Every Occasion is Better with Cake Rebecca Firth, best-selling author of The Cookie Book, is back with the cake party you've been looking for! Fulfill all of your cake needs for any occasion with breakfast cakes, petite cakes, Bundt cakes, snacking cakes and stunning layered cakes. There's something for everyone, including: **Chocolate-Coconut Candy Bar Cake**

Stella's Strawberry Lemonade Cake with Strawberry Marshmallow Frosting  
▫ Raspberry Jam Coffee Cake ▫ Brown Butter Snickerdoodle Cake with  
Cinnamon Spice Frosting ▫ Chocolate Horchata Meringue Cake ▫ Glazed  
Tangerine Donut Cake ▫ Chocolate Stout Cake with Champagne  
Buttercream ▫ Petite Caramelized Banana Split Pavlovas ▫ Dulce de Leche  
Pumpkin Cheesecake Whether you want a delicious midweek treat or  
something dazzling to end a meal, this collection has you covered with  
make-ahead tips, substitutions and cake-making magic. Amirah Kassem  
preaches the power of sprinkles in her wildly creative first book. A modern-  
day Willy Wonka, Kassem reminds readers that joy can be found in creating  
something delightful and delicious, that baking a cake for someone is the  
best thing in the world, and that, when it comes to cake decorating, any  
mistake can be covered in sprinkles (and everyone will love it anyway!).  
With twenty-nine different cakes—from unicorn cakes and donut cakes to  
cakes that look like reindeer, popcorn, spaghetti, and avocado toast—and  
packed with photographs, illustrations, and infinite ideas, *The Power of  
Sprinkles* is a book for bakers and cake decorators at every age and level.  
"This is an absolute pearl of a book if you want something delicious and  
different. Not your typical cake book. Recipes grouped according to regions  
of the world they're inspired by - lovely syrupy ones from the Middle East,  
more tropical ones from Asia etc. These are ones you bake for a special  
event, as a present or if you want to impress someone or treat yourself to  
something delectable. Even though these recipes are lipsmackingly  
different they're not difficult to make."--Publisher's description. Mining the  
gold from Dr. Duberstein's 40 years as a therapist, the authors show how to  
honor one's separate self while building joyful lifelong relationships with  
clear instruction, case studies, and guided reflections. BU KİTAP NE  
KADAR DAHA CO UNUN S Z N C N GERCEKTEN MEVCUT OLDU UNU  
KE FETMEYE DAVET YEN ZD R! Bu kitap size, sizin i inize yarayan bir  
dunyay nas l yaratabilece inizi gosterecek." When the tycoon owner of a  
spectacularly tacky sports bar is killed, Nora Blackbird suspects a secretive  
politician, a shady former rock star doubling as a pastry chef, and a  
dangerous aristo-brat on the verge of stardom. Ruth loves to bake cakes.  
When she is alone, she dreams up variations on recipes. When she  
meditates, she imagines herself in the warm, comforting center of a gigantic  
bundt cake. If there is a crisis, she bakes a cake; if there is a reason to  
celebrate, she bakes a cake. Ruth sees it as an outward manifestation of an

inner need to nurture her family—which is a good thing, because all of a sudden that family is rapidly expanding. First, her mother moves in after robbers kick in her front door in broad daylight. Then Ruth’s father, a lounge singer, who she’s seen only occasionally throughout her life, shatters both wrists and, having nowhere else to go, moves in, too. Her mother and father just happen to hate each other with a deep and poisonous emotion reserved only for life-long enemies. Oh, yes indeed! Add to this mix two teenagers, a gainfully employed husband who is suddenly without a job, and a physical therapist with the instincts of a Cheryl Richardson and you’ve got a delightful and amusing concoction that comes with its own delicious icing. One of Jeanne Ray’s specialties is giving us believable, totally likable characters, engaged in the large and small dramas and amusements of life. Eat Cake is whimsical, warm, and satisfying. Eat Cake is Jeanne Ray at her best. Pull up a chair and eat cake! Presents recipes for cakes that do not include any animal products, along with tips about which ingredients to use and recipes for toppings and fillings. The Routledge Handbook of Gastronomic Tourism explores the rapid transformations that have affected the interrelated areas of gastronomy, tourism and society, shaping new forms of destination branding, visitor satisfaction, and induced purchase decisions. This edited text critically examines current debates, critical reflections of contemporary ideas, controversies and queries relating to the fast-growing niche market of gastronomic tourism. This comprehensive book is structured into six parts. Part I offers an introductory understanding of gastronomic tourism; Part II deals with the issues relating to gastronomic tourist behavior; Part III raises important issues of sustainability in gastronomic tourism; Part IV reveals how digital developments have influenced the changing expressions of gastronomic tourism; Part V highlights the contemporary forms of gastronomic tourism; and Part VI elaborates other emerging paradigms of gastronomic tourism. Combining the knowledge and expertise of over a hundred scholars from thirty-one countries around the world, the book aims to foster synergetic interaction between academia and industry. Its wealth of case studies and examples make it an essential resource for students, researchers and industry practitioners of hospitality, tourism, gastronomy, management, marketing, consumer behavior, business and cultural studies. From four-time New York Times bestselling author Bethenny Frankel, the book that started it all: Naturally Thin. Bethenny Frankel, talk show host,

