Sex and Survival: the Complete Trilogy Oct 02 2020

Welcome to the complete trilogy of Sex & Survival, a post-apocalyptic erotica! In a bleak future where half of all humanity was turned into mindless zombies, and half of all the survivors were morphed into inhuman mutations, Mike Walker is a survivor. Born several years after the cataclysm that tore the world apart transpired, he is used to life on the road and struggling for survival. As he moves among the sparse settlements and keeps an eye out for the next adventure, he also often searches for the company of beautiful inhuman women. Although relations between humans and inhumans are often strained, Mike has always preferred their company... This collection contains SEX & SURVIVAL, SEX & SURVIVAL 2, and SEX & SURVIVAL 3, as well as two bonus short stories. The first is ANOTHER NEW FRIEND, in which a friend Mike made over the course of repairing the greenhouse shows up at his place looking for a good time. The second is AN INTERESTING REQUEST, in which another of Riley's friends, a beautiful pregnant human woman, shows up looking for some special treatment that she can't seem to find anywhere else. Both of these now serve as an epilogue for Sex & Survival 3. SEX & SURVIVAL: THE COMPLETE TRILOGY contains a lot of scenes featuring hot, interracial sex between one human man and a lot of different attractive, badass inhuman women, as well as a lot of zombie killing and other scenes of violence. You have been warned.

Caldwell's Homestead Feb 18 2022 Jake and Mollie Caldwell started their small farm and homestead to be able to provide for an uncertain future for their family, friends, and community. They have tried to plan for everything, but they never imagined this would happen.

Oryx And Crake May 29 2020 By the author of THE HANDMAID'S TALE and ALIAS GRACE * Pigs might not fly but they are strangely altered. So, for that matter, are wolves and racoons. A man, once named Jimmy, lives in a tree, wrapped in old bedsheets, now calls himself Snowman. The voice of Oryx, the woman he loved, teasingly haunts him. And the green-eyed Children of Crake are, for some reason, his responsibility. * Praise for Oryx and Crake: 'In Jimmy, Atwood has created a great character: a tragic-comic artist of the future, part buffoon, part Orpheus. An adman who's a sad man; a jealous lover who's in perpetual mourning; a fantasist who can only remember the past' -INDEPENDENT 'Gripping and remarkably imagined' -LONDON REVIEW OF BOOKS

Dragon Apocalypse Mar 19 2022 DRAGON APOCALYPSE: THE COMPLETE COLLECTION, gathers all four novels of the critically acclaimed series by James Maxey, author of the bestselling BITTERWOOD series. It also includes the bonus novella GREATSHADOW: ORIGINS, the original story that provided the inspiration for the novels. GREATSHADOW Infidel is a legendary sword-for-hire, enchanted with impervious skin and the strength of ten men. When her closest companion dies, she decides to retire in style, by stealing the treasure horde of the dragon Greatshadow. To do so, she joins an expedition organized by the Church of the Book, who've assembled a team of the world's most dangerous mercenaries

to kill the dragon. With half the rogues on the team dreaming of taking the treasure for themselves, can she survive her own companions long enough to fight the dragon? HUSH Infidel must travel to the frozen wastes to fulfill a promise made to a dying friend. When she stumbles across a plot by the Hush, the primal dragon of cold, to murder Glorious, the dragon of the sun, will she be able to save the world from the darkness of an eternal winter? WITCHBREAKER Long ago, Stark Tower, the Witchbreaker, used his hell-forged sword to destroy the kingdom of the witch-queen Avaris. Now, a young woman named Sorrow is on a quest to recover all the lost secrets of witchcraft, and has tapped into the power of Rott, the primal dragon of death, for the might needed to fight her numerous enemies. In the ruins of the land once ruled by Avaris, she discovers a sleeping knight who awakens with no memory of his past, who proves to be a warrior of unmatched skills. They must work together to reach Avaris in her abode in the realms of the dead. But is Sorrow's new ally secretly her greatest enemy, the long-vanished Witchbreaker? CINDER It's the end of the world! Twenty years after the attack on Greatshadow, the primal dragon Tempest has torn down the gates of Hell, unleashing an army of the damned onto a world already in ruins from blizzards, floods, and earthquakes. Infidel's daughter Cinder was born with the power to walk between the realms of the living and the dead. Can she rescue Sorrow and her allies from Hell in time to defend the last stronghold of mankind from the assembled dragons? 'This one is worth reading right now.' Orson Scott Card on Greatshadow 'Greatshadow's level 30+ adventure is charming, not po-faced, with a group of flawed, quick-witted and oddball adventurers

that are equally comfortable with set-piece battle and rapid fire sarcasm.' Pornokitsch on Greatshadow 'A magnificently entertaining romp bursting with charm.' SFX on Greatshadow

