Heroines of Popular Culture Mar 21 2022

From life and literature come the  
heroines of this volume. The essays  
demonstrate that women can fit the role  
of hero as defined by Joseph Campbell: "A  
hero ventures forth from the world of  
common day into a region of supernatural  
wonder, fabulous forces are there  
encountered and a decisive victory is  
won, the hero comes back from this  
mysterious adventure with the power to  
bestow boons on his fellow man."  
Contributors to this volume cover a wide  
range of heroic women.

The Brontë Plot Sep 22 2019 When a bookseller's secret is unearthed, her world begins to crumble. But it may be the best thing that has ever happened to her. Lucy Alling makes a living selling rare books, often taking suspicious liberties to reach her goals. When her unorthodox methods are discovered, Lucy's secret ruins her relationship with her boss and her boyfriend, James—leaving Lucy in a heap of hurt and trouble. Something has to change; she has to change. In a sudden turn of events, James's wealthy grandmother, Helen, hires Lucy as a consultant for a London literary and antiques excursion. Lucy reluctantly agrees and soon discovers Helen holds secrets of her own. In fact, Helen understands Lucy's predicament better than anyone else. As the two travel across England, Lucy benefits from Helen's wisdom as Helen confronts ghosts from her own past. Everything comes to a head at Haworth, home of the Brontë sisters, where Lucy is reminded of the sisters' beloved heroines who, with tenacity and resolution, endured—even in

the midst of impossible circumstances. Now Lucy must face her past in order to move forward. And while it may hold mistakes and regrets, she will prevail—if only she can step into the life and the love that have been waiting for her all along. “You’re going to love *The Brontë Plot*.” —Debbie Macomber, #1 New York Times bestselling author Sweet and thoughtful contemporary read Stand-alone novel Book length: 86,000 words Includes discussion questions for book clubs

*Charlotte Brontë* Oct 24 2019 The lives of literary figures have always provided a source of fascination; the tragic life of Charlotte Brontë is no different. In this interpretive critical biography, Helene Moglen “takes for granted earlier, exhaustive studies” done on Brontë to produce an analysis that incorporates not only the facts of her life, but also their influence upon her works. Through her study, Moglen seeks to examine the two dimensions that are essential to any study of Brontë: the life she lived and the life she created within the pages of fiction. By examining the paradoxical

personal tragedy and artistic fulfillment that made up Charlotte Brontë's life, Helen Moglen shows the evolution of Brontë's feminism. Through Brontë's growth, Moglen then is able to "explore explicitly formations of the modern female psyche." Considered to be a major biography fusing together the making of literature and the formation of personality, Moglen offers a new critical insight into Brontë's struggle for self-definition and how it can be reflected through the lives of readers more than a century later.

*Becoming Jane Eyre* May 11 2021 The year is 1846. In a cold parsonage on the gloomy Yorkshire moors, a family seems cursed with disaster. A mother and two children dead. A father sick, without fortune, and hardened by the loss of his two most beloved family members. A son destroyed by alcohol and opiates. And three strong, intelligent young women, reduced to poverty and spinsterhood, with nothing to save them from their fate. Nothing, that is, except their remarkable literary talent. So unfolds the story of

the Brontë sisters. At its centre are Charlotte and the writing of *Jane Eyre*. Delicately unraveling the connections between one of fiction's most indelible heroines and the remarkable woman who created her, Sheila Kohler's *Becoming Jane Eyre* will appeal to fans of historical fiction and, of course, the millions of readers who adore *Jane Eyre*.

*The Silversmith's Wife* Feb 20 2022 A rich, intricate and beautifully told story of murder, love and buried secrets, perfect for fans of Tracy Chevalier. The year is 1792 and it's winter in Berkeley Square. As the city sleeps, the night-watchman keeps a cautious eye over the streets, and another eye in the back doors of the great and the good. Then one fateful night he comes across the body of Pierre Renard, the eponymous silversmith, lying dead, his throat cut and his valuables missing. It could be common theft, committed by one of the many villains who stalk the square, but as news of the murder spreads, it soon becomes clear that Renard had more than a few enemies, all with their own secrets

to hide. At the centre of this web is Mary, the silversmith's wife. Ostensibly theirs was an excellent pairing, but behind closed doors their relationship was a dark and at times sadistic one and when we meet her, Mary is withdrawn and weak, haunted by her past and near-mad with guilt. Will she attain the redemption she seeks and what, exactly, does she need redemption for...? Rich, intricate and beautifully told, this is a story of murder, love and buried secrets. Praise for *The Silversmith's Wife*: 'A dense, intricate historical thriller centering around the murder of a silversmith - in the tradition of Iain Pears' *An Instance of the Fingerpost* and Hilary Mantel's *Wolf Hall*' Sophie Hannah 'A novel that depends as much on its depiction of character as its evocation of place and time as on the unravelling of a mystery' Nick Rennison's *Choice*, *Sunday Times* 'Self-assured, page-turning debut which leaves you guessing until the last - a GREAT read' *Daily Mail* 'A sophisticated study of character as much as a crime thriller...it pulls the reader

