Recast Your City May 05 2020 Community development expert Ilana Preuss explains how local leaders can revitalize their downtowns or neighborhood main streets by bringing in and supporting small-scale manufacturing. Small-scale manufacturing businesses help create thriving places, with local business ownership opportunities and well-paying jobs that other business types can't fulfill.

Stories from the City of God Jul 19 2021 Now in paperback, a collection of the legendary filmmaker's short fiction and nonfiction from 1950 to 1966, in which we see the machinations of the creative mind in post-World War II Rome. In a portrait of the city at once poignant and intimate, we find artistic witness to the customs, dialect, squalor, and beauty of the ancient imperial capital that has succumbed to modern warfare, marginalization, and mass culture. The sketches portray the impoverished masses that Pasolini calls "the sub-proletariat," those who live under Third World conditions and for whom simple pleasures, such as a blue sweater in a storefront window, are completely out of reach. Pasolini's art develops throughout the works collected here, from his early lyricism to tragicomic outlines for screenplays, and finally to the maturation of his Neo-realism in eight chronicles on the shantytowns of Rome. The pieces in this collection were all published in Italian journals and newspapers, and then later edited by Walter Siti in the original Italian edition.

Co-Crafting the Just City Oct 22 2021 The 2016 election in Iowa City would provide an opportunity that planning faculty have long desired: the opportunity for one of their own to serve as mayor. In this new book, former Iowa City Mayor and Professor Emeritus James A. Throgmorton provides readers a sense of what democratically-elected city council members and mayors in the United States do and what it feels like to occupy and enact those roles. He does so by telling a set of "practice stories" focusing primarily, but not exclusively, on what he, a retired planning professor at the University of Iowa, experienced and learned as a council member from 2012 through 2019 and, simultaneously, as mayor from 2016 through 2019. The book proposes a practical, action-oriented theory about how city futures are being (and can be) shaped, showing that storytelling of various kinds plays a very important but poorly understood role in the co-crafting process, and demonstrating that skillful use of ethically-sound persuasive storytelling (especially by mayors) can improve our collective capacity to create better places. The book documents efforts to alleviate race-related inequities, increase the supply of affordable housing, adopt an ambitious climate action plan, improve relationships between city government and diverse marginalized communities, pursue more inclusive and sustainable land development codes/policies, and more. It will be of great interest to urban planning faculty and students and elected officials looking to collaboratively craft better cities for the future.

Night and the City Dec 24 2021 Harry Fabian is a ponce, a Flash Harry in an expensive suit, a cockney wide boy who adopts American tones and talks big, yet will never make it to the top. He operates in the Soho of the 1930s, a metropolitan tangle of dodgy geezers, prostitutes, spivs and strong-arm men. Twice filmed, *Night and the City* is a seminal low-life novel, which presents a vivid glimpse of a lost London. It also marks the return of a lost London author, Gerald Kersh, a maverick character whose life was as colourful as those of his most flamboyant creations.

Tales of the City Jan 31 2020 Inspiration for the Netflix Limited Series, *Tales of the City* A PBS Great American Read Top 100 Pick The first novel in the beloved *Tales of the City* series, Armistead Maupin's best-selling San Francisco saga. For almost four decades Armistead Maupin's *Tales of the City* has blazed its own trail through popular culture—from a groundbreaking newspaper serial to a classic novel, to a television event that entranced millions around the world. The first of nine novels about the denizens of the mythic apartment house at 28 Barbary Lane, *Tales* is both a sparkling comedy of manners and an indelible portrait of an era that changed forever the way we live.

Titus Liviu's Roman History from the Building of the City Jun 17 2021

The Moving City Mar 03 2020 *The Moving City* is a rich and intimate account of urban transformation told through the story of Delhi's Metro, a massive infrastructure project that is reshaping the city's social and urban landscapes. Ethnographic vignettes introduce the feel and form of the Metro and let readers experience the city, scene by scene, stop by stop, as if they, too, have come along for the ride. Laying bare the radical possibilities and concretized inequalities of the Metro, and how people live with and through its built environment, this is a story of women and men on the move, the nature of Indian aspiration, and what it takes morally and materially to sustain urban life. Through exquisite prose, Rashmi Sadana transports the reader to a city shaped by both its Metro and those who depend on it, revealing a perspective on Delhi unlike any other.