“Queen of Cocktails,” and “Mommy Mogul” has always had a passion for preparing and enjoying healthful, natural foods and sharing that love. The New York Times bestseller *Naturally Thin* shows how anyone can banish their Heavy Habits, embrace Thin Thoughts, and enjoy satisfying meals, snacks, and drinks without the guilt. Armed with Bethenny’s rules, you will say: -I know when I am really hungry -When I’m really hungry, I look for high-volume, fiber-rich foods -I can have any food I want -I love the taste of real food With more than thirty simple, delicious recipes (including her famous SkinnyGirl Margarita), a one-week program to jump-start readers on the *Naturally Thin* lifestyle, and warm, witty encouragement on every page, Frankel serves up a book for a healthier and thinner life.

According to the moral error theorist, all moral judgments are mistaken. The world just doesn’t contain the properties and relations necessary for these judgments to be true. But what should we actually do if we decided that we are in this radical and unsettling predicament—that morality is just a widespread and heartfelt illusion? One suggestion is to eliminate all talk and thought of morality (abolitionism). Another is to carry on believing it anyway (conservationism). And yet another is to treat morality as a kind of convenient fiction (fictionalism). We tend to think of moral thinking as valuable and useful (e.g., for motivating cooperative behavior), but we can also recognize that it can be harmful (e.g., hindering compromise) and even disastrous (e.g., inspiring support for militaristic propaganda). Would we be better off or worse off if we stopped basing decisions on moral considerations? This is a collection of twelve brand new chapters focused on a critical examination of the options available to the moral error theorist. After a general introduction outlining the topic, explaining key terminology, and offering suggestions for further reading, the chapters address questions like: “Is it true that the more that people are motivated by moral concerns, the more likely it is that society will be elitist, authoritarian, and dishonest?” “Is an appeal to moral values a useful tool for helping resolve conflicts, or does it actually exacerbate conflicts?” “Would it even be possible to abolish morality from our thinking?” “If we were to accept a moral error theory, would it be feasible to carry on believing in morality in everyday contexts?” “Might moral discourse be usefully modeled on familiar metaphorical language, where we can convey useful and important truths by uttering falsehoods?” “Does moral thinking support or undermine a commitment to feminist goals?” “What role do moral judgments play in addressing

important decisions affecting climate change? *The End of Morality: Taking Moral Abolitionism Seriously* is the first book to thoroughly address these and other questions, systematically investigating the harms and benefits of moral thought, and considering what the world might be like without morality. This book is dedicated to all the grassroot entrepreneurs who continue to grind and make the community a better place. The objective of this book is to hone your skills and teach you how to have your cake and eat it too, to function as a single unit with your significant other in the world of business partners. This book is not for the faint of heart or the weak. It is dedicated to the strong community of the few, the brave souls who endure this world of entrepreneurship.