The Oxford Companion to the Bible Jan 25 2020 The Bible has had an immeasurable influence on Western culture, touching on virtually every aspect of our lives. It is one of the great wellsprings of Western religious, ethical, and philosophical traditions. It has been an endless source of inspiration to artists, from classic works such as Michaelangelo's Last Judgment, Handel's Messiah, or Milton's Paradise Lost, to modern works such as Thomas Mann's Joseph and His Brothers or Martin Scorsese's controversial Last Temptation of Christ. For countless generations, it has been a comfort in suffering, a place to reflect on the mysteries of birth, death, and immortality. Its stories and characters are an integral part of the repertoire of every educated adult, forming an enduring bond that spans thousands of years and embraces a vast community of believers and nonbelievers. The Oxford Companion to the Bible provides an authoritative one-volume reference to the people, places, events, books, institutions, religious belief, and secular influence of the Bible. Written by more than 250 scholars from some 20 nations and embracing a wide variety of perspectives, the Companion offers over seven hundred entries, ranging from brief identifications--who is Dives? where is Pisgah?--to extensive interpretive essays on topics such as the influence of the Bible on music or law. Ranging far beyond the scope of a traditional Bible dictionary, the Companion features, in addition to its many informative, factual entries, an abundance of interpretive essays. Here are extended entries on religious concepts from

immortality, sin, and grace, to baptism, ethics, and the Holy Spirit. The contributors also explore biblical views of modern issues such as homosexuality, marriage, and anti-Semitism, and the impact of the Bible on the secular world (including a four-part article on the Bible's influence on literature). Of course, the Companion can also serve as a handy reference, the first place to turn to find factual information on the Bible. Readers will find fascinating, informative articles on all the books of the Bible--including the Apocrypha and many other ancient texts, such as the Dead Sea Scrolls, Pseudepigrapha, and the Mishnah. Virtually every figure who walked across the biblical stage is identified here, ranging from Rebekah, Rachel, and Mary, to Joseph, Barabbas, and Jesus. The Companion also offers entries that shed light on daily life in ancient Israel and the earliest Christian communities, with fascinating articles on feasts and festivals, clothing, medicine, units of time, houses, and furniture. Finally, there are twenty-eight pages of full-color maps, providing an accurate, detailed portrait of the biblical world. A vast compendium of information related to scriptures, here is an ideal complement to the Bible, an essential volume for every home and library, the first place to turn for information on the central book of Western culture.

Dragon Apocalypse: The Complete Collection Mar 07 2021
Bad girls, big dragons! An eclectic band of female adventures must come together to save the world from the primal dragons. The Last War Jun 10 2021 With thousands of copies sold and millions of pages read, *The Last War* is an edge-of-your-seat thriller that's perfect for fans of Jack Hunt, Ryan Westfield, Harley Tate and Bruno Miller. The end of one world marks the beginning of another... With San Francisco literally crashing down all around her, and her family scattered about the city, Cincinnati McNamara will fight for a daughter who may already be dead, a husband with a death wish and a brother who's fresh out of the military and shaped by a war he just left behind. Caught in the killing fields and forced to fight, this remarkable family will attempt the impossible: they'll try to escape a world now backsliding into a nightmarish landscape more reminiscent of the stone ages than the once famed city by the bay. *The Last War* is a clean, lightning-fast thriller about an ordinary family struggling to escape San Francisco in the face of insurmountable odds, an abysmal loss of life and the dawn of a new, post-apocalyptic dark age. Prepare yourself for a ride like no other. Are you ready? ***This is the revised edition to take care of a few pesky errors! - 8.21.18***

WHAT FANS OF THE LAST WAR ARE SAYING... "This is the best so far. And why is that? Well because it is a reliable alternative reality. The focus is not just survival but the description of human behavior, thoughts and ethical conundrums. Character development is very strong and the book addresses all the male/female issues being struggled with today. Ryan Schow is one of the first writers I have read that discusses suicide as an escape from an untenable situation. What would you rather be, a survivor or good person killed?" - Christopher La Londe, Amazon Reviewer

