Lowery have died twice, and how did an American soldier end up in Canada? Tempe sets off for the answer, exhuming Lowery's grave in North Carolina and taking the remains to Hawaii for reanalysis—to the headquarters of JPAC, the U.S. military's Joint POW/ MIA Accounting Command, which strives to recover Americans who have died in past conflicts. In Hawaii, Tempe is joined by her colleague and ex-lover Detective Andrew Ryan (how "ex" is he?) and by her daughter, who is recovering from her own tragic loss. Soon another set of remains is located, with Lowery's dog tags tangled among them. Three bodies—all identified as Lowery. And then Tempe is contacted by Hadley Perry, Honolulu's flamboyant medical examiner, who needs help identifying the remains of an adolescent boy found offshore. Was he the victim of a shark attack? Or something much more sinister?

Speaking in Bones Dec 02 2020 In this blockbuster novel from bestselling author Kathy Reichs, forensic anthropologist Temperance Brennan investigates what looks to be a typical missing person case, only to find herself digging up bones possibly left by a serial killer, a cult, or perhaps something not entirely of this world. For every case that Temperance Brennan has solved, there remain numerous bodies that remain unidentified in her lab. Information on some of these cold cases is available online, where amateur detectives sometimes take a stab at

solving cases. When Tempe gets a call from Hazel “Lucky” Strike, a web sleuth who believes she’s successfully connected a body in Tempe’s lab to a missing eighteen-year-old girl, Tempe writes it off as another false alarm. Still reeling from her mother’s diagnosis and the shock of Andrew Ryan’s potentially life-change proposal, Tempe has little patience for chasing false leads. But when the bones in the lab match the missing girl’s medical records, Tempe re-opens the case, returning to the spot where her remains were originally found. What seems at first to be an isolated tragedy takes on a more sinister cast as Tempe uncovers two more sets of bones nearby. Even more troubling is that the area is known as a viewing point for a famous unexplained light phenomenon, and that a local cult nearby has significant interest in the site. Tempe’s suspicions turn to murder by ritual sacrifice—a theory that gains even more urgency when Hazel herself turns up dead. Struggling to follow the tracks of a killer who will do anything not to be discovered, Tempe races to solve the murders and unravel the mysteries surrounding the site before the body count climbs higher. A suspenseful addition to Temperance Brennan’s story, *Speaking in Bones* proves that Kathy’s pulse-pounding *Bones* series never slows down.

Exposure Jul 29 2020 “If you like the TV show *Bones* (I do) or *Maximum Ride*, you’ll love *Virals*.”—James Patterson Another thrilling *Virals* adventure from New York Times bestsellers Kathy

and Brendan Reichs. When twin classmates are abducted from Bolton Prep, Tory and the Virals decide there's no one better equipped than them to investigate. But the gang has other problems to face. Their powers are growing wilder, and becoming harder to control. Chance Claybourne is investigating the disastrous medical experiment that twisted their DNA. The bonds that unite them are weakening, threatening the future of the pack itself. The Virals must decipher the clues and track down a ruthless criminal before he strikes again, all while protecting their secret from prying eyes. And everyone seems to be watching.

Death du Jour Nov 25 2022 When a recent skeleton among ancient bones raises questions—and danger—forensic anthropologist Temperance Brennan is the only one who can solve the case in this “triumphant second appearance” (Publishers Weekly) from #1 New York Times bestselling author Kathy Reichs. Tempe Brennan is stuck teaching an archaeology field school for students at UNCC in Charleston, South Carolina. When she stumbles upon a recent skeleton among the ancient bones, she starts asking questions. She's the expert they might have called in, but lucky for the police she's already there. The skeleton leads her to a free street clinic where patients have begun to go missing, and some have wound up dead. What is going on and who is to blame? The charismatic televangelist who oversees the clinic? The shady doctor who practices there? Or is it the clinic staff? Ryan is in Montreal,

though he may come down for a visit. If he does, Tempe will have to juggle him and Detective Galiano, an old flame, who is in town investigating the disappearance of a wealthy young woman. This is a phenomenally high stakes business where one dead body can save a couple of lives, maybe more. Along with the corpses, Tempe investigates the sick moral logic of the mastermind behind the operation. Kathy Reichs has returned Tempe to America and put her in the middle of a sinister trafficking ring that's local and global. The suspense is intense, and the world is riveting. Kathy Reichs's books are expert and smart with a taut energy, and this is her best plot and writing yet.

Bones Are Forever Aug 10 2021 Forensic anthropologist Temperance Brennan examines the bodies of three babies while Detective Ryan investigates their mother in a case with ties to the high-stakes world of diamond mining.