*Lets go King and Queens Celebrity Baker Mich Turner* rises to the challenge with a smarter take on sweet bakes – so you can have your cake and eat it! Her yummy recipes, which include cakes, cookies, meringues, bars, muffins and cupcakes, are made healthier and more nutritious by including fresh and dried fruits, nuts and seeds, and also alternatives for gluten, fats, sugars and dairy to accommodate your personal diet and lifestyle. The secret to Mich's recipes is a fine balance between delicious and nutritious. Baking and eating healthier cakes doesn't have to mean bland and boring, and Mich shows you how in this wonderful book of sweet treats. Mich offers suggestions for substituting fats, flours and sugars so you can choose what to bake. In addition, there are smaller bakes so you can portion-control your servings, which helps steer you through the jungle of information. Each recipe is filled with tips and know-how from Mich's incredible baking expertise. Whether you are new to baking or a cake expert, Mich's inspirational recipes will give you a reason to bake for family, bake for friends, to celebrate or make amends! Indulge in Peach Melba Muffins, Pumpkin and Poppy Seed Loaf, Pierce Brosnan's Carrot Cake, All-natural Red Velvet Cake, Hazelnut Meringue with Mango and Passion Fruit among many other delicious bakes.

*Discourses of Brexit* provides a kaleidoscope of insights into how discourse influenced the outcome of the EU referendum and what discourses have sprung up as a result of it. Working with a wide variety of data, from political speeches to Twitter, and a wide range of methods, *Discourses of Brexit* presents the most thorough examination of the discourses around the British EU referendum and related events. It provides a comprehensive understanding of the discursive treatment of Brexit, while also providing detailed investigations of how Brexit has been negotiated in different contexts.

Discourses of Brexit is key reading for all students and researchers in language and politics, discourse analysis and related areas, as well as anyone interested in developing their understanding of the referendum. Presents low-fat, low-cholesterol dessert recipes with nutritional analyses and substitutions Can you have it all: a profitable business that's a dream to run (and that doesn't rely on you)... a valuable asset you can one day sell for top dollar... and a life? ABSOLUTELY. Some owners get a great financial return from their business, but are slaves to it. Others have enviable lifestyles, but no money to enjoy their freedom. Very few plan ahead to grow their business asset. Business growth expert Jason Cunningham believes you can have it all: enjoy the profit and lifestyle rewards you deserve now, and build an asset that will secure your family's future (even if you don't plan to sell it yet). By implementing key actions to build a valuable business asset for tomorrow, you'll by default build an awesome business today (that you'll probably want to hang on to). Have your cake and sell it too combines Jason's 20-year career as a successful business owner and consultant with insights from world-class experts. Jason reveals the 7 key ingredients you need to succeed, and gives you a proven, step-by-step success-ipe to get there. Armed with his insights and experience, you'll finally get to have your cake and sell it too. Jason's engaging style and world-class content set him apart in the SME space. Whenever I talk about business owners who are true Thought Leaders - speaker, media authority, author, and also mentoring clients - I give two examples: Richard Branson and Jason Cunningham. - Peter Cook - CEO, Thought Leaders Global Jemma Wilson from Crumbs & Doilies is the cupcake queen of Food Tube. Featuring four chapters of beautiful seasonal recipes, plus the need-to-know basics, this book has all the essentials for amazing baking all year round. To watch Cupcake Jemma in action, check out her videos as well as loads more recipes, tips and techniques from the Food Tube family at: [youtube.com/jamieoliver](https://www.youtube.com/jamieoliver). YOU ABSOLUTELY CAN STOP BINGE EATING (OR FEELING OUT OF CONTROL WITH FOOD) AND BE THIN! You are about to finally uncover the single reason why you've been experiencing such an uphill battle with food and your weight. And far more importantly... I am going to teach you the skills you need to win the food fight once and for all--without dieting. If you're looking for a real, proven, step-by-step solution to stop overeating and binge eating for good--so you can finally get thin and get on with your amazing life--then this