????? "Incredible. Loved it! This book pulled me in from the beginning and kept me absolutely hooked to the

very end. I could not put it down!! I felt like I was living through mayhem with this family, navigating seemingly impossible odds, feeling the despair of their situation at times and glimmers of hope along the way. As is the case in his other books, I love the way this author continually finds ways to weave humor into even the most dire of situations. I truly enjoyed the characters and their unforgettable journey through a city I know well, but came to envision in a whole new light. This really is a must read!" Coach, Amazon Reviewer ?????? "Wow, what a story! The author managed to weave a tale of action, depth of personality and realism around an apocalyptic event that grabs you by the throat and does not let go to the very last page. I was delighted to hear that it is the first of a series! Don't miss jumping aboard and enjoying the thrill..." -

Dusty, Amazon Reviewer ?????? **READING ORDER OF THE COMPLETE LAST WAR SERIES:** The Last War The Zero Hour The Ophidian Horde The Infernal Regions The Killing Fields The Barbarous Road The Terminal Run Categories: Post Apocalyptic Survival Fiction, EMP, Action, Adventure, Science Fiction, Dystopian, Women's Adventure, Men's Adventure, Teen and Young Adult Science Fiction

It begins here! The critically acclaimed, fan-favorite storyline that rocked the X-Men Universe to its core is collected across four volumes! In a cracked-mirror world ruled by the genocidal mutant despot Apocalypse, only one hope remains: Magneto and his Astonishing X-Men!

Apocalyptic Ecology Apr 08 2021 The author of the book of Revelation struggled, as we do today, to live out a Christian faith in the context of an empire that trampled and destroyed the earth and its creatures. In this book, Micah D. Kiel will look at how and why Revelation was written, along with how it has been interpreted across the centuries, to come to an understanding of its potential contribution to a modern environmental ethic. While the book of Revelation is replete with images of destruction of the earth, Kiel shows readers, through Revelation's ancient context, a message of hope that calls for the care of and respect for the environment.

Haven Nov 27 2022 When a medical marvel meant to change the very essence of humanity as a whole was unveiled, it did indeed change everything, but not in a way anyone was anticipating. A virus raged wildly out of control, consuming the whole world, turning half of humanity into mindless zombies, and half of the survivors into a variety of new species known now as the inhumans. In the decades that followed, society slowly began to rebuild and reform around these new realities. Up until very recently, life on Earth could almost appear normal, if you weren't in a particularly dangerous area. Unfortunately, that all changed when the virus, which had previously only affected humans, suddenly mutated and made the jump to inhumans. Now, the world is ripping itself apart again as an army of new, incredibly lethal variants of the undead roam the countryside, killing everything in their path. And now, the first winter since this latest development is falling across the land. David was born in the decades after society collapsed, so he was well-suited to a life of having to travel often, scavenge for supplies, and fight the living dead (and

sometimes the living). Over the past year, his outlook has slowly grown dimmer, and after the village he decides to spend the winter at falls, leaving him and just a few friends alone and outnumbered in the frozen wilderness, he has no idea how they're going to survive...HAVEN contains several scenes of hot human-on-inhuman sex, as well as several scenes of violence.

Earth Has Fallen The Complete Series Jul 31 2020 The COMPLETE 5 book Earth Has Fallen series in one box set! Nuclear Armageddon left the planet in ashy ruins. When a man leaves the safety of the underground, will he survive the peril that awaits him above? Seventeen-year-old Loreto Riker has never known life outside a bunker. After an atomic war thrusts the world into an eternal winter, the descendant of the survivors accepts an exploratory mission to search for others on the ravaged surface. But the treacherous task quickly turns deadly when he's attacked by radioactively deformed flesh-eaters. Desperately evading the mutant cannibals, Loreto pairs up with a sword-wielding woman on the run from the foul creatures. But when he makes a shocking discovery, he fears a much greater threat looms amongst the corrupted remnants of the apocalypse... Includes: Loreto: An Earth Has Fallen short story Return from Darkness Conflict Rising Return to the Surface New Frontier What readers are saying: ***** "Having witnessed ww1 and ww11 which used less destructive war machine this world was ill seem to have taken thing to the next level wide spread use bomb which leaves trails of destruction millions of lives are lost. One group goes underground while some remains behind to face reality head on by sheer luck the survive the lethal rays. " ***** "The characters are written in