Fatal Voyage Dec 26 2022 After a fatal airline crash in the mountains of North Carolina, Dr. Temperance Brennan heads to the site to help identify the victims, but the discovery of body parts that do not belong to any registered passenger leads the investigation into a dangerous

A Conspiracy of Bones Apr 06 2021 #1 New York Times bestselling author Kathy Reichs returns with an "edgy, eerie, irresistible" (Sandra Brown) novel with "plenty of twists" (The New York Times Book Review) featuring forensic

anthropologist Temperance Brennan, who must use her skills to discover the identity of a faceless corpse, its connection to a decade-old missing child case, and why the dead man had her cell phone number. It's sweltering in Charlotte, North Carolina, and Temperance Brennan, still recovering from neurosurgery following an aneurysm, is battling nightmares, migraines, and what she thinks might be hallucinations when she receives a series of mysterious text messages, each containing a new picture of a corpse that is missing its face and hands. Immediately, she's anxious to know who the dead man is, and why the images were sent to her. An identified corpse soon turns up, only partly answering her questions. To win answers to the others, including the man's identity, she must go rogue, working mostly outside the system. That's because Tempe's new boss holds a fierce grudge against her and is determined to keep her out of the case. Tempe bulls forward anyway, even as she begins questioning her instincts. But the clues she discovers are disturbing and confusing. Was the faceless man a spy? A trafficker? A target for assassination by the government? And why was he carrying the name of a child missing for almost a decade? With help from law enforcement associates including her Montreal beau Andrew Ryan and the quick-witted, ex-homicide investigator Skinny Slidell, and utilizing new cutting-edge forensic methods, Tempe draws closer to the astonishing truth. "A complete success"

(Booklist, starred review), "this is Kathy Reichs as you've never read her before" (David Baldacci).

Bones Never Lie Feb 22 2020 Temperance "Tempe" Brennan faces down the demons of her past in the seventeenth thriller in Kathy Reichs's phenomenally successful Bones series. Unexpectedly called in to the Charlotte PD's Cold Case Unit, Dr. Temperance Brennan wonders why she's been asked to meet with a homicide cop who's a long way from his own jurisdiction. The shocking answer: Two child murders, separated by thousands of miles, have one thing in common—the killer. Years ago, Anique Pomerleau kidnapped and murdered a string of girls in Canada, then narrowly eluded capture. It was a devastating defeat for her pursuers, Brennan and police detective Andrew Ryan. Now, as if summoned from their nightmares, Pomerleau has resurfaced in the United States, linked to victims in Vermont and North Carolina. When another child is snatched, the reign of terror promises to continue—unless Brennan can rise to the challenge and make good on her second chance to stop a psychopath. But Brennan will have to draw her bitter ex-partner out of exile, keep the local police and feds from one another's throats, and face more than just her own demons as she stalks the deadliest of predators into the darkest depths of madness. In *Bones Never Lie*, Kathy Reichs never fails to satisfy readers looking for psychological suspense that's more than skin-deep.

Cross Bones Nov 20 2019 'Death by self-inflicted gunshot wound to the head' is the on-scene assessment, but the victim's relatives are adamant in their rejection of suicide as an explanation. Discovered in a closet, a week after death, the body is barely recognisable. Extreme heat has accelerated decomposition, and Dr Temperance Brennan's forensic expertise is required. |PB

Swamp Bones: A Novella Jan 23 2020 Forensic anthropologist Temperance Brennan returns in a chilling eBook original novella from #1 New York Times bestselling author Kathy Reichs. In the prequel to Reichs's upcoming thriller *Bones Never Lie*, Tempe takes a much-needed vacation—but murder follows wherever she goes. Although a trip to Florida is supposed to be about rest and relaxation, there's no such thing as a day off for Dr. Temperance Brennan. She has come to visit her friend, a dedicated ornithologist who's researching the threat that intrusive Burmese pythons pose to indigenous bird species in the Everglades. While sorting through the stomach of an eighteen-foot specimen, they make a disturbing discovery: bones that are unmistakably human. And when Tempe spots the telltale signs of murder by a very different kind of predator, she's drawn into a case with its roots in the darkest depths of the swamp. Features a preview of the highly anticipated new Temperance Brennan novel, *Bones Never Lie*! Praise for the novels of Kathy Reichs "[Reichs is] a genius at building suspense."—New

York Daily News “Reichs, a forensic anthropologist, makes her crime novels intriguingly realistic.”—Entertainment Weekly “Tempe Brennan is the lab lady most likely to dethrone Patricia Cornwell’s Kay Scarpetta.”—USA Today “Every minute in the morgue with Tempe is golden.”—The New York Times Book Review “Reichs always delivers a pulse-pounding story.”—Publishers Weekly

