The **NCLEX-PN Practice Questions Exam Cram, Fifth Edition**, provides 1,000 questions for the nursing student who wants to be better prepared for the exam. Revised and completely updated for the 2017 changes to the exam, this new edition replaces the successful previous editions that proved so popular with nursing students. Anxiety about the exam is high among nursing students and results from the focus group say 'the more practice questions to study, the better'! The Exam Cram questions cover topics the student will likely encounter on the real exam including alternative items. Like all of the Exam Cram books the **NCLEX-PN Practice Questions Exam Cram** contains a cram sheet for last minute review of important information in a concise, easy to remember format. Providing precise coverage of all the topics a candidate needs to study for the registered nurse licensing exam, this updated edition blends the ideal level of discussion, drawings, tables, and case studies into an easily digestible format for

study. Includes five practice exams and two complete mock NCLEX exams, along with hundreds of additional questions on the accompanying CD. This unique review book organizes questions according to Client Needs, the areas covered in the latest NCLEX examination test plan. Rationales are provided for all answer choices, plus test-taking strategies, and references to Elsevier nursing textbooks. This review includes many critical thinking and alternate item formats, plus a comprehensive exam consisting of 300 questions. Prepare for success on the NCLEX-RN® exam with the review book written for Canadian nursing students! Elsevier's Canadian Comprehensive Review for the NCLEX-RN® Examination, 2nd Edition provides everything you need to prepare for the NCLEX® exam — complete content review and more than 5,000 NCLEX examination-style questions in the book and online. Proving that not all NCLEX exam review books are the same, only this book includes the kinds of questions that consistently test the critical thinking skills needed to pass today's NCLEX exam. In addition, all answers include detailed rationales and test-taking strategies with tips on how to best approach each question. From Canadian editors Patricia Bradley and Karin Page-Cuttrara, and NCLEX review experts Linda Anne Silvestri and Angela Silvestri, this edition integrates Canadian approaches to nursing, making this the only comprehensive review text written from a fully Canadian perspective. It's THE book of choice for NCLEX preparation! More than 5,000 practice questions in the text and online offer ample testing practice. UNIQUE! Detailed test-taking strategy and rationale is included for each question, offering clues for analyzing and uncovering the correct answer option. UNIQUE! Priority Nursing Action boxes provide information about the steps you will take in clinical situations requiring clinical judgement and prioritization. UNIQUE! Pyramid Points icons indicate important information, identifying content that typically appears on the NCLEX-RN® examination. UNIQUE! Pyramid Alerts appear in red text and highlight important nursing concepts. UNIQUE! Priority Concepts — two in each chapter — discuss important content and nursing interventions. New graduate's perspective is offered on how to prepare for the NCLEX-RN, in addition to nonacademic preparation, the CAT format, and test-taking strategies. Mnemonics are included to help you remember important information. 75-question comprehensive exam covers all content areas in the book in the same percentages that they are covered on the actual NCLEX-RN test plan. Practice questions on delegation, prioritization, and triage/disaster management emphasize these areas on the NCLEX exam. Companion Evolve website provides 25 new Next Generation NCLEX® (NGN)-style questions plus all alternate item format questions including multiple response, prioritizing (ordered response), fill-in-the-blank, figure/illustration (hot spot), chart/exhibit, video, and audio questions.