such a way that I was worried along with them. I definitely don't believe in the apocalypse ?! And in the salvation of all mankind as a super-hero? For such a story, you definitely need a continuation in the form of a series, which the author actually did. It will not be boring!" ***** "This book is adventurous, entertaining, and thought-provoking. I was gripped throughout. The world is real enough to be believable, but at the same time fantastical enough to be intriguing." ***** "I don't usually read post-apocalyptic books but I'm glad I got to read this one. The storyline and characters have been well thought out and I look forward in getting to know the characters more in the next book." ***** "With as many books as I have read over the years, it is rare for me to find a true can't-put-down read. I was up until 4 a.m. when I blearily realized that I had read the book straight through in one sitting. The lost sleep was well worth it. Peter Servidio has a distinctive writing style that uses the history of war and real-world nuclear capabilities to create a frighteningly credible tale of 'what-might-be.' Add to that a taste of H.P. Lovecraft, a dash of Stephen King, and a (small) bit of Tolkien and you have a novel comprised of consummate world-building and detail." ***** "It's an opening book into a series and is fast paced and easy to read. In this story instead of the population escaping to an orbiting city the principle protagonists live underground. It's told in first person and the jumping off point occurs when a small group sets out to return a newly discovered person to her village. They discover something there that could be a boon to everyone." ***** "The story is engaging and exciting as you follow Loreto, a young explorer from the mine community. It has some of the standard post-apocalyptic elements (scavenging, roving mutants,

surviving communities at odds) but the author does a good job telling his story and setting up the sequel. It has shades of *The Road*, *Daybreak 2250 A.D.*, and *The Last She*." ***** "This book jumps right in, which I appreciate. The author did a very good job of providing background information before going into the present day. This is one of those books that you cannot put down. It leaves you wanting more. The author was very imaginative. Yet, the plot was realistic. If you're looking for an exciting read, definitely check out this book." Buy the *Earth Has Fallen* box set today and jump into this fast-paced, post-apocalyptic, survival adventure!

The Road Oct 14 2021 The post-apocalyptic modern classic with an introduction by novelist John Banville. In a burned-out America, a father and his young son walk under a darkened sky, heading slowly for the coast. They have no idea what, if anything, awaits them there. The landscape is destroyed, nothing moves save the ash on the wind and cruel, lawless men stalk the roadside, lying in wait. Attempting to survive in this brave new world, the young boy and his protector have nothing but a pistol to defend themselves. They must keep walking. Winner of the Pulitzer Prize for Fiction, The Road is an

incandescent novel, the story of a remarkable and profoundly moving journey. In this unflinching study of the best and worst of humankind, Cormac McCarthy boldly divines a future without hope, but one in which, miraculously, this young family finds tenderness. An exemplar of post-apocalyptic writing, *The Road* is a true modern classic, a masterful, moving and increasingly prescient novel. This edition is part of the Picador Collection, a series of the best in contemporary literature, inaugurated in Picador's 50th Anniversary year.

Mother of Learning: ARC 1 Apr 27 2020 Zorian Kazinski has all the time in the world to get stronger, and he plans on taking full advantage of it. A teenage mage of humble birth and slightly above-average skill, Zorian is attending his third year of education at Cyoria's magical academy. A driven and quiet young man, he is consumed by a desire to ensure his own future and free himself of the influence of his family, resenting the Kazinskis for favoring his brothers over him. Consequently, Zorian has no time for pointless distractions, much less other people's problems. As it happens, though, time is something he is about to get plenty of. On the eve of Cyoria's annual summer festival, Zorian is murdered, then abruptly brought back to the beginning of the month, just before he was about to take the train to school. Finding himself trapped in a time loop with no clear end or exit, he will have to look both within and without to unravel the mystery set before him. He does have to unravel it, too, because the loop clearly wasn't made for his sake, and in a world of magic even a time traveler isn't safe from those who wish him ill. Fortunately for Zorian, repetition is the mother of learning...

Last Man Standing: the Complete Trilogy Jun 22 2022 "Writing so brilliant it's impossible to put down" ... "Exceptional" ...

