"Stories so imaginative and playfully perverse as to shock even the most jaded, she shows her staggering ability to arouse, amaze, and astound." -M.Christian, author *Dirty Words*. *Wetting the Appetite* showcases the much-anthologized and celebrated erotic fiction of Blake C. Aarens. This is a book to read alone, or read out loud, a book to enrich your fantasy life and fuel your fingers beneath the sheets. "Blake Aarens is a masterful erotic fiction writer - but she's also a terrific fiction writer, period. She renders characters and voice in an utterly believable and gripping way. You really are there with her characters, experiencing their thrills, their lonely moments, their hot spots, their comedy, their joy. From the first line of every story, you're right there, ready to go along for the ride. I'm thrilled that Blake's collected work is finally all in one place. This book is long over-due." -Gina de Vries, co-editor *Becoming: Young Ideas On Gender, Identity, and Sexuality*. "Blake C. Aarens' erotic storytelling has more facets than a diamond. A crucial question throughout the Middle Ages, the relationship between body and spirit cannot be understood without an interdisciplinary approach - combining literature, philosophy and medicine. Gathering contributions by leading international scholars from these disciplines, the collected volume explores themes such as lovesickness, the five senses, the role of memory and passions, in order to shed new light on the complex nature of the medieval Self. Down There Press authors have been answering that question for twenty-five years! From Joani Blank's *Good Vibrations* "RM" bringing to light the sexual potential of "personal massagers", to Jack Morin's still the-only-one-of-its-kind *Anal Pleasure & Health*, to Susie Bright's genre-launching *Herotica* "RM", San Francisco's oldest publisher of award-winning sex-positive books has been breaking boundaries to delight and entertain its readers. Founded in 1975, Down There Press is the nation's first

The press currently has a list of eighteen sexual self-awareness titles, including innovative and practical non-fiction with non-judgmental techniques for strengthening sexual communication. Down There Press also publishes lively literary and photographic erotica. Sarah and Max have been in love with each other for years. These groundbreaking collections of women's erotic fiction venture into unexplored territory to expose the richness and complexity of female sexuality. Passionate, daring, and sometimes dangerous, each story takes you on a new journey from the darkest corners to the highest peaks of sexual pleasure. This book exposes how a coalition of political, religious, and civic leaders are using the issue of sex to frighten, misinform, and bully Americans—paving the way for dramatic new public policies that are already restricting everyone's rights. The "most successful series so far of erotica written for women" ("Kirkus Reviews"), "Herotica" includes 21 stories about straight, lesbian, and bisexual women, exploring a variety of sexual experiences. A collection of 32 full-colour photographs of women's genitalia, reflecting the fundamental diversity of the female body. Femalia boldly challenges the ideals portrayed in pornography and the increase in popularity of 'designer vaginas' by challenging taboos and celebrating natural difference. Features photography by Michael Rosen, Jill Posener, Tee Corinne, Michael Perry and Joani Blank. The new millennium offers perfect timing for the publication of a large volume on the history of eroticism. Today, we paradoxically face both new freedoms and increasingly stereotyped language. Political correctness is now the norm and images are raised to the status of icons, especially images of women. The images of goddesses and Holy Virgins have been replaced by images of fashion models whilst Apollo has been demoted to a male model or movie star. Whatever happened to the insolence of the 18th-century libertines or the carefree excesses of the Belle Epoque and legalised brothels? Except for a handful of dusty outdated images, that era is now long gone. This book disregards conventional thinking to present 400 reproductions that illustrate erotic art from Ancient Greece down to the present era in both Europe and Asia. With no inhibition or hesitation, erotic art asserts itself as a key factor of societal development where the quest for pleasure is the sinless attitude of men and women who have determined

that reproduction need not be an end in itself. "Versed in sexual politics and fluent in the language of alienation, these 25 short works chart new territories without the maps or compasses of social convention. This bravura collection showcases the fierce power and startling diversity of contemporary lesbian writing. Includes early work by acclaimed emerging talents such as Cheryl Strayed, Stephanie Grant, and Mei Ng, as well as stunning pieces by Carole Maso, Mary Gaitskill, Ana Castillo, Rebecca Brown, and others."--AMAZON.COM. "A manifesto for mothers who happen to be lovers, parents who take an interest in sexuality, and sons and daughters who wonder if their folks ever really 'did it.'"--Cover p. [4]. Kerry Greenwood's historical detail and sense of time and place sets the many scenes for a wonderful collection of happy-ever-after male-male love stories. Herotica will take you around the world in 30 stories of adventure, romance, lust, exploration, war and peace, and above all love. In this fifth collection of startlingly erotic tales, twenty-five new stories push the boundaries of the pleasure principle and create a vivid world of uninhibited sexuality. Hotter and bolder than ever, Herotica 5 covers everything from entanglements with strangers to office trysts, totemic animal powers to virtual sex. Representing the best of erotic writing today, new and favorite authors such as Susan St. Aubin, Cecilia Tan, Jolie Graham, and Aurora Light offer a kaleidoscope of sexual experience. Proving that nothing has more erotic power than words—whether whispered, read aloud, or written on the page—Herotica 5 explicitly evokes women's ultimate desires, making this new edition one of our most exciting collections to date.

Juffer demonstrates how women's consumption of erotica and porn for their own pleasure can be empowering while simultaneously reinforcing conservative ideals. She shows, for instance, how the Victoria's Secret catalog functions as a kind of pornography whose popularity is enhanced by both its reliance on Victorian themes of secrecy and privacy and by its appeals to the pleasures of modern career women. In her pursuit to understand what women like and how they get it, Juffer delves into adult cable channels, erotic literary anthologies, sex therapy guides, cyberporn, masturbation, and sex toys, showing the degrees to which these materials have been domesticated for home consumption. 26 tales of complex relationships draw a multi-hued picture of race, religion and the impact of cultural forces on passion and desire. Readers can dip into a melting pot of sexual pleasure as the exotic and erotic meet in journeys of desire collected from diverse a diverse array of writers. The authors explore their fantasies, prejudices and cultural influences whilst creating rousing prose. The multi-cultural tales include a Chinese dragon dances who entrances an African-American and a Native American who shares her passionate, spiritual world.

Howard Stern's Highest Rated and Favorite Adult Film Star Guest with a record 19 appearances on his Radio Show! "We're talking about creating a brand-name from nothing, and where it normally takes years and years and years, within a year and a half Jasmin was a known brand name in porn." - CHARLIE FRY, FORMER MANAGER "Love her or hate her, there is only one Jasmin." - TOP50PORNSTARS.COM "Within the porn community especially, Jasmin will always hold a certain distinct notoriety. Jasmin was very smart with the gang-bang, because she was the first one to make it a career move. She saw how it had put Annabelle Chong into the lime light, and Jasmin did her own gangbang in a much more calculating way to launch herself into stardom - from the advertising to all the press she got out of it, because of the crowd that was there to witness it, to everything else it led to for her professionally. So everyone that went after her more or less followed the Jasmin St. Claire guidelines and technique, and the model she had set. What made Jasmin

so special - and always will-is that when she did anything, whether it be porn, or wrestling, or whatever else, she stands out." - RON JEREMY "She's one of the most beautiful women I've ever seen. Obviously she's talented enough to succeed outside of porn, she had her wrestling career, and I think could have done anything she wanted." - MOTORHEAD FRONTMAN LEMMY KILMISTER Exhibitionism as a consensual erotic pleasure and a means to overcome shyness and body image issues.