into its vivid re-creation of Georgian London' BBC History Magazine

*Independence* Dec 06 2020 'To myself alone could I look' Jane Eyre and Lucy Snowe are heroines who depend upon no one but themselves. In the face of hardship, from small sacrifices to great heartache, they cling resolutely to their principles of self-reliance. Lucy's energy and enterprise take her to Belgium and a career in teaching, whilst Jane's honest, intelligent mind draws declarations of love. Both are the unforgettable creations of the deeply independent and brilliant Charlotte Brontë. Selected from Charlotte Brontë's *Jane Eyre* and *Villette*. VINTAGE MINIS: GREAT MINDS. BIG IDEAS. LITTLE BOOKS. A series of short books by the world's greatest writers on the experiences that make us human Also in the Vintage Minis series: *Sisters* by Louisa May Alcott *Freedom* by Margaret Atwood *Marriage* by Jane Austen *Liberty* by Virginia Woolf

Jane Eyre (Deluxe Hardbound Edition) May 23 2022 *Jane Eyre*, first published in 1847 under the pseudonym Currer Bell,

exploded into the English literary scene, capturing the hearts of many of the world's most prominent writers, including William Makepeace Thackeray, who called it a work "of extraordinary brilliance." Brontë's masterpiece, widely recognised as a revolutionary novel, exposed the world to a radical new sort of heroine, one whose rebellious integrity and moral courage stood in stark contrast to the more acquiescent and malleable female heroines of the day. *Jane Eyre* is one of the world's most beloved novels because it is passionate, dramatic, and startlingly modern.

*Wuthering Heights and Agnes Grey* Dec 26 2019 Two classics of English literature, published together with poems and commentary in this revised 1851 edition prepared by Charlotte Brontë.

*Jane Eyre's Fairytale Legacy at Home and Abroad* Aug 02 2020 Exploring the literary microcosm inspired by Brontë's debut novel, *Jane Eyre's Fairytale Legacy at Home and Abroad* focuses on the nationalistic stakes of the mythic and fairytale paradigms that were

incorporated into the heroic female bildungsroman tradition. Jane Eyre, Abigail Heiniger argues, is a heroic changeling indebted to the regional, pre-Victorian fairy lore Charlotte Brontë heard and read in Haworth, an influence that Brontë repudiates in her last novel, Vilette. While this heroic figure inspired a range of female writers on both sides of the Atlantic, Heiniger suggests that the regional aspects of the changeling were especially attractive to North American writers such as Susan Warner and L.M. Montgomery who responded to Jane Eyre as part of the Cinderella tradition. Heiniger contrasts the reactions of these white women writers with that of Hannah Crafts, whose Jane Eyre-influenced *The Bondwoman's Narrative* rejects the Cinderella model. Instead, Heiniger shows, Crafts creates a heroic female bildungsroman that critiques fairytale narratives from the viewpoint of the obscure, oppressed workers who remain forever outside the tales of wonder produced for middle-class consumption. Heiniger concludes by

demonstrating how Brontë's middle-class American readers projected the self-rise ethic onto Jane Eyre, mirroring the novel in nineteenth-century narratives of American identity formation.

The Heroine's Bookshelf Jul 13 2021 A testament to inspirational women throughout literature, Erin Blakemore's exploration of classic heroines and their equally admirable authors shows today's women how to best tap into their inner strengths and live life with intelligence, grace, vitality and aplomb. This collection of unforgettable characters—including Anne Shirley, Jo March, Scarlett O'Hara, and Jane Eyre—and outstanding authors—like Jane Austen, Harper Lee, and Laura Ingalls Wilder—is an impassioned look at literature's most compelling heroines, both on the page and off. Readers who found inspiration in books by Toni Morrison, Maud Hart Lovelace, Ursula K. LeGuin, and Alice Walker, or who were moved by literary-themed memoirs like *Shelf Discovery* and *Everything I Needed to Know About Being a Girl I Learned from Judy Blume*, get ready

to return to the well of women's classic literature with The Heroine's Bookshelf.

*Jane Eyre (World Classics, Unabridged)*  
Apr 22 2022 In this novel, Charlotte Bronte invented a romantic tale of passion and thrill and created one of the most unforgettable heroines of all the times. When her first novel, *The Professor*, was rejected for publication, she concluded that publishers preferred the 'wild, wonderful and thrilling' to the 'plain and homely'. The heroine, Jane Eyre, is a penniless orphan of sharp wit and independent spirit, although outwardly of plain appearance. Her employer, Mr. Rochester, a brooding, melancholy figure, is given to rough outbursts of temper. Their unconventional love story is the central theme of this stormy, intense and introspective novel.