The Bone Collection Apr 18 2022 A collection of pulse-pounding tales featuring forensic anthropologist Temperance Brennan—including the untold story of her first case! This ebook edition contains a special preview of Kathy Reichs’s upcoming novel *Two Nights*. The #1 New York Times bestselling author behind the hit Fox series *Bones*, Kathy Reichs is renowned for chilling suspense and fascinating forensic detail. *The Bone Collection* presents her trademark artistry in this collection of thrilling short fiction. In *First Bones*, a prequel to Reichs’s first novel, *Déjà Dead*, she at last reveals the tale of how Tempe became a forensic anthropologist. In this never-before-published story, Tempe recalls the case that lured her from a promising career in academia into the grim but addictive world of criminal investigation. (It all began with a visit from a pair of detectives—and a John Doe recovered from an arson scene in a trailer.) The collection is rounded out with three more stories that take Tempe from the low country of the Florida

Everglades, where she makes a grisly discovery in the stomach of an eighteen-foot Burmese python, to the heights of Mount Everest, where a frozen corpse is unearthed. No matter where she goes, Tempe's cases make for the most gripping reading. Praise for Kathy Reichs and the Temperance Brennan series "Nobody does forensics thrillers like Kathy Reichs. She's the real deal."—David Baldacci "Kathy Reichs writes smart—no, make that brilliant—mysteries that are as realistic as nonfiction and as fast-paced as the best thrillers about Jack Reacher or Alex Cross."—James Patterson "Every minute in the morgue with Tempe is golden."—The New York Times Book Review

Deadly Decisions Jun 20 2022 When innocent blood is spilled, forensic anthropologist Temperance Brennan deciphers the shattering truth it holds in this exciting thriller from New York Times bestselling author Kathy Reichs. Nine-year-old Emily Anne Toussaint is fatally shot on a Montreal street. A North Carolina teenager disappears from her home, and parts of her skeleton are found hundreds of miles away. These shocking deaths propel Tempe Brennan from north to south, and deep into a shattering investigation inside the bizarre culture of outlaw motorcycle gangs—where one misstep could bring disaster for herself or someone she loves. From blood-splatter patterns and ground-penetrating radar to bone-sample analysis, *Deadly Decisions* triumphantly combines the authenticity

of a world-class forensic professional with the narrative power of a brilliant crime-writing star.

When the Bough Breaks Aug 18 2019 In the first Alex Delaware novel, Dr. Morton Handler practiced a strange brand of psychiatry. Among his specialties were fraud, extortion, and sexual manipulation. Handler paid for his sins when he was brutally murdered in his luxurious Pacific Palisades apartment. The police have no leads, but they do have one possible witness: seven-year-old Melody Quinn. It's psychologist Dr. Alex Delaware's job to try to unlock the terrible secret buried in Melody's memory. But as the sinister shadows in the girl's mind begin to take shape, Alex discovers that the mystery touches a shocking incident in his own past. This connection is only the beginning, a single link in a forty-year-old conspiracy. And behind it lies an unspeakable evil that Alex Delaware must expose before it claims another innocent victim: Melody Quinn.

Bones In Her Pocket (Temperance Brennan Short Story) Mar 25 2020 Dr Temperance Brennan is in unfamiliar territory as she races to learn the truth from the bones - before it's too late. A new, exclusive straight-to-digital short story from Kathy Reichs, world leading forensic anthropologist and No.1 bestselling author of *Deja Dead*, *Bones Are Forever* and *Bones of the Lost*. Dr. Tempe Brennan has seen it all. Human bones. Animal bones. Old bones. Young bones. Male bones. Female bones. What she hasn't seen is all of them mixed together in the same case. Until now. The foothills of North Carolina aren't the only unfamiliar territory Tempe faces as she races to learn the meaning of the *Bones in Her Pocket*. Multi-million copy, international bestselling thriller writer Kathy Reichs is an expert in forensic science, giving her fiction an authenticity other crime writers would kill for. *Bones In Her Pocket* also gives readers the first chance to read the opening chapters of Kathy's new thriller, *Bones of the Lost*, out in August.

206 Bones Sep 30 2020 In the twelfth novel from #1 New York Times bestselling author Kathy Reichs, forensic anthropologist Temperance Brennan finds herself buried alive after being

accused of mishandling the autopsy of a Canadian heiress. There are 206 bones in the human body. Forensic anthropologists know them intimately, and can use them to recreate every kind of violent end. Tempe wakes up to discover that she is enclosed in a kind of very small, very dark, very cold space. She is bound, hands to feet, and there's something wrong with her ankle. Unsure of where she is, Tempe slowly begins to work out what has happened... When the body of a missing heiress was discovered, Temperance Brennan and Lieutenant Ryan accompanied the remains from Montreal to the Chicago morgue. Their trip was soon interrupted when an incriminating phone call accused Tempe of mishandling the autopsy—and the case. But before Tempe could face her accuser, the one man with information about the call died, and Tempe was left in the dark. As the facts slowly slot into place, Tempe wonders who wants her dead, or at least out of the way, and why? Pulse-pounding, electrifying, and seamlessly weaving between past and present, *206 Bones* describes the incredible devastation that occurs when forensic evidence is sabotaged in the lab.

