The Pit Bull Life: A Dog Lover's
Companion Jul 30 2020 Everything you need
to know about adopting, owning, and
loving a pit bull All dogs are special,
but living with a pit bull really is
different. You know how loyal and lovable
your dog is, but your life can be
affected by the breed's undeserved
reputation. The Pit Bull Life celebrates
the everyday joys of owning a pit
bull—from their boundless energy to their
love of life—while providing helpful
facts and strategies you need to counter
unfair laws and policies you may face.

You'll learn the history of how the pit bull got to where it is today and what you can do to help secure its future. You'll also find practical advice about breed characteristics, how to find a good match, and how to communicate with your dog, along with inspiring stories of people who've devoted their lives to this very special dog.

Crested Geckos Mar 06 2021 Illustrated with over 150 color photographs, Crested Geckos is an authoritative, visual guide to this very popular lizard species. For their amazing colors and patterns, low maintenance requirements, longevity, and attractive appearance, crested geckos have captured the fancy of hobbyists. Crested Geckos provides guidelines for keepers who wish to select a crested gecko to add to their vivarium and to maintain their pet in excellent health

and condition. Author Philippe de Vosjoli provides an introduction to crested gecko, including information about purchasing a healthy pet, handling, heating and housing, water and feeding, life cycle and sexing, and breeding. A separate chapter on diseases and disorders provides solid info on the health needs of these rewarding reptiles, including recognizing signs of disease, tail loss and pelvic deformities. The author has also written two chapters devoted to the color of crested geckos, their most alluring feature for many herpetoculturists. The chapters include discussions of color changes (as the gecko matures) and morphs, heavily illustrated with photographs of unusually colored crested geckos. For crested gecko keepers looking to expand their home populations, a chapter on the *Rhacodactylus* species describes five species with similar requirements despite their significantly different appearances, from the medium-sized knobby-headed gargoyle gecko to the giant *Rhacodactylus leachianus*.

Gecko Nov 21 2019 The creators of the award-winning Flight of the Honey Bee team up again for a look at a remarkable lizard: the gecko. Meet the gecko, the escape artist of the lizard world. Hawks, rats, and snakes would love to catch one for their dinner, but the gecko's amazing ability to protect itself and outsmart predators keeps it safe from day to day. The gecko is more than a match for its pursuers, using clever camouflage and dropping its tail as a decoy to evade them. And even beyond its escape abilities, the gecko is fascinating, with feet covered in tiny hairs for gripping (even upside down!) and eyes that it cleans with its tongue. This wonderful introduction to one of the coolest lizards on the planet will captivate amateur scientists.

The Rizzlerunk Club: Best Buds Under Frogs Jun 28 2020 Ten years after Leslie Patricelli's first board book took the toddler world by storm, she ventures into a new genre with an offbeat and funny illustrated middle-grade novel. Lily is pretty lucky. She made a friend on the first day at her new school—even after she barfed on the playground—and now she and Darby are the only two members of the RizzleRunk Club. Darby is fun. She tells funny stories, she likes to catch frogs,

and there's lots of junk food at her house. Darby is good at lots of things, too. Especially lying. Which Lily isn't. She gets that ants-under-her-skin feeling when she even thinks about doing it. But sometimes telling the truth is just too hard, so when Lily accidentally does something to the class rat that she's afraid to admit, she denies it. Soon the lie feels like something awful sitting in the bottom of her stomach. Will Lily find a way to let it out?

The Desert Sage Inn Series Jan 24 2020

The power of love and the strength of women working together are proved once again. Three women: Rose Macklin; Lily Weaver; and Willow Sanchez, are asked to help Alec Thurston, owner of the Desert Sage Inn, with the sale of his resort as he's dying. He's beloved by all three women of different ages and backgrounds for different reasons. Each comes to Palm Desert, California, unaware the other two women will be there. They gamely join forces to help him, lovingly accepting his nickname for them—The Desert Flowers.

Each woman has different challenges she must face in order to move forward, and as she struggles, she's left to wonder if finding love for each of them is part of Alec's secret plan. And when they and Juanita Sanchez, Alec's long-time housekeeper, share a special Christmas with Ivy Barrett and her son, Benjy, they all believe this is something that Alec might have wanted all along. This is a series for those who love reading about strong women coming together to help each other and someone they love. Be sure to read all the books in the series—The Desert Flowers-Rose, The Desert Flowers-Lily, The Desert Flowers-Willow, and Mistletoe and Holly. Another of Judith Keim's series celebrating love and families, strong women meeting challenges, and clean women's fiction with a touch of romance—beach reads for all ages with a touch of humor, satisfying twists, and happy endings. Be sure to check out her other delightful books and series that readers adore.