*Jane Eyre* Dec 18 2021 Part of Penguin's beautiful hardback Clothbound Classics series, designed by the award-winning Coralie Bickford-Smith, these delectable and collectible editions are bound in high-quality colourful, tactile cloth with foil stamped into the design.

Charlotte Brontë's first published novel, *Jane Eyre* was immediately recognised as a work of genius when it appeared in 1847. Orphaned into the household of her Aunt Reed at Gateshead, subject to the cruel regime at Lowood charity school, Jane Eyre nonetheless emerges unbroken in spirit and integrity. How she takes up the post of governess at Thornfield Hall, meets and loves Mr Rochester and discovers the impediment to their lawful marriage are elements in a story that transcends melodrama to portray a woman's passionate search for a wider and richer life than that traditionally accorded to her sex in Victorian society.

*Why Brontë Chose Byron. "Jane Eyre" and her Byronic Lover* Sep 15 2021 Seminar paper from the year 2012 in the subject English Language and Literature Studies - Literature, grade: 1,3, Johannes Gutenberg University Mainz (Department of English and Linguistics), course: Proseminar I: Reading the Novel, language: English, abstract: 165 years after its first publication in England, Charlotte Brontë's "female Bildungsroman"

(Gilbert and Gubar 339) "Jane Eyre" still prompts questions for both its readership and the literary scholars of today. Depicting the protagonist's development from a poor orphan girl to a young governess who "yearns for true liberty" (Gilbert and Gubar 347), Brontë evokes a utopian ideal of a strong-minded heroine who defies social customs by marrying her master, Edward Fairfax Rochester. When pondering over Brontë's comment to her publisher in 1848, "[t]he standard hero[e]s and heroines of novels are personages in whom I could never . . . take an interest, believe to be natural or wish to imitate: were I obliged to copy these characters, I would simply not write at all" (qtd. in Brennan 16), one can draw conclusions about Brontë's intention to reward her heroine with Rochester, who is widely accepted as the epitome of a Byronic hero (cf. Wootton 231, Gilbert and Gubar 337) – a "unique" (Thorslev 12) hero whose name refers to its real-life impersonator, the English Romantic poet George Gordon "Lord" Byron. As this paper is concerned with the

question whether the Byronic hero embodies the desirable husband for a governess in nineteenth-century England, a brief overview of the reception of Byron and his works as a "cultural phenomenon" (Elfenbein 47) during Brontë's time seems necessary and will be dealt with in the first part of this paper. Andrew Elfenbein's study *Byron and the Victorians* from 1995 serves as a valuable source which particularly considers Byron's female readership and offers reasons for his popularity among them. Since most scholars view Rochester as a Byronic hero while merely focussing on his physiognomy (cf. Wootton 231), the second part of this paper draws comparisons between Rochester's character and the main features of a Byronic hero, as Peter L. Thorslev Jr. framed him in depth in his study *The Byronic Hero: Types and Prototypes* from 1962. In the third and last part of this paper, the social context of women in general and governesses in particular with due regard to love, marriage and legal rights will be taken into account. It will be argued

that a marriage despite gender and social borders is enabled between the governess Jane and her master Rochester by making the latter Byronic, whereby Rochester becomes the epitome of a desirable husband for a governess in nineteenth-century England.

Fanny Price Vs. Jane Eyre Jun 24 2022  
Studienarbeit aus dem Jahr 2012 im  
Fachbereich Englisch -  
Literaturgeschichte, Epochen, Note: 1,3,  
Universität Duisburg-Essen  
(Humanwissenschaftliche Fakultät),  
Veranstaltung: The Country House Novel,  
Sprache: Deutsch, Abstract: At first  
glance it seems odd to compare Fanny  
Price and Jane Eyre with each other.  
Albeit both published in the 19th  
century, the two novels were written in  
different historical time periods. Whilst  
Mansfield Park was written in the Regency  
era, Jane Eyre originates in the  
Victorian age (cf. Nunning 2004: 11).  
Furthermore, the genres of the two books  
differ, as Mansfield Park belongs to the  
genre of Social Comedy whilst Jane Eyre  
is classified as Bildungsroman.

Nonetheless, the two heroines show more parallels than might occur immediately. Fanny Price and Jane Eyre are both at least partly brought up by their wealthy aunts, where the two of them are struggling as there are not experiencing an equal treatment to their cousins. The heroines react quite differently to this circumstance but both develop a strong personality throughout the novel and stand out through their moral strength and character. The two are being confronted with many challenges but ultimately both succeed in marrying the love of their lives. However, Fanny and Jane are two very different young ladies and so is the development of their story. The aim of this paper is to compare the two heroines, to explore the very different ways in which they reach their goals and to find out why the two differ so much in their popularity and whether this is justified. In order to put the behaviour of the two ladies into perspective, a brief historical background is given before concluding.

