George Speare's Newbery Honor-winning survival story is filled with wonderful detail about living in the wilderness and the relationships that formed between settlers and natives in the 1700s. Clean, clean, clean, that's all he wants to do. But Mama and Papa won't have it! They say in order to be a proper pig, he has to learn to make a proper

mess. "Don't come out until your room is a pigsty," says Papa Pig. "I won't have any child of mine going out looking so neat and clean. It's just not acceptable," says Mama Pig. When Brian is finally rescued after fifty-four days in the wild, he emerges from his ordeal with new patience and maturity, and a greater understanding of himself and his parents. The debut book of Jeremy

Tankard's high-flying Bird series! Bird wakes up feeling grumpy. Too grumpy to eat or play -- too grumpy even to fly. "Looks like I'm walking today," says Bird. He walks past Sheep, who offers to keep him company. He walks past Rabbit, who also could use a walk. Raccoon, Beaver, and Fox join in, too. Before he knows it, a little exercise and companionship help Bird shake his bad mood. Praised by the Wall Street Journal as "comic perfection," this winsome, refreshingly original picture book is sure to help kids (and grown-ups) giggle away their grumpies, too! Bird's impeccably crafted, hilarious melodramas continue in the Grumpy Bird board book, Boo Hoo Bird, Hungry Bird, and coming in 2018, Sleepy Bird. This fast-paced action novel is set in a future where the world has been almost destroyed. Like the award-winning novel *Freak the Mighty*, this is Philbrick at his very best. In a world where most people are plugged into brain-drain entertainment systems, Spaz is the rare human being who can see life as it really is. When he meets an old man called Ryter, he begins to learn about Earth and its past. With Ryter as his companion, Spaz sets off an unlikely quest to save his dying sister -- and in the process, perhaps the world. Text and illustrations look at different animal rescues, including a pair of owls. *Squirm* is a funny, wildly entertaining adventure about the great outdoors and protecting the environment,

Sensing a mystery, Roy starts to trail the mystery runner - a chase that will introduce him to many weird Floridian creatures: potty-trained alligators, cute burrowing owls, a fake-fart champion, a shoeless eco-warrior, a sinister pancake PR man, new friends and some snakes with sparkly tails. As the plot thickens, Roy and his friends realise it's up to them to save the endangered owls from the evil Mother Paula's pancake company who are planning to build a new restaurant on their home . . .
