Then one day, Finlay's friend Malcolm MacGregor challenges him to a wager, but laughingly refuses to tell him the penalty if he loses. Confident, Finlay agrees... but when he does indeed lose, finds that his task is to escort Malcolm's headstrong sister, Isla, on one last hunting trip before she has to face the distasteful task of choosing a suitor. Highlander Sep 24 2019 and racial justice during a critical era in southern and Appalachian history. This volume is the first comprehensive examination of that extraordinary—and often controversial—institution. Founded in 1932 by Myles Horton and Don West near Monteagle, Tennessee, this adult education center was both a vital resource for southern radicals and a catalyst for several major movements for social change. During its thirty-year history it served as a community folk school, as a training center for southern labor and Farmers' Union members, and as a meeting place for black and white civil rights activists. As a result of the civil rights involvement, the state of Tennessee revoked the charter of the original institution in 1962. At the heart of Horton's philosophy and the Highlander program was a belief in the power of education to effect profound changes in society. By working with the knowledge the poor of Appalachia and the South had gained from their experiences, Horton and his staff expected to enable them to take control of their own lives and to solve their own problems. John M. Glen's authoritative study is more than the story of a singular school in Tennessee. It is a biography of Myles Horton, co-founder and long-time educational director of the school, whose social theories shaped its character. It is an analysis of the application of a particular idea of adult education to the problems of the South and of Appalachia. And it affords valuable insights into

the history of the southern labor and the civil rights movements and of the individuals and institutions involved in them over the past five decades.

James A. Dombrowski Oct 06 2020 I read this book based on my reading of *General Walker and the Murder of President Kennedy* by Dr. Jeffrey Caulfield. As portrayed in the Caulfield book, Dombrowski was in the eye of the segregationist hurricane which swept the South in the 1950's and 1960's following the Brown decision by the Supreme Court. This book gives a different perspective on the civil rights movement in the South. Such classics as *Where Rebels Roost* by Susan Klopfer and *Gothic Politics in the Deep South* by Robert Sherrill tend to give a condescending attitude toward the South. By contrast, Dombrowski describes a different version of events, a version which shows that the "behind the scenes" activities for Southern liberalization were very methodical and proceeded at a businesslike pace and with very steady progress all the way from the New Deal right up until the more radical 1970's. The book makes a case that, if there were actually such a thing as The New South, then Dombrowski had a very strong case for its paternity. Dombrowski, as many may already know, had close personal links to Justice Hugo Black of Alabama who was himself a pioneer of a more open-minded attitude to the race problem in the South.

Free All Along Sep 16 2021 Featured in the *New Yorker's* "Page-Turner" One of Mashable's "17 books every activist should read in 2019" "This is an expression not of people who are suddenly freed of something, but people who have been free all along." —Ralph Ellison, speaking with Robert Penn Warren A stunning collection of previously unpublished interviews with key figures of the black freedom struggle by the Pulitzer Prize-winning author In 1964, in the height of the civil rights movement of the 1960s, Pulitzer Prize-winning author and poet Robert Penn

Warren set out with a tape recorder to interview leaders of the black freedom struggle. He spoke at length with luminaries such as James Baldwin, Martin Luther King Jr., Stokely Carmichael, Ralph Ellison, and Roy Wilkins, eliciting reflections and frank assessments of race in America and the possibilities for meaningful change. In Harlem, a fifteen-minute appointment with Malcolm X unwound into several hours of vivid conversation. A year later, Penn Warren would publish *Who Speaks for the Negro?*, a probing narrative account of these conversations that blended his own reflections with brief excerpts and quotations from his interviews. Astonishingly, the full extent of the interviews remained in the background and were never published. The audiotapes stayed largely unknown until recent years. *Free All Along* brings to life the vital historic voices of America's civil rights generation, including writers, political activists, religious leaders, and intellectuals. A major contribution to our understanding of the struggle for justice and equality, these remarkable long-form interviews are presented here as original documents that have pressing relevance today.