book is for you. Is food your best friend--and your worst enemy? Are you stuck in a relentless tug-of-war between wanting (desperately) to lose weight, and the out-of-control urge to eat? Does your firm morning resolve to "be good" with food consistently crumble into a night of takeout on the couch, watching TV with Ben & Jerry? Do you love food, but at the same time, part of you hates it with a passion, and would be perfectly happy if you never ate again--if it just meant you could finally be thin? Let me come right out and say it. It's not you! There are clear-cut, solvable reasons why your eating currently feels frustrating and at times painfully out of control. You've simply been trying to solve the problem (excess weight and overeating) with a solution (dieting and exercise) that does nothing to resolve the real reasons you feel so out of control with food. The problem is not your lack of nutritional knowledge. Knowing how many calories (or carbs!) are in a thick, fudgy brownie does absolutely nothing to equip you with the skills to stop binge eating it after a long, hard day at work. Are you going to scream if another weight loss book tells you to "take a bath" instead of binge eating? Overeating and binge eating are learned behavioral patterns that can be eradicated once you learn a few simple--actionable--psychological skills. And NOT the type of "fluff psychology" you find in most emotional eating books that advise you to "take a walk," "read a book," or "take a warm bath" when you feel the urge to overeat. Really? That advice is absolutely useless. (And maddening!) As if when you're in that pre-binge frenzy, parked outside the mini-mart tearing into a bag of chips and a box of donuts, you're going to hear that advice and say, "Wow, why didn't I think of that? I'll put down these salty, grease glistening chips and thick, chocolate frosted donuts and head home to read Pride and Prejudice." Not so much. The solution to binge eating and overeating is found in step-by-step, research based, learn-able skills that prevent and eliminate overeating on the spot. The skills (you'll be happy to know) do not include deprivation or willpower. Since willpower and deprivation don't actually work. I mean, if they did work to yield lasting weight loss we wouldn't be having this conversation right now. Right? Find out exactly why your best weight loss efforts have failed in the past--and more importantly, exactly what you can do to change it. Today. Learn how to eliminate the single behavior that 70 years of scientific research proves causes overeating, binge eating, and feeling out of control with food. Uncover the secret to being able to keep any food in your house--without it calling your name. Discover the two keys

that make it a cinch to stop eating any food when you've had enough (even chocolate cake or a cheeseburger!). How to Have Your Cake and Your Skinny Jeans Too is Josie at her best--sharing her remarkable insights, her warm, disarming signature wit, and her research-based Hunger Directed Eating techniques that result in quick and lasting change. This is the first book in a groundbreaking series. Join the women and men around the world who are finally enjoying peace and ease with food. Learn to bake irresistible vegan cakes of all kinds with this cookbook featuring fifty traditional favorites and new creations. Going vegan doesn't have to mean giving up the guilty pleasure of delectable, decadent cakes. As vegan baker Kris Holechek Peters proves, you can Have Your Cake and Vegan Too. This book is packed with vegan cakes of all kinds, from sweet berry shortcakes and decadent chocolate treats to quick-and-easy coffee cakes and multilayered birthday extravaganzas. Plus, it offers tips on everything from getting the perfect moisture and texture to dairy-free frostings, creative decorations, and much more. Mouthwatering recipes include: Black Forest Chocolate Crumb Snickerdoodle Pumpkin Bundt Torta Limone Pineapple Upside-Down Cardamom Cashew Spumoni Almond Mocha Tuxedo Mich Turner, cake decorator to the queen, shows us the nutritious (yet always delicious) side of sweets. Celebrity baker Mich Turner cooks up a smarter take on sweet treats so you can eat your cake and enjoy it, too! Her yummy recipes, which include cakes, cookies, and cupcakes, offer healthier choices with substitutions for refined sugar and the addition of superfoods. Savor (guilt-free!) Date, Banana & Peanut Butter Muffins, Lemon Polenta Cake with Strawberry Compote, Carrot Cake with Orange Cream Cheese Frosting & Walnut Praline, and other delicious desserts." Have your cake and eat it too with these delectable recipes:

Mini Blueberry Muffins Seven-Layer Dip Pineapple Mojitos Asian Chicken Salad Shrimp and Grits Cheese "Fries" Carrot Soup with a Kick Flank Steak with Indian Salsa White Pizza with Roasted Mushrooms What are you waiting for? Cook Yourself Thin FASTER! A nostalgic ode to the joy of homemade cake, beautifully photographed and with easy mix-and-match recipes for a sweet lift any day of the week. "A sweet book full of incredible photography, delightfully simple recipes, and so, so much love." Alison Roman, author of Dining In NAMED ONE OF THE BEST COOKBOOKS OF THE YEAR BY THE NEW YORK TIMES AND FOOD52 Everyone has a favorite style of cake, whether it's citrusy and fresh or chocolatey and indulgent. All of these recipes and more are within your reach in Simple Cake, a love letter from Brooklyn apron and bakeware designer Odette Williams to her favorite treat. With easy recipes and inventive decorating ideas, Williams gives you recipes for 10 base cakes, 15 toppings, and endless decorating ideas to yield a treat—such as Milk & Honey Cake, Coconut Cake, Summer Berry Pavlova, and Chocolatey Chocolate Cake—for any occasion. Williams also addresses the fundamentals for getting cakes just right, with foolproof recipes that can be cranked out whenever the urge strikes. Gorgeous photography, along with Williams's warm and heartfelt writing, elevate this book into something truly special. When you hear others preach, "Everything in moderation," do you want to smack them in the face? If so, then this book is definitely for you. Author Shelley Charlton is the kind of person who either wants all of the cake or none of the cake. She has accepted this fact about herself and has found a way to work around it without piling on the pounds. This brief guide does not ask you to change what you're eating and drinking but instead invites you to take a closer look at how and why you're eating and drinking. Here Charlton offers her thoughts, observations, and results from experimenting in the hope that you can learn to eat mindfully too. Obviously, Mindful Eating does not promise you the ultimate beach body in six weeks! However, it presents techniques to help you work with your body and mind so that you gradually feel better about yourself, lighter on your feet, and happier in your own skin. Also by Shelley Charlton, YogaBounce(R) The Best of Both Worlds available at Amazon.com. For more information about Shelley please visit [www.freeyogaonthebeach.com](http://www.freeyogaonthebeach.com). A delightful collection of gluten-free takes on your favorite cake recipes, from everyday coffee cakes, layered cakes, and cupcakes to show-stopping special occasion masterpieces. Celebrate

