Cardcaptor Sakura brought a generation of readers to manga, and now it's back in a definitive collector's edition! Cardcaptor Sakura is one of the all-time classics of the magical girl genre, and the Collector's Edition will be the definitive version of the story, for both long-time fans and readers new to the story. The adventures of the plucky Sakura Kinomoto are as adorably thrilling as ever, as she tracks down the magical Clow Cards and plunges headlong into a world of sorcery beyond anything she could've imagined. Focuses on the treatment of Mao Zedong, Zhou Enlai, Deng Xiaoping, and other Communist leaders from the late 1980s to the beginning of 1997, exploring how and why a Chinese pantheon has risen at a time when Communist ideology is fading and Chinese leaders are coming to grips with the collapse of the former Soviet Union and pressures from the West. Examines invention of the pantheon as an important part of the official plan to preserve Communist rule and to reassert China's long autocratic tradition. the q word is an ongoing series depicting the tales of a female artist living and working during quarantine. An old friend's death sends Ruth to Lancaster to investigate an important archeological discovery, but what she finds is a mystery that may have gotten her friend murdered. INSPIRATION FOR THE ORIGINAL SERIES THE LINCOLN LAWYER - COMING SOON TO NETFLIX Defense attorney Mickey Haller is forced to bend the law until it breaks when he is hired to defend a man accused of killing a prostitute in this novel of courtroom suspense, the "best one yet" (The Washington Post). Mickey Haller gets the text, "Call me ASAP - 187," and the California penal code for murder immediately gets his attention. Murder cases have the highest stakes and the biggest paydays, and they always mean Haller has to be at the top of his game. When Mickey learns that the victim was his own former client, a prostitute he thought he had rescued and put on the straight and narrow path, he knows he is on the hook for this one. He soon finds out that she was back in LA and back in the life. Far from saving her, Mickey may have been the one who put her in danger.

Haunted by the ghosts of his past, Mickey must work tirelessly and bring all his skill to bear on a case that could mean his ultimate redemption or proof of his ultimate guilt. The Gods of Guilt shows once again why "Michael Connelly excels, easily surpassing John Grisham in the building of courtroom suspense" (Los Angeles Times).