"Surprised and delighted" BANGKOK, MARCH 2018. The world looked on in horror as millions of innocent lives were snuffed out in a matter of hours. Countless men, women and children slaughtered without mercy, torn apart by a violent mob that attacked without reason, motive or warning. Tom Freeman witnessed the aftermath. He reported on the tragedy and looked into the eyes of the sole survivor, an old friend, and what he saw looking back sent him running home to the United States. Back to safety. Back to a place where the world made sense, and the putrid stink of the dead didn't haunt his nightmares... Turns out he didn't run quickly enough. They're coming. Remain indoors... Gather supplies... Find a weapon... The zombies are here, and they're hungry. This is the Last Man Standing trilogy, complete, unabridged and collected for the first time in a single volume. From the author of the internationally bestselling *This Is the Way the World Ends: An Oral History of the Zombie War*.

Revelation Nov 15 2021 The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

Theory for the World to Come Feb 06 2021 Can social theories forge new paths into an uncertain future? The future has become increasingly difficult to imagine. We might be able to predict a few events, but imagining how looming disasters will coincide is simultaneously necessary and impossible. Drawing on speculative fiction and social theory, *Theory for the World to Come* is the beginning of a conversation about theories that move beyond nihilistic conceptions of the capitalism-caused Anthropocene and toward generative bodies of thought that provoke creative ways of thinking about the world ahead. Matthew J. Wolf-Meyer draws on such authors as Kim Stanley Robinson and Octavia Butler, and engages with afrofuturism, indigenous speculative fiction, and films from the 1970s and '80s to help think differently about the future and its possibilities. Forerunners: Ideas First Short books of thought-in-process scholarship, where intense analysis, questioning, and speculation take the lead

The Enemy Jun 29 2020 The first unputdownable adventure story in this phenomenal series, from the author of the bestselling Young Bond series and award-winning comedy writer and performer (The Fast Show, Down the Line), Charlie Higson. They'll chase you. They'll rip you open. They'll feed on

you . . . When the sickness came, every parent, policeman, politician - every adult - fell ill. The lucky ones died. The others are crazed, confused and hungry. Only children under fourteen remain, and they're fighting to survive. Now there are rumours of a safe place to hide. And so a gang of children begin their quest across London, where all through the city - down alleyways, in deserted houses, underground - the grown-ups lie in wait. But can they make it there - alive?

Breaking World May 09 2021 A cure to save the world or a war to end it.

The Complete Commentary of Oecumenius on the Apocalypse Dec 04 2020

Epoch's End Jan 05 2021 A disaster in the North Atlantic. A father and daughter caught in the middle. A desperate struggle for survival, where each step may be the last. Tired of the usual post-apocalyptic tale? Welcome to your new addiction. #1 best-selling post-apocalyptic author Mike Kraus brings a new gripping tale of destruction, survival and humanity in his first solo project in 4 years. In the North Atlantic, a massive fissure in the sea floor has opened up, and an underground reservoir is releasing quadrillions of gallons of water into the oceans. A dozen Naval ships investigating this strange anomaly are sunk, leaving one scientist and his daughter as the only survivors. As unforeseen consequences spread from the anomalous rupture, those on both land and sea are faced with the reality that life in the world is rapidly changing as the current epoch ends... and a new one begins. ***** Mike Kraus & Muonic Press are the #1 selling indie press publishing post-apocalyptic tales, for good reason. Since capturing audience's attention with Final Dawn in 2012, Kraus has captivated and

delighted his readers, both with his solo projects like *Surviving the Fall* and *No Sanctuary*, and with his co-authored projects with authors like Justin Bell, JJ Pike, Tara Ellis, Kenny Soward and others on titles such as *Zero Hour*, *MELT*, *Flashpoint* and *Weathering the Storm*. This complete edition of *Epoch's End* collects all 7 books from the original series into one convenient package.

The Wasteland Series Aug 20 2019 Abel survived the apocalypse... ..but drugs nearly killed him. He scrapes together a meagre existence with his dog trading junk he finds on the wastes. But when he crosses paths with a group of enslaved children, he must do everything he can to save them. Can he ever be free from drugs? Will he find a place to call home? Is there hope in a hopeless world? This collection brings together all four novels in Jon Cronshaw's *Wasteland* series. You'll love these books because everyone loves post-apocalyptic survival, flawed heroes, and tales of good versus evil. Order your copy now.

X-Men Jul 23 2022 Follows the adventures of Magneto, who has dedicated his life to freeing humanity and mutants, but Apocalypse may require him to destroy reality in order to save it.
