Thrax Mar 24 2022 Myla Lewis has married Prince Lincoln, and now they're expecting! All the after-realms rejoice. Myla should be happy too, but she has a serious problem. The day after their honeymoon ended, Myla's real husband disappeared. The man who's sharing her bed is an imposter. Myla tries explaining about "Evil Lincoln," but no one will listen. The reason? People think that Myla's supernatural pregnancy is making her cray cray. Mostly because that's what Evil Lincoln is telling everyone, and that man's a great liar. What a creep. There's no way Myla will take this lying down, though. She's going to rescue her man, and she has a pretty good idea where he's being held. With her best friend, Cissy, along to help, Myla sneaks off to Earth. All she has to do is blend in with the humans, avoid Evil Lincoln, and find her real man before the baby arrives. How hard can it be?

Towers and Tithes May 02 2020 Rapunzel Meets Jane Eyre in this fairy tale romance! I'm a Tower Tithe with a Rapunzel problem. That's not as weird as it sounds. Ever wonder how Rapunzel survives without leaving her home? After all, someone must stock groceries, buy hair products and fix the plumbing. Witches don't wield toilet brushes, so "Rapunzel care" becomes the job of Tower Tithes like me. Not that we choose this gig. We're just unlucky elves who get magically chucked into servitude. Since our kind live for ages, being a Tower Tithe can drag on for thousands of years... and I'm seventeen. Yipes. That said, it wouldn't be too awful if I had a cool Rapunzel. No such luck. I serve none other than Lady R, the social media sensation and sadist who lives in Manhattan's famous Apex Towers. With the help of her manager—a witch named Jocasta—Lady R releases daily gossip videos while assigning me "torture chores." Many tasks are designed to remind me how Lady R is the gorgeous variety of elf, while I'm beyond plain. I spend a lot of time scheming my escape. And dreaming about Dex, the hot prince who is Lady R's promised happily ever after. My name is Grayson Eyre, and this is my story. Perfect for readers who love young adult books with romance, action, adventure, and one-of-a-kind worldbuilding. Scythe Dec 09 2020 "Christina Bauer has a gift with sucking you into a story and not letting go until the final sentence is over. This was one of those stories." - *The Book Herald* A prequel novella to the new series from USA Today's 'must read YA paranormal romance' author, Christina Bauer. Truth time. I go to a Learning Squirrel High School. Don't judge. On second thought, judge away. Learning Squirrel is one step above attending class in a junkyard. But what do you expect? Everything's made out of garbage these days. At least, I have my freelance work to keep Mom and me housed, clothed, and fed. How? I'm your regular high school science geek for hire... only my work manipulates space-time. These gigs pay really well, but the government wants people like me dead. Good thing I'm super careful about hiding from their detection systems. Then I screw up a job. Badly. My house slips into two-dimensional space-time. It only lasts for a few seconds, but the move still sets off about a dozen government alarms. If they track me down, Mom and I are good as dead. Long story short, I need to pay someone off, hide the evidence, and keep us safe. Unfortunately, that means asking the Scythe for help. He runs the local underground crime scene and has absolutely no conscience. Or I'm pretty sure he doesn't. It's hard to think straight when a guy's that hot in an evil Mafioso kingpin kind of way. More importantly, he's a crime lord who can conceal my slip-up with a few clicks on his minion's computer keyboards. But the Scythe has his price. In this case, he wants me to finish a certain dimensional prototype for him in twenty-four hours. I can do it, but it might mean Learning Squirrel High gets blown up in the process. Oh yes, and there's also my new hot classmate who may or may not be an alien... and he says he'll do anything to help me. This job won't be easy, but I've gotten out of worse scrapes. Maybe. Duty Bound Feb 20 2022 ***Experience the events before Angelbound from Prince Lincoln's perspective!*** As the High Prince of the demon-fighting thrax, Lincoln knows he must marry for political gain. Not that he minds. For all of his eighteen years, Lincoln's been bound to his duty. Fighting demons is his life, and he's never given romance a second thought. Instead, the High Prince lives for the days when he leaves his hidden realm to fight demons on Earth. Then, everything changes. Lincoln and his nobles become forced to visit Purgatory, the home of quasi-demons (who are mostly human with a bit of demonic DNA). Here Lincoln spies Myla Lewis, a lady warrior who enflames his heart, ignites his interest, and inspires his respect. Trouble is, Myla's also a quasi. By thrax law, Lincoln must kill anything demonic-not date them. For the first time in his life, Lincoln wonders if he'll follow his duty...or heed the demands of his heart. "Christina Bauer has blessed us, people! This book, written from Lincoln's perspective, was simply a treat that I most definitely enjoyed!" - The Reading Life