your favorite holidays and special occasions from birthdays to bake sales, Halloween to Christmas—and even the everyday—with delectable gluten-free cakes. In this delightful collection, Catherine Ruehle, a pastry chef and cake artist turned wellness foods chef, shares sixty classic cake recipes that are every bit as indulgent as the gluten-heavy ones we adore, but gluten-free, all-natural, and with alternatives given for vegan, dairy-free, and nut-free renditions. A few of the luscious cakes that await: Pink Velvet Strawberry Cake made electrifyingly pink with strawberries instead of food dye, Peanut Butter and Jelly Cupcakes that children of all ages will be thrilled to find in their lunchboxes, and a dramatic White and Dark Chocolate Checkerboard Cake that's a cinch to prepare in advance. With positivity and careful guidance, Ruehle provides basic and advanced decorating, piping, and plating techniques to take your cakes from pretty to breathtaking. So go ahead: lick the frosting off the beaters, cut yourself a nice big slice, and let us all eat cake! Superb photographs will have you dreaming of cakes with the flavour of the world. Imagine serving a Sicilian Apple Cake or a Turkish Honey Cake for afternoon tea. How about ending your Indian meal with a slice of Indian Yoghurt Cake or stunning Orange Cardamom Cakes. The Chinese Ginger Syrup Cake will become a star at any Asian meal. Thumb through the superb recipes within and treat the children, treat your friends, treat yourself - Bake your cake and eat it too!

The New X Diet 2: Have Your Cake and Eat it. A short introduction to service design in the spirit of the eighty minute MBA. Have My Cake and Eat It Too takes you into the heart of love, drama, and friendship... Desmond, a twenty-six year old architect, finds himself in a world of confusion when his feelings for his first love resurfaces while in a relationship with his moody girlfriend, Ebony. Sidney thinks she's found true love again-until she walks in on him and her cousin having a late night freakfest with another man. Neyomi is caught between the man she loves and the man who loves her to death- literally. Tracie loves her best friends, but she's been keeping a secret so terrible that the friendship may not survive. Cylus is a player- he has never been faithful, not even to the only woman who has his kids-all seven of them. Can a battered woman help this player leave his doggish ways?

STRATEGIES FOR A SUCCESSFUL LIFE Yes You Can Have Your Cake and Eat It Too dispels the popular notion that you cannot have your cake and eat it. The book challenges you to climb until your dream comes true. It gives you a road map for expecting great things in your life, to plan for success by dreaming