Description of a view of the city of Paris, taken from the Place Louis xvi., now exhibiting at the Panorama, Strand, painted by R. Burford Dec 12 2020

The Roman history, from the foundation of the city of Rome, to the destruction of the Western Empire Mar 15 2021

City on a Hill Sep 28 2019 From the pilgrims to Las Vegas, hippie communes to the smart city, utopianism has shaped American landscapes. The Puritan small town was the New Jerusalem. Thomas Jefferson dreamed of rational farm grids. Reformers tackled slums through crusades of civic architecture. To understand American space, Alex Krieger looks to the drama of utopian ideals.

Drawing from the City Oct 02 2022 Folk singer and self-taught artist draws her incredible journey from rural poverty to a life in art.

Rebel Cities: From the Right to the City to the Urban Revolution Oct 29 2019 Explores cities as the origin of revolutionary politics, where social and political issues are always at the surface, using examples from such cities as New York City and Mumbai to examine how they can be better ecologically reorganized.

City by City Jun 05 2020 A collection of essays—historical and personal—about the present and future of American cities Edited by Keith Gessen and Stephen Squibb, *City by City* is a collection of essays—historical, personal, and somewhere in between—about the present and future of American cities. It sweeps from Gold Rush, Alaska, to Miami, Florida, encompassing cities large and small, growing and failing. These essays look closely at the forces—gentrification, underemployment, politics, culture, and crime—that shape urban life. They also tell the stories of citizens whose fortunes have risen or fallen with those of the cities they call home. A cross between Hunter S. Thompson, Studs Terkel, and the Great Depression—era WPA guides to each state in the Union, *City by City* carries this project of American storytelling up to the days of our own Great Recession.

The Death and Life of Great American Cities Nov 30 2019 In this classic text, Jane Jacobs set out to produce an attack on current city planning and rebuilding and to introduce new principles by which these should be governed. The result is one of the most stimulating books on cities ever written. Throughout the post-war period, planners temperamentally unsympathetic to cities have been let loose on our urban environment. Inspired by the ideals of the Garden City or Le Corbusier's Radiant City, they have dreamt up ambitious projects based on self-contained neighbourhoods, super-blocks, rigid 'scientific' plans and endless acres of grass. Yet they seldom stop to look at what actually works on the ground. The real vitality of cities, argues Jacobs, lies in their diversity, architectural variety, teeming street life and human scale. It is only when we appreciate such fundamental realities that we can hope to create cities that are safe, interesting and economically viable, as well as places that people want to live in. 'Perhaps the most influential single work in the history of town planning... Jacobs has a powerful sense of narrative, a lively wit, a talent for surprise and the ability to touch the emotions as well as the mind' *New York Times Book Review*

Document No. 59 ... Communication from the City Inspector, with the Annual Report of Interments for 1842. (Document No. 63 ... Annual Report of the Deaths in the City and County of New York, for the year 1844.) Apr 15 2021

Summer and the City (The Carrie Diaries, Book 2) Nov 03 2022 Meet teenage Carrie Bradshaw as she hits the bright lights, big city of New York for the very first time! Find out how Carrie transforms from country girl to super-cool fashionista in the second explosive CARRIE DIARIES novel from the globally bestselling author of SEX AND THE CITY.

The Image of the City Sep 08 2020 The classic work on the evaluation of city form. What does the city's form actually mean to the people who live there? What can the city planner do to make the city's image more vivid and memorable to the city dweller? To answer these questions, Mr. Lynch, supported by studies of Los Angeles, Boston, and Jersey City, formulates a new criterion—imageability—and shows its potential value as a guide for the building and rebuilding of cities. The wide scope of this study leads to an original and vital method for the evaluation of city form. The architect, the planner, and certainly the city dweller will all want to read this book.

Lucy in the City Mar 27 2022 "An distracted young raccoon gets separated from her family one night. She discovers she can retrace her steps using smells, sights, and sounds, plus help from an owl's birds'-eye view (which looks like a map). Focuses on developing spatial thinking, understanding the world around us, and using concepts of space for problem solving"--

The Roman History, from the Foundation of the City of Rome, to the Destruction of the Western Empire. Abridged for the Use of Schools Feb 11 2021

Somewhere in the City Dec 04 2022 A young girl imagines what her father's commute looks like as he makes his way home to her.