Female emancipation in Charlotte

Bronte's JANE EYRE May 31 2020 Seminar paper from the year 2002 in the subject English Language and Literature Studies - Literature, grade: 1,7 (A-), University of Leipzig (FB Anglistics), course: Romance and Realism, 8 entries in the bibliography, language: English, abstract: At a first reading Jane Eyre may appear a conventional love story, where the two lovers have to overcome many obstacles in order to live together in perfect union. Yet the reader may find himself confused by Jane's rational attitude or by the not very usual happy ending. The book should consequently be read a second time to understand its importance in the context of female emancipation. Through Charlotte Bronte's fiction the heroines carry out their struggle for self-definition and identity, nevertheless at the same time their language and thought mirror the contradictions of Victorian opinion on femininity. The aim of this writing is to underline this aspect of the novel, pointing out precise references to emancipation contained in the book.

Therefore the text will be used as a resource for the following reasoning, since it contains hidden explicit declarations of independence.

Jane Eyre Jul 25 2022

"Wide Sargasso Sea" by Jean Rhys as a postcolonial response to "Jane Eyre" by Charlotte Bronte Aug 26 2022 Seminar paper from the year 2008 in the subject English Language and Literature Studies - Literature, grade: 2,00, University of Koblenz-Landau (Anglistik), course: Colonial and Postcolonial Literatures, language: English, abstract: Wide Sargasso Sea is one of the best-known literary postcolonial replies to the writing of Charlotte Bronte and a brilliant deconstruction of what is known as the author's "worlding" in Jane Eyre. The novel written by Jean Rhys tells the story of Jane Eyre's protagonist, Edward Rochester. The plot takes place in West Indies where Rochester met his first wife, Bertha Antoinette Mason. Wide Sargasso Sea influences the common reading and understanding of the matrix novel, as it rewrites crucial parts of

Jane Eyre. The heroine in Jean Rhys's *Wide Sargasso Sea*, Antoinette Cosway, is created out of demonic and bestialic Bertha Mason from *Jane Eyre*. Rhys's great achievement in her re-writing of the Bronte's text is her creation of a double to the madwoman from *Jane Eyre*. The heroine of *Wide Sargasso Sea*, the beautiful Antoinette Cosway, heiress of the post-emancipation fortune is created out of the demonic and bestialic Bertha Mason. The author transforms the first Mrs Rochester into an individual figure whose madness is caused by imperialistic and patriarchal oppression. The vision of Bertha/Antoinette as an insane offspring from a family plagued by madness is no longer plausible to the reader. In this essay I would like to focus the factors which led to the madness of the protagonist. Although Bertha Mason and *Jane Eyre* seem to be enemies and contradictory characters in the Victorian novel, many critics find several similarities between the two heroines, their life and finally between *Jane Eyre* and *Wide Sargasso Sea*. Seeing *Jane Eyre*

and Antoinette Cosway as sisters and doubles is very popular with some critics who dealt with the works of Charlotte Bronte and Jean Rhys. Nevertheless, I would like to focus in this essay on Gayatri Chakravorty Spivak's criticism on viewing and interpreting the two heroines. Gayatri Chakravorty Spivak in her essay "Three Women's Texts and a Critique of Imperialism" values also Jean Rhys for telling the story of Bertha Mason through the Creole perspective, but she criticises the author for marginalising the native inhabitants of West Indies.

*The Vanishing* Sep 27 2022 'Think Wuthering Heights or Jane Eyre, but ten times darker, and you have *The Vanishing* ... as dark and eerie and gothic as the Yorkshire Moors it is set on. One to curl up by the fire with on a windy night' Stylist On top of the Yorkshire Moors, in an isolated spot carved out of a barren landscape, lies White Windows, a house of shadows and secrets. Here lives Marcus Twentyman, a hard-drinking but sensitive man, and his sister, the brisk widow,

Hester. When runaway Annaleigh first meets the Twentymans, their offer of employment and lodgings seems a blessing. Only later does she discover the truth. But by then she is already in the middle of a web of darkness and intrigue, where murder seems the only possible means of escape. Already a Sunday Times bestselling author with her first novel, *The Vanishing* confirms Sophia Tobin as a major talent. Stunning, twisting historical fiction for all fans of Jessie Burton and Tracy Chevalier. 'Undeniably page-turning' Mail on Sunday 'Entertaining' Times 'Vivid, absorbing and wonderfully gothic, with shades of Sarah Waters and Emily and Charlotte Brontë' Kate Riordan 'Brilliantly Brontë-esque. Perfect reading for a stormy night' Anna Mazzola 'A vivid sense of the period ... which stays with the reader long after the final page' the i 'The plotting is skilful, with a network of lies being woven so that no one, characters or readers, can be sure of the truth' Daily Express 'Atmosphere aplenty and some real surprises' Daily Mail 'Echoes Wuthering

Heights with its setting and sense of intrigue' Red 'An atmospheric tale of betrayal and revenge' woman&home 'A thrilling, atmospheric page-turner' Metro 'Playful and menacing, The Vanishing is a pitch perfect evocation of a classic nineteenth century Gothic novel which confirms Sophia Tobin as a writer of the highest calibre' William Ryan, author of The Constant Soldier