bigger, and to work smarter. In this compelling book Dr. Viv Ewing shares a series of strategies for achieving more success and fulfillment. You will be inspired to seek and understand your purpose in life and to live with passion. "This is an inspiring book that will challenge everyone to reach their dreams" Kathleen Moore, CRC CEO Rainbow of Hope "Motivating, practical, and relevant for today's achievers" Bruce Norris Author, Speaker, Preacher "A must read for anyone who wants to get more satisfaction out of life" Jennifer Wilkins Speaker, Community Leader and Civic Leader Viv Ewing, Ph.D., is a native of Omaha, Nebraska, and is a successful business executive, community leader, motivational speaker, life coach, and consultant. She is dedicated to helping organizations and individuals make positive changes that will enhance their success, reach the bottom line, and impact the community. Dr. Ewing is the founder and president of Life Development International, which is a company based in Nebraska that provides consulting for corporations, universities, faith-based groups, and community organizations. Viv is sought after motivational presenter speaking on human resources, goal setting, managing change, effective communications, career planning, and leadership development. She hosts a radio program called The Best is Yet to Come and writes for Revive Magazine. Dr. Ewing serves in leadership roles on several community boards and organizations. Having Your Cake And Eating It Too is an invitation to discover just how much more is available to you! It will show you how to create a world that works for you. How many people live their life from "Ground Hog Day" - doing the same thing day after day - and wonder why they are depressed, unhappy and bored? This book shows you that there is a totally different way to function in this world that is about empowering you to be aware of everything and to get you out of the conflicts that are limiting you and your creations. Is what you have created so far in your world enough for you? Or would you like access to the tools and techniques that will facilitate you to know that there is so much more available? Are you looking to create a much larger life than what you currently have and know that there is so much more possible in the world? Are you ready for the "What else is possible?"® Are you willing to be the generative energy that creates the magic and miracles to change everything in this world that isn't working? Are you ready to have the adventure called living? Grandparents! Grandparents! Read all about them! When we are together we have a blast, but I may have to choose just one. Will you help

me? *You Can Have Your Cake And Grandparents Too*, is an endearing story about a grandson who absolutely adores all 6 of his grandparents. As his birthday party approaches, all he can think about is cakes, cookies, and candy. Of course, to prevent the dreaded tummy ache, Mom and Dad won't let him have all of those sweet desserts at once. He can only choose one for his special day. Just as they are about to promise him a big delicious cake for his birthday, he remembers overhearing his Mom say to his Dad that his grandparents were too sweet. And suddenly it hit him, will he have to choose just one grandparent? How will he choose? He loves them all very much. Follow this grandson as he recalls countless, exciting memories with each of his grandparents just days before his birthday. When you have 6 grandparents, there is never a dull moment, and you can bet on having more fun than you can handle. Tips on how to celebrate a birthday like a kid -- and get away with it! You can indulge without guilt! Enjoy delicious desserts, perfect pastries, cookies and cakes, breads and bakes as part of a healthy lifestyle. Who says you can't have it all? The third title from Sally Bee. Few creations are more associated with joy or more symbolic of the sweet life than cake. After all, it is so much more than dessert. As a book about cake would demand, this one is a multilayered, amply frosted, delicious concoction with a slice (or more) for everyone. *Let Me Eat Cake* is not a book about baking cake, but about eating it. Author Leslie F. Miller embarks on a journey (not a journey cake, although it's in there) into the moist white underbelly of the cake world. She visits factories and local bakeries and wedding cake boutiques. She interviews famous chefs like Duff Goldman of Food Network's *Ace of Cakes* and less famous ones like Roland Winbeckler, who sculpts life-size human figures out of hundreds of pounds of pound cake and buttercream frosting. She takes decorating classes, shares recipes, and samples the best cakes and the worst. The book is held together by the hero on a quest, one that traces cake history and tradition. If we were to bake a cake to celebrate the birth of cake (cake is an Old Norse word, first used around 1230), it is hard to say how many candles would go on top. Though the meaning of the word (originally "lump of something"), not to mention our expectations of its ingredients, has changed over time, we now celebrate cake as the coming together of flour, sugar, butter, eggs, vanilla, baking powder, and a pinch of salt. And what a celebration. Baking a cake is hard work, but tasting it is pure pleasure. So put on some elastic-waist pants and grab a fork. Do you miss your favorite

cakes and cupcakes because you are off gluten and dairy? Are you vegan and want eggless cakes? Let your home smell of sweet baked goods straight from your own oven. Simple recipes, endless possibilities. Welcome to "Reality Coverbooks", where we've taken the most relevant subject matters and decided to leave the content to your imagination....so we left the inside blank. That's right! Just a title page, a perfect quote to match the subject title, and many blank pages with lines, for you to write your own lines. It's a perfect gift, greeting card, notebook, personal journal, a game, conversational piece, or the makings of your own bestseller! It's better than a book, and with almost 100 titles, it'll be difficult for you to pick just one! Join our Cover Club and Collect Them All!