The City of Good Death Jul 07 2020 Winner of the Restless Books Prize for New Immigrant Writing, Priyanka Champaneri's transcendent debut novel brings us inside India's holy city of Banaras, where the manager of a death hostel shepherds the dying who seek the release of a good death, while his own past refuses to let him go. Banaras, Varanasi, Kashi: India's holy city on the banks of the Ganges has many names but holds one ultimate promise for Hindus. It is the place where pilgrims come for a good death, to be released from the cycle of reincarnation by purifying fire. As the dutiful manager of a death hostel in Kashi, Pramesh welcomes the dying and assists families bound for the funeral pyres that burn constantly on the ghats. The soul is gone, the body is burnt, the time is past, he tells them. Detach. After ten years in the timeless city, Pramesh can nearly persuade himself that here, there is no past or future. He lives contentedly at the death hostel with his wife, Shobha, their young daughter, Rani, the hostel priests, his hapless but winning assistant, and the constant flow of families with their dying. But one day the past arrives in the lifeless form of a man pulled from the river—a man with an uncanny resemblance to Pramesh. Called "twins" in their childhood village, he and his cousin Sagar are inseparable until Pramesh leaves to see the outside world and Sagar stays to tend the land. After Pramesh marries Shobha, defying his family's wishes, a rift opens up between the cousins that he has long since tried to forget. Do not look back. Detach. But for Shobha, Sagar's reemergence casts a shadow over the life she's built for her family. Soon, an unwelcome guest takes up residence in the death hostel, the dying mysteriously continue to live, and Pramesh is forced to confront his own ideas about death, rebirth, and redemption. Told in lush, vivid detail and with an unforgettable cast of characters, *The City of Good Death* is a remarkable debut novel of family and love, memory and ritual, and the ways in which we honor the living and the dead. PRAISE FOR THE CITY OF GOOD DEATH "In Champaneri's ambitious, vivid debut, the dying come to the holy city of Kashi to die a good death that frees them from the burden of reincarnation.... In sharp prose, Champaneri explores the power of stories—those the characters tell themselves, those told about them, and those they believe. . . . This epic, magical story of death teems with life." —Publishers Weekly "Brimming with characters whose lives overlap and whose stories interweave, Champaneri's exquisite debut delves into the consequences of the past, and how stories that are told can become reality even when they contain barely a shred of truth. As Pramesh discovers, the bitterness of past wounds can bring hope for redemption and life." —Bridget Thoreson, Booklist "Lush prose evokes the thick, close atmosphere of Kashi and the intricate religious practices upon which life and death depend. Rumor and superstition hold sway over even the most level-headed people, twisting what's explainable into something extraordinary—with tragic consequences. . . . The City of Good Death is a breathtaking, unforgettable novel about how remembering the past is just as important as moving on." —Eileen Gonzalez, Foreword Reviews, Starred Review "Champaneri's Kashi is teeming and vivid. . . . the book frequently charms, and it's as full of humor, warmth, and mystery as Kashi's own marketplace." —Kirkus Reviews "The City of Good Death is the debut novel of Priyanka Champaneri but it has the confidence of a master storyteller. Drawing on the rich literary traditions of Salman Rushdie and Arundhati Roy, Champaneri's epic saga will satisfy armchair travelers thirsty for adventure, and sick of looking out their windows." —Chicago Review of Books "In intricate detail and with remarkable skill, Champaneri writes a powerful tale about the pull of the past and our aching need to understand the mysteries and misunderstandings that thwart our relationships. An atmospheric and immersive debut with a rich cast of characters you won't soon forget." —Marjan Kamali, author of *The Stationery Shop*

The City in American History Aug 27 2019

Maisy Goes to the City Sep 20 2021 "Paints a vibrant, tangible, and inviting world for preschool-aged readers." —Publishers Weekly Broom, vroom, beep! Maisy and Charley are in the city, and there are many things to get used to — noisy traffic, enormous buildings, and sidewalks so crowded they have to walk very slowly. Riding the escalator and elevator — and hanging on tight in the subway — are almost as much fun as exploring the giant toy store and eating pizza in a café. Even the playground is busy in the city!

