Learning French from Spanish and Spanish from French Aug 31 2020 Learning French from Spanish and Spanish from French provides adult English speakers who have learned either Spanish or French as a second language with the tools to learn the other as a third language. Research in the growing fields of third-language acquisition and multilingualism documents how successful language learners intuitively build on their existing knowledge as they learn a new language. In this vein, Learning French from Spanish and Spanish from French takes advantage of the fact that learners with intermediate proficiency in a second language are used to thinking consciously about language, know themselves as language learners, and can capitalize on what they know about one language to understand the other. With chapters conveniently organized by grammatical concept and including supplementary resources such as exercises, parallel reading texts, and audio files, this book will benefit students, travelers, and budding multilinguals alike.

La Palabra Justa Jul 30 2020 Language proficiency is multidimensional. While conversational skills are essential for social interaction, they are insufficient for most academic purposes. To be successful, teachers and students must acquire a firm and accurate command of subject-area vocabulary. Even though a growing number of Americans speak Spanish at home, the United States has a severe shortage of professionals with fully developed academic skills in Spanish. This poses a special challenge for bilingual classrooms. Educators must be able to identify "la palabra justa" - the right word - in preparing or presenting a lesson, especially when providing content instruction and second-language input at the same time. Recognizing an acute need, the editors of this volume brought together an international team of language teachers, teacher educators, and other bilingual professionals to create an English-Spanish / Espanol-Ingles glossary. "La Palabra Justa" features more than 24,000 entries covering the academic vocabulary needed in K-12 education. Unlike a dictionary, the glossary offers a quick, user-friendly way to find translations of key terms in context. Sections include: Language Arts (Grammar & Composition, Literature, and Languages); Mathematics (Arithmetic & Algebra, Geometry, Probability & Data Analysis, Numbers & Measures); Science (Earth Sciences, Life Sciences, Physical Sciences, and Inquiry & Process); Social Studies (Civics & Government, Economics & Finance, Geography, and History); Fine Arts (Performing Arts and Visual Arts); Technology; and School Life (Holidays & Celebrations, School Routines & Activities, Field Trips & Transportation, School Library, Playground & Sports, Student Health, Special Needs, Conduct & Discipline).

English-Spanish Word Scrambles (Level 1 Basic) Mar 18 2022 DESCRIPTION: These word scramble puzzles consist of pairs of

English and Spanish words where the letters have been scrambled. In each pair, the first word is a common English word and the second word is its Spanish equivalent. Solve each puzzle by rearranging the letters to form the matching English and Spanish words. For example, consider the following pair of English-Spanish word scrambles: LOHEL/OHAL. Rearranging the letters LOHEL, we can form the English word HELLO; and unscrambling the letters OHAL, we can form the corresponding Spanish word HOLA. LEVEL OF DIFFICULTY: You need to have familiarity with vocabulary words from Spanish 1 in order to be able to unscramble the Spanish words. Once you have unscrambled both words in a puzzle, seeing the words that go together – one English, one Spanish – will help to reinforce your Spanish-English vocabulary. ORGANIZATION: All of the answers in each puzzle are related in some way. For example, they might all be days of the week, or they might be feelings. Knowing that the words are related may help you unscramble any words that you don't see right away. HINTS/ANSWERS: There are separate sections of hints and answers at the back of the book. The hints section provides just the first letter of each word. This can be useful if you just need a little help. Complete answers are provided in the answers section. You might want to place a folded sheet of paper here so that you can check the current puzzle's answers without spoiling other puzzles.