The Secret History of Jane Eyre: How Charlotte Brontë Wrote Her Masterpiece Oct 16 2021 The surprising hidden history behind Charlotte Brontë's Jane Eyre. Why did Charlotte Brontë go to such great lengths on the publication of her acclaimed, best-selling novel, Jane Eyre, to conceal its authorship from her family, close friends, and the press? In The Secret History of Jane Eyre, John Pfordresher tells the enthralling story of Brontë's compulsion to write her masterpiece and why she then turned around and vehemently disavowed it. Few people know how quickly Brontë composed Jane Eyre. Nor do many know that she wrote it during a devastating and anxious

period in her life. Thwarted in her passionate, secret, and forbidden love for a married man, she found herself living in a home suddenly imperiled by the fact that her father, a minister, the sole support of the family, was on the brink of blindness. After his hasty operation, as she nursed him in an isolated apartment kept dark to help him heal his eyes, Brontë began writing *Jane Eyre*, an invigorating romance that, despite her own fears and sorrows, gives voice to a powerfully rebellious and ultimately optimistic woman's spirit. *The Secret History of Jane Eyre* expands our understanding of both *Jane Eyre* and the inner life of its notoriously private author. Pfordresher connects the people Brontë knew and the events she lived to the characters and story in the novel, and he explores how her fecund imagination used her inner life to shape one of the world's most popular novels. By aligning his insights into Brontë's life with the timeless characters, harrowing plot, and forbidden romance of *Jane Eyre*, Pfordresher reveals the

remarkable parallels between one of literature's most beloved heroines and her passionate creator, and arrives at a new understanding of Brontë's brilliant, immersive genius.

Charlotte Brontë Oct 04 2020 Seminar paper from the year 2006 in the subject English Language and Literature Studies - Literature, grade: 1,2, University of Duisburg-Essen (Department of Anglophone Studies), course: 19th century novels, language: English, abstract: 1.

Introduction 1.1 Preface "Charlotte Brontë's Jane Eyre has often been described as a gothic novel, but the type of fantasy which is more obviously responsible for its plot structure and character development is the fairy tale."<sup>1</sup> When I read Jane Eyre I just couldn't help myself but feeling that some aspects of the story seemed strangely familiar. A poor orphan girl that has to live with two unpleasant sisters and a wealthy but cruel aunt and suffers from domestic violence. This very beginning of Jane Eyre of course resembles the universally known fairy

tale Cinderella and it seems that this is not the only reference to a fairy tale within Charlotte Brontë's novel. Traces of Beauty and the Beast can be found as well as other significant fairy tale elements. The purpose of this term paper is to reveal some of the fairy tale elements to be found in Jane Eyre and to discuss if the novel as a whole can be understood as some sort of modern fairy tale.

Jane Eyre's Sisters Dec 30 2022 Ever since women in the West first started publishing works of fiction, they have written about a heroine who must wander from one place to another as she searches for a way to live the life she wants to live, a life through which she can express her true self creatively in the world. Yet while many have written about the "heroine's journey," most of those authors base their models of this journey on Joseph Campbell's model of the Heroic Quest story or on old myths and tales written down by men, not on the stories that women tell. In Jane Eyre's Sisters: How Women Live and Write the Heroine's

Story, cultural mythologist Jody Gentian Bower looks at novels by women—and some men—as well as biographies of women that tell the story of the Aletis, the wandering heroine. She finds a similar pattern in works spanning the centuries, from Lady Mary Wroth and William Shakespeare in the 1600s to Sue Monk Kidd, Suzanne Collins, and Philip Pullman in the current century, including works by Jane Austen, the Brontë sisters, George Eliot, Elizabeth Gaskell, Charles Dickens, Kate Chopin, Virginia Woolf, Doris Lessing, J.R.R. Tolkien, and Alice Walker, to name just a few. She also discusses myths and folk tales that follow the same pattern. Dr. Bower argues that the Aletis represents an archetypal character that has to date received surprisingly little scholarly recognition despite her central role in many of the greatest works of Western fiction. Using an engaging, down-to-earth writing style, Dr. Bower outlines the stages and cast of characters of the Aletis story with many examples from the literature. She discusses how the Aletis story differs

from the hero's quest, how it has changed over the centuries as women gained more independence, and what heroines of novels and movies might be like in the future. She gives examples from the lives of real women and scatters stories that illustrate many of her points throughout the book. In the end, she concludes, authors of the Aletis story use their imagination to give us characters who serve as role models for how a woman can live a full and free life.