Learning from the Japanese City Jan 01 2020 Japanese cities are amongst the most intriguing and confounding anywhere. Their structures, patterns of building and broader visual characteristics defy conventional urban design theories, and the book explores why this is so. Like its cities, Japan's written language is recognized as one of the most complicated, and the book is unique in revealing how the two are closely related. Set perceptively against a sweep of ideas drawn from history, geography, science, cultural and design theory, *Learning from the Japanese City* is a highly original exploration of contemporary urbanism that crosses disciplines, scales, time and space. This is a thoroughly revised and much extended version of a book that drew extensive praise in its first edition. Most parts have stood the test of time and remain. A few are replaced or removed; about a hundred figures appear for the first time. Most important is an entirely new (sixth) section. This brings together many of the urban characteristics, otherwise encountered in fragments through the book, in one walkable district of what is arguably Japan's most convenient metropolis, Nagoya. The interplay between culture, built form and cities remains at the heart of this highly readable book, while a change in subtitle to *Looking East in Urban Design* reflects increased emphasis on real places and design implications.

For the City Jan 25 2022 What makes a healthy church? Specifically, what defines a successful church in heavily populated, richly diverse areas? This book will: Explore what it means to be a church for the city God has called you to engage. Help you learn from past success stories as well as past mistakes in urban ministry. Guide you in developing a philosophy of ministry that can lead to restoration and renewal in your city. According to the United States Census Bureau, over 80% of the population lives in urban areas. Churches in or near cities have to work hard to minister effectively to a diverse group of people, welcoming those of different backgrounds, engaging both the poor and marginalized as well as the wealthy and influential. Church-planters Matt Carter and Darrin Patrick explain the biblical, theological, and historical foundations of ministry within the urban core and how to plant churches where the gospel is faithfully shared and brings substantial benefits to those living in the community. For the City relates the wisdom gleaned from years of serving their cities for the sake of God's kingdom. Carter and Patrick practically equip church leaders and Christians to look at their city as a mission field where individuals and churches can faithfully proclaim the gospel and live out the reality of a community changed and transformed by its message.

From the Garden to the City May 29 2022 Believers and unbelievers alike are saturated with technology, yet most give it little if any thought. Consumers buy and upgrade as fast as they can, largely unaware of technology's subtle yet powerful influence. In a world where technology changes almost daily, many are left to wonder: Should Christians embrace all that is happening? Are there some technologies that we need to

avoid? Does the Bible give us any guidance on how to use digital tools and social media?

A New and Improved Roman History, from the foundation of the city of Rome to its final dissolution ... in the year of Christ 476, etc Nov 10 2020

Start-Up City Jun 29 2022 "The public-private partnerships of the future will need to embody a triple-bottom-line approach that focuses on the new P3: people-planet-profit. This book is for anyone who wants to improve the way that we live in cities, without waiting for the glacial pace of change in government or corporate settings. If you are willing to go against the tide and follow some basic lessons in goal setting, experimentation, change management, financial innovation, and communication, real change in cities is possible."--Publisher's description.

The City Jul 31 2022 The City: The Basics provides a brief yet compelling overview of the study of cities and city life. The book draws on a range of perspectives - economic, political, cultural, and environmental aspects are all considered - to provide a broad comparison of the evolution of cities in the rich Global North and the poorer Global South. Topics covered in the book include: a brief history of cities from ancient times to the post-modern present the differences between "global cities" in the North and "megacities" in the South the environmental impact of urban life and the idea of sustainable cities urban planning, urban politics and urban poverty. Featuring suggestions for further reading, recommended websites and a number of maps and illustrations, this is the ideal starting point for those interested in any aspect of cities or urban studies.