First Bones Jun 27 2020 An e-novella by #1 New York Times bestselling author Kathy Reichs that explores the origins of her vastly popular character, forensic anthropologist Temperance Brennan. In 1980s Charlotte, North Carolina, Temperance Brennan is newly employed as a bioarchaeologist, studying the bones of the ancient dead. But a strange opportunity presents

itself when two detectives appear at her lab, seeking consultation on a recently burned body. As a murder investigation unfolds, Temperance finds that there is another deadly threat at work...

Grave Secrets Sep 18 2019 "Fans of TV's CSI: Crime Scene Investigation should be in heaven" (People) stepping into the world of forensic anthropologist Dr. Temperance Brennan, star of Kathy Reichs' electrifyingly authentic bestsellers. A harrowing excavation unearths a chilling tragedy never laid to rest. They are "the disappeared," twenty-three massacre victims buried in a well in the Guatemalan village of Chupan Ya two decades ago. Leading a team of experts on a meticulous, heartbreaking dig, Tempe Brennan pieces together the violence of the past. But a fresh wave of terror begins when the horrific sounds of a fatal attack on two colleagues come in on a blood-chilling satellite call. Teaming up with Special Crimes Investigator Bartolomé Galiano and Montreal detective Andrew Ryan, Tempe quickly becomes enmeshed in the cases of four privileged young women who have vanished from Guatemala City -- and finds herself caught in deadly territory where power, money, greed, and science converge.

The Bone Code Feb 16 2022 "On the way to hurricane-ravaged Isle of Palms Tempe receives a call from the Charleston coroner. The storm has tossed ashore a medical waste container. Inside are two decomposed bodies wrapped in plastic

sheeting and bound with electrical wire. Tempe recognizes many of the details as identical to those of an unsolved case she handled in Quebec years earlier... Meanwhile, health authorities in South Carolina become increasingly alarmed as a human flesh-eating contagion spreads."--

Deja Dead Oct 24 2022 The first Temperance Brennan novel in the “cleverly plotted and expertly maintained series” (The New York Times Book Review) from the #1 internationally bestselling thriller writer Kathy Reichs. Her life is devoted to justice—even for those she never knew. In the year since Temperance Brennan left behind a shaky marriage in North Carolina, work has often preempted her weekend plans to explore Québec. When a female corpse is discovered meticulously dismembered and stashed in trash bags, Temperance detects an alarming pattern—and she plunges into a harrowing search for a killer. But her investigation is about to place those closest to her—her best friend and her own daughter—in mortal danger... “A genius at building suspense” (Daily News, New York), Kathy

Reichs's Temperance Brennan books are both "accomplished and chilling" (People) and "ripe with intricate settings and memorable characters" (Milwaukee Journal Sentinel).

Deadly Decisions May 19 2022 Forensic anthropologist Tempe Brennan is propelled from north to south when a nine-year-old girl is brutally shot on a Montreal street and the remains of a missing North Carolina teenager are found hundreds of miles away. The connection between the crimes leads Brennan into a bizarre culture of outlaw motorcycle gangs, where one misstep can bring disaster.

Bones to Ashes Sep 11 2021 In Kathy Reichs's tenth bestselling novel featuring forensic anthropologist Temperance Brennan, the discovery of a young girl's skeleton in Acadia, Canada might be connected to the disappearance of Tempe's childhood friend. For Tempe Brennan, the discovery of a young girl's skeleton in Acadia, Canada, is more than just another case. Evangeline, Tempe's childhood best friend, was also from Acadia. Named for the character in the Longfellow poem, Evangeline was the most exotic person in Tempe's eight-year-old world. When Evangeline disappeared, Tempe was warned not to search for her, that the girl was "dangerous." Thirty years later, flooded with memories, Tempe cannot help wondering if this skeleton could be the friend she had lost so many years ago. And what is the meaning of the strange skeletal lesions found on the bones of the young girl?

Meanwhile, Tempe's beau, Ryan, investigates a series of cold cases. Two girls dead. Three missing. Could the New Brunswick skeleton be part of the pattern? As Tempe draws on the latest advances in forensic anthropology to penetrate the past, Ryan hunts down a serial predator.

Bare Bones Nov 01 2020 Her plans for a romantic vacation interrupted by the discoveries of two murdered bodies and a small plane crash, Tempe Brennan traces leads to an isolated North Carolina farm.