Heroines Of Fiction Feb 26 2020 The numerous class of novel readers who for a lifetime have wandered through the fields of fiction, not premeditatedly seeking mental or moral improvement, but with a mind chiefly on "pleasure bent," have a treat in store in 'Heroines of Fiction.' Mr. Howells does not write of his own heroines of fiction – it is the creations of the English and American novelists of times long ago who have filled an imaginative world with a galaxy of feminine loveliness and charm that he considers. The dear old friends of fiction who have become as real to us, in

name and appearance, as if we and they had lived side by side in the passing years. Mr. Howells presents them to us again, recalling many endearing traits and captivating graces—looking at them also from the literary standpoint and their special relation to the story to which they belong. Mr. Howells has his favorites among novel writers, and he frankly avows his likings. Jane Austen, George Eliot and Henry James he places on a high pedestal far above their contemporaries. Second only to these is the place he awards to Thomas Hardy and Mrs. Humphry Ward. Beginning with Richardson's "Clarissa Harlowe," he gives us loving and graceful sketches often set in a dramatic scene from the novel under discussion of the heroines of Dickens, Scott, Thackeray, Charlotte Brontë, Charles Reade, and many others.

*The Secret History of Jane Eyre* Feb 08 2021 The surprising hidden history behind Charlotte Brontë's Jane Eyre. Why did Charlotte Brontë go to such great lengths on the publication of her acclaimed, best-selling novel, Jane Eyre, to conceal its

authorship from her family, close friends, and the press? In *The Secret History of Jane Eyre*, John Pfordresher tells the enthralling story of Brontë's compulsion to write her masterpiece and why she then turned around and vehemently disavowed it. Few people know how quickly Brontë composed *Jane Eyre*. Nor do many know that she wrote it during a devastating and anxious period in her life. Thwarted in her passionate, secret, and forbidden love for a married man, she found herself living in a home suddenly imperiled by the fact that her father, a minister, the sole support of the family, was on the brink of blindness. After his hasty operation, as she nursed him in an isolated apartment kept dark to help him heal his eyes, Brontë began writing *Jane Eyre*, an invigorating romance that, despite her own fears and sorrows, gives voice to a powerfully rebellious and ultimately optimistic woman's spirit. *The Secret History of Jane Eyre* expands our understanding of both *Jane Eyre* and the inner life of its notoriously private author. Pfordresher connects the people

Brontë knew and the events she lived to the characters and story in the novel, and he explores how her fecund imagination used her inner life to shape one of the world's most popular novels. By aligning his insights into Brontë's life with the timeless characters, harrowing plot, and forbidden romance of Jane Eyre, Pfordresher reveals the remarkable parallels between one of literature's most beloved heroines and her passionate creator, and arrives at a new understanding of Brontë's brilliant, immersive genius.

*The Professor Illustrated* Jul 01 2020  
The Professor was the first novel by Charlotte Brontë. It was written before Jane Eyre, but was rejected by many publishing houses. It was eventually published, posthumously, in 1857, with the approval of Charlotte Brontë's widower, Arthur Bell Nicholls, who took on the task of reviewing and editing the text.

The Widow's Confession Nov 17 2021  
The new novel from the author of the Sunday Times bestseller, The Silversmith's Wife.

Stunning historical fiction, perfect for fans of Tracy Chevalier. Broadstairs, Kent, 1851. Once a sleepy fishing village, now a select sea-bathing resort, this is a place where people come to take the air, and where they come to hide... Delphine and her cousin Julia have come to the seaside with a secret, one they have been running from for years. The clean air and quiet outlook of Broadstairs appeal to them and they think this is a place they can hide from the darkness for just a little longer. Even so, they find themselves increasingly involved in the intrigues and relationships of other visitors to the town. But this is a place with its own secrets, and a dark past. And when the body of a young girl is found washed up on the beach, a mysterious message scrawled on the sand beside her, the past returns to haunt Broadstairs and its inhabitants. As the incomers are drawn into the mystery and each others' lives, they realise they cannot escape what happened here years before... A compelling story of secrets, lies and lost

innocence...

The Heroines of Charlotte Brontë Mar 29 2020 When Charlotte began writing, the heroes and heroines of the novels prepared for young ladies and gentlemen were ideally perfect. The approach of the heroine was announced by the rustling of voluminous muslin, whose quality was described as the whitest and finest. When she came tripping in sandals, long ringlets were seen falling over a drooping head and a swan neck, and she was declared tender, soft, languishing, and innocent. The hero was the pink of kindness and graciousness; and when, after three volumes of courtship, he won a reluctant bride, he was told to be never cross or wayward with her. The best novels of this species - a lingering on of the Sir Charles Grandison tradition - were those written by Mrs. Anne Marsh Caldwell. Even Emily and Anne Brontë were careful to keep their heroines beautiful, in Wildfell Hall and Wuthering Heights though to no such extreme. Charlotte told Emily and Anne that they were 'morally wrong' in adopting the conventional

heroine, and said to them, 'I will show you a heroine as plain and as small as myself, who shall be as interesting as any of yours.' [1] [1] Charlotte Brontë's letter quoted in W. L. Cross, *The Development of the English Novel*, (London: Macmillan & Co. Ltd: 1899 rpt. 1964), p. 228.