Triumph of the City Feb 23 2022 Shortlisted for the Financial Times and McKinsey Best Book of the Year Award in 2011 "A masterpiece." —Steven D. Levitt, coauthor of *Freakonomics* "Bursting with insights." —The New York Times Book Review A pioneering urban economist presents a myth-shattering look at the majesty and greatness of cities America is an urban nation, yet cities get a bad rap: they're dirty, poor, unhealthy, environmentally unfriendly . . . or are they? In this revelatory book, Edward Glaeser, a leading urban economist, declares that cities are actually the healthiest, greenest, and richest (in both cultural and economic terms) places to live. He travels through history and around the globe to reveal the hidden workings of cities and how they bring out the best in humankind. Using intrepid reportage, keen analysis, and cogent argument, Glaeser makes an urgent, eloquent case for the city's importance and splendor, offering inspiring proof that the city is humanity's greatest creation and our best hope for the future.

Small in the City Nov 22 2021 It can be a little scary to be small in a big city, but this child has some good advice for a very special friend in need. Winner of the Ezra Jack Keats Award for Writer! A New York Times/New York Public Library Best Illustrated Book of the Year An ALA Notable Children's Book It can be a little scary to be small in a big city, but it helps to know you're not alone. When you're small in the city, people don't see you, and loud sounds can scare you, and knowing what to do is sometimes hard. But this little kid knows what it's like, and knows the neighborhood. And a little friendly advice can go a long way. Alleys can be good shortcuts, but some are too dark. Or, there are lots of good hiding places in the city, like under a mulberry bush or up a walnut tree. And, if the city gets to be too much, you're always welcome home, where it's safe and quiet. In the first book that he has both written and illustrated, award-winning artist Sydney Smith spins a quiet, contemplative tale about seeing a big world through little eyes. Winner of the Governor General's Literary Award A New York Times Best Children's Book of 2019 A Wall Street Journal Best Children's Book of the Year An NPR Best Kids Book of the Year A Washington Post Best Children's Book of the Year A Canadian Broadcasting Corporation Best Picture Book of the Year Named a Best Book of the Year by Publishers Weekly, Kirkus Reviews, School Library Journal, the Horn Book, Shelf Awareness, and many more! A 2019 Booklist Editors' Choice A BCCB Blue Ribbon Book

The Roman History, from the Building of the City, to the Perfect Settlement of the Empire by Augustus Cæsar ... Fourth Edition, Carefully Revis'd, and ... Improv'd. (The Roman History, from the Settlement of the Empire ... to the Removal of the Imperial Seat by Constantine the Great ... Vol. II., Etc.). Oct 10 2020

From the City to the Bush. May 17 2021 A largely self indulgent narration describing the early days of an Aussie boys life. From growing up in the big City and in the Bush there are no expectations of grandeur from the author. I have put into writing the way I see life, sometimes the good, sometimes not so good. Interspersed with just ordinary rhyming prose, the reader will need to decipher my thoughts, a poet I am not.

Estimates [of The] City of Toronto Apr 03 2020

The History of Rome from the Foundation of the City of Rome, to the Destruction of the Western Empire Jan 13 2021

Nature of the City Apr 27 2022 This is a practical guide to delivering green infrastructure from the ground up and bringing nature in to the built environment. Exploring the process of delivery through an array of design approaches and case studies, it demystifies the concept and provides the tools for practical implementation - highlighting the challenges and opportunities on both small and large projects.

The City and the Mountains Sep 01 2022

Annual Report of the City Treasurer and the Commissioners of Finance of Baltimore to the Mayor and the Members of the City Council Aug 20 2021

The City of Dreaming Books Jan 05 2023 The search for the author's identity takes Yarnspinner to Bookholm—the so-called City of Dreaming Books. On entering its streets, our hero feels as if he has opened the door of a gigantic second-hand bookshop. His nostrils are assailed by clouds of book dust, the stimulating scent of ancient leather, and the tang of printer's ink. Soon, though, Yarnspinner falls into the clutches of the city's evil genius, Pfistomel Smyke, who treacherously maroons him in the labyrinthine catacombs underneath the city, where reading books can be genuinely dangerous. In *The City of Dreaming Books*, Walter Moers transports us to a magical world where reading is a remarkable adventure. Only those intrepid souls who are prepared to join Yarnspinner on his perilous journey should read this book. We wish the rest of you a long, safe, unutterably dull and boring life!

History of Rome: from the building of the city to the ruin of the Republic ... With maps and other plates. For the use of schools Aug 08 2020