Re Jane Nov 24 2019 "Re Jane is snappy and memorable, with its clever narrator and insights on clashing cultures."—Entertainment Weekly For Jane Re, half-Korean, half-American orphan, Flushing, Queens, is the place she's been trying to escape from her whole life. Sardonic yet vulnerable, Jane toils, unappreciated, in her strict uncle's grocery store and politely observes the traditional principle of nunchi (a combination of good manners, hierarchy, and obligation). Desperate for a new life, she's thrilled to become the au pair for the Mazer-Farleys, two Brooklyn English professors and their adopted Chinese daughter. Inducted into the world of organic food co-ops and nineteenth-century novels, Jane is the

recipient of Beth Mazer's feminist lectures and Ed Farley's very male attention. But when a family death interrupts Jane and Ed's blossoming affair, she flies off to Seoul, leaving New York far behind. Reconnecting with family, and struggling to learn the ways of modern-day Korea, Jane begins to wonder if Ed Farley is really the man for her. Jane returns to Queens, where she must find a balance between two cultures and accept who she really is. *Re Jane* is a bright, comic story of falling in love, finding strength, and living not just out of obligation to others, but for one's self. Journeying from Queens to Brooklyn to Seoul, and back, this is a fresh, contemporary retelling of *Jane Eyre* and a poignant Korean American debut.

*Mistress of Mellyn* Jan 07 2021 An epic tale of love and mystery written in the great romantic tradition.

*Villette* Jan 27 2020 "First published in 1853, *Villette* draws from Charlotte Bronte's experiences in Brussels in the 1840's. In this emotionally charged tale, we see Lucy Snowe's response to the

challenges of her restrictive social environment as she flees from her unhappy past in England to a new life as a teacher at Madame Beck's school in Villette. This new edition features the definitive Clarendon edition of Villette which is derived from the earliest printings of Brontë's great work. The text is supplemented with a newly commissioned introduction, which gives a thorough and in depth analysis of the context of this fine example of the nineteenth century novel.

*Jane Eyre By Charlotte Brontë "The Annotated Classic Edition" A Gothic Romance Novel* Jun 12 2021 Charlotte Brontë's romantic gothic novel, featuring one of literature's most memorable heroines. Jane Eyre is the story of passionate love between the courageous orphan Jane Eyre and the brilliant, brooding, and domineering Rochester. The loneliness and cruelty of Jane's childhood strengthens her natural independence and spirit, which prove invaluable when she takes a position as a governess at Thornfield Hall. But after

she falls in love with her sardonic employer, her discovery of his terrible secret forces her to make a heart-wrenching choice. Jane Eyre has enthralled every kind of reader, from the most critical and cultivated to the youngest and most unabashedly romantic. It lives as one of the great triumphs of storytelling and as a moving and unforgettable portrayal of a woman's quest for self-respect.

*How to Be a Heroine* Apr 10 2021 A funny, touching, inspiring exploration of the role of heroines, and our favourite books, in all our lives. Cathy Earnshaw or Jane Eyre? Petrova or Posy? Scarlett or Melanie? *Lace* or *Valley of the Dolls*? On a pilgrimage to *Wuthering Heights*, Samantha Ellis found herself arguing with her best friend about which heroine was best: Jane Eyre or Cathy Earnshaw. She was all for wild, passionate Cathy; but her friend found Cathy silly, a snob, while courageous Jane makes her own way. And that's when Samantha realised that all her life she'd been trying to be Cathy when she should have been trying to

be Jane. So she decided to look again at her heroines -- the girls, women, books that had shaped her ideas of the world and how to live. Some of them stood up to the scrutiny (she will always love Lizzy Bennet); some of them most decidedly did not (turns out Katy Carr from *What Katy Did* isn't a carefree rebel, she's a drip). There were revelations (the real heroine of *Gone with the Wind*? It's Melanie), joyous reunions (Anne of Green Gables), poignant memories (Sylvia Plath) and tearful goodbyes (Lucy Honeychurch). And then there was Jilly Cooper. *How To Be A Heroine* is Samantha's funny, touching, inspiring exploration of the role of heroines, and our favourite books, in all our lives -- and how they change over time, for better or worse, just as we do.

Jane Eyre Sep 03 2020 A play based on the novel by Charlotte Bronte.

Jane Eyre Oct 28 2022 Charlotte Brontë's romantic gothic novel, featuring one of literature's most memorable heroines. With her 1847 novel, *Jane Eyre*, Charlotte Brontë created one of the most

unforgettable heroines of all time. Jane Eyre is an orphan, penniless and plain, but full of courage and spirit. She has endured incredible hardship to secure her humble status as a governess in the household of her brooding employer, Mr. Rochester. Jane's sharp wit and defiant nature meet with Rochester's sardonic temperament. The two become enmeshed in a deep, intense bond. But Rochester has a terrible secret—a remnant from his past that could threaten any hope of happiness with his only love. An unconventional love story that broadened the scope of romantic fiction, Jane Eyre is ultimately the tale of one woman's fight to claim her independence and self-respect in a society that has no place for her. With an Introduction by Erica Jong and an Afterword by Marcelle Clements

*Jane Eyre* Aug 22 2019 THE ULTIMATE GUIDES TO EXAM SUCCESS from York Notes - the UK's favourite English Literature Study Guides. York Notes for AS & A2 are specifically designed for AS & A2 students to help you get the very best grade you can. They are comprehensive,

You'll know exactly what you need to do and say to get the best grades.

Jane Eyre Aug 14 2021 "Gentle reader, may you never feel what I then felt!" Throughout the hardships of her childhood - spent with a severe aunt and abusive cousin, and later at the austere Lowood charity school - Jane Eyre clings to a sense of self-worth, despite of her treatment from those close to her. At the age of eighteen, sick of her narrow existence, she seeks work as a governess. The monotony of Jane's new life at Thornfield Hall is broken up by the arrival of her peculiar and changeful employer, Mr Rochester. Routine at the mansion is further disrupted by mysterious incidents that draw the pair

closer together but which, once explained, threaten Jane's happiness and integrity. A flagship of Victorian fiction, Jane Eyre draws the reader in by the vigour of Jane's voice and the novel's forceful depiction of childhood injustice, of the restraints placed upon women, and the complexities of both faith and passion. The emotional charge of Jane's story is as strong today as it was more than 150 years ago, as she seeks dignity and freedom on her own terms. In this new edition, Juliette Atkinson explores the power of narrative voice and looks at the striking physicality of the novel, which is both shocking and romantic.

Charlotte Brontë Nov 05 2020 On the two hundredth anniversary of her birth, a landmark biography transforms Charlotte Brontë from a tragic figure into a modern heroine. Charlotte Brontë famously lived her entire life in an isolated parsonage on a remote English moor with a demanding father and siblings whose astonishing childhood creativity was a closely held secret. The genius of Claire Harman's

biography is that it transcends these melancholy facts to reveal a woman for whom duty and piety gave way to quiet rebellion and fierce ambition. Drawing on letters unavailable to previous biographers, Harman depicts Charlotte's inner life with absorbing, almost novelistic intensity. She seizes upon a moment in Charlotte's adolescence that ignited her determination to reject poverty and obscurity: While working at a girls' school in Brussels, Charlotte fell in love with her married professor, Constantin Heger, a man who treated her as "nothing special to him at all." She channeled her torment into her first attempts at a novel and resolved to bring it to the world's attention. Charlotte helped power her sisters' work to publication, too. But Emily's *Wuthering Heights* was eclipsed by *Jane Eyre*, which set London abuzz with speculation: Who was this fiery author demanding love and justice for her plain and insignificant heroine? Charlotte Brontë's blazingly intelligent women brimming with hidden passions would transform English

literature. And she savored her literary success even as a heartrending series of personal losses followed. Charlotte Brontë is a groundbreaking view of the beloved writer as a young woman ahead of her time. Shaped by Charlotte's lifelong struggle to claim love and art for herself, Harman's richly insightful biography offers readers many of the pleasures of Brontë's own work.

Self-conceived Heroine of Charlotte Bronte: Jane Eyre Nov 29 2022 Charlotte Bronte has been considered by critics as the foremost authors of the nineteenth century, important precursor to feminist novelists, and the creator of intelligent, independent heroines who asserted their rights as women long before those rights were recognized by society. Charlotte Bronte novels are of high significance due to her rebelliousness against conventions, her unwillingness to let her heroines bow down to conventions and for creating a social awareness and responsibility among women of that era by the power of her pen.

**Perspectivising Love and Marriage in  
Charlotte Brontë's "Jane Eyre" and  
Elisabeth Gaskell's "North and South" Apr

**Becoming Jane Eyre Mar 09 2021 A  
beautifully imagined tale of the Brontë  
sisters and the writing of Jane Eyre.  
Sheila Kohler's memoir Once We Were  
Sisters is now available. The year is  
1846. In a cold parsonage on the gloomy  
Yorkshire moors, a family seems cursed  
with disaster. A mother and two children  
dead. A father sick, without fortune, and  
hardened by the loss of his two most  
beloved family members. A son destroyed  
by alcohol and opiates. And three strong,  
intelligent young women, reduced to  
poverty and spinsterhood, with nothing to  
save them from their fate. Nothing, that  
is, except their remarkable literary  
talent. So unfolds the story of the  
Brontë sisters. At its center are  
Charlotte and the writing of Jane Eyre.  
Delicately unraveling the connections  
between one of fiction's most indelible  
heroines and the remarkable woman who  
created her, Sheila Kohler's Becoming**

**Jane Eyre will appeal to fans of historical fiction and, of course, the millions of readers who adore Jane Eyre, as well as biographies about the Brontës like Claire Harman's Charlotte Brontë: A Fiery Heart.**