Wolves And Roses Sep 17 2021 "Fun for Twilight fans!" - School Library Journal Seventeen-year-old Bryar Rose has a problem. She's descended from one of the three magical races—shifters, fairies, or witches. That makes her one of the Magicorum, and Magicorum always follow a fairy tale life template. In Bryar's case, that template should be Sleeping Beauty. Should being the key word. Trouble is, Bryar is nowhere near the sleeping beauty life template. Not even close. She doesn't like birds or woodland creatures. She can't sing. And she certainly can't stand Prince Philpot, the so-called "His Highness of Hedge Funds" that her aunties want her to marry. Even worse, Bryar's having recurring dreams of a bad boy hottie and is obsessed with finding papyri from ancient Egypt. What's up with that? "Exciting and well-conceived" - Kirkus All Bryar wants is to attend a regular high school with normal humans and forget all about shifters, fairies, witches, and the curse that Colonel Mallory the Magnificent placed on her. And she might be able to do just that--if only she can just keep her head down until her eighteenth birthday when the spell that's ruined her life goes buh-bye. But that plan gets turned upside down when Bryar Rose meets Knox, the bad boy who's literally from her dreams. Knox is a powerful werewolf, and his presence in her life changes everything, and not just because he makes her knees turn into Jell-O. If Bryar can't figure out who—or what—she really is, it might cost both her and Knox their lives... as well as jeopardize the very nature of magic itself. Maxon Jul 28 2022 ***Only \$1.99 to celebrate the launch of KAPS, Book 5!*** Prince Maxon may be twenty-two years old now, but he's still haunted by his boyhood abduction and torture in Hell. To deal with his past, Maxon limits his present-day activities to killing demons and seducing women. No long-term relationships. No combat too dangerous. No problem, right? Wrong. Maxon's life has stalled out. The old thrills aren't there anymore, either on the battlefield or in the bedroom. While staking out his next fight, Maxon meets what seems like just another girl after a good time. What he gets is a close encounter with Lianna, a lady warrior with ties to the mysterious elemental rulers called the monarkki. It's love at first fight. Trouble is, Lianna's running from a dark history of her own, and her elemental enemies are closing in. When Lianna gets taken, Maxon realizes that after years of wrong choices and dead ends, the right woman is worth risking it all... *Angelbound Offspring* The next generation takes on Heaven, Hell, and everything in between 1. The Dark Lands Mar 12 2021 "This YA paranormal fantasy series is cute, compulsively readable and above all fun." - The Nocturnal Library Blog Nineteen-year-old Myla Lewis is loving life--she's now a wife, mother, and Queen of the Thrax. Oh yeah, and being a super-powerful demigoddess who moves souls into Heaven or Hell doesn't suck, either. In fact, everything is pretty much awesome. Until something craptastic happens. Her honorary older brother Walker enters the Dark Lands, home to the rule-loving ghouls, and vanishes without a trace. Now it's up to Myla to solve the mystery of Walker's disappearance. Of course, Myla likes interacting with ghouls about as much as elective dental surgery. To make matters harder, everyone thinks that Walker is simply taking a well-deserved vacation. But Myla and her Angelbound love, Lincoln, both suspect that a new criminal called the Viper took Walker in order to release Lucifer, the ex-King of the Angels and bloodthirsty killer. Long story short, Myla and Lincoln have only twenty four hours to rescue their good friend and stop Lucifer from taking over the after-realms. Even for them, this may be a too-tall order, especially when Lucifer's mysterious past with Myla's father threatens the very future of the after-realms. Zinnia Special Edition Nov 19 2021 "Has EVERY damn thing I want in a series ... great world building, slow-building romance, and great sidekicks!" - The Accidental Reader As the last dragon shifter, I live alone, hiding in one of Earth's sacred deserts. My human handlers tell me that I have no parents, no name, and no purpose other than to train for battle and one day become a vessel for the reincarnation of Chimera, the greatest dragon shifter of all. Sadly, Chimera's rebirth will mean my own death. But my handlers say this sacrifice is a noble fate that will rebuild the dragon shifter world. I shall die on my seventeenth birthday. That's five days from now. Then I hear music thumping across the desert. I take my mortal form, follow the sound, and find humans dancing in what they call a rave. There is a stage and a rock band. One thing quickly becomes clear: Unlike the audience, the musicians are dragon shifters, just like me. And one of them, the guitar player Rhodes, makes my knees turn watery. The lead singer, Kaps, has something strangely familiar about her. It all adds up to one conclusion: My handlers lied to me. I'm not the last of my kind. Memories reappear. I had parents once. Portia and Tempest. I even had a name. Zinnia. Perhaps I have a reason to live as well. I step past the dancing humans to confront the players. I will find out the full truth, no matter what. Duty Bound Jun 02 2020 "Christina Bauer has blessed us, people! This book, written from Lincoln's perspective, was simply a treat that I most definitely enjoyed!" - The Reading Life As the High Prince of the demon-fighting thrax, Lincoln knows he must marry for political gain. Not that he minds. For all of his eighteen years, Lincoln's been bound to his duty. Fighting demons is his life, and he's never given romance a second thought. Instead, the High Prince lives for the days when he leaves his hidden realm to fight demons on Earth. Then, everything changes. Lincoln and his nobles become forced to visit Purgatory, the home of quasi-demons (who are mostly human with a bit of demonic DNA). Here Lincoln spies Myla Lewis, a lady warrior who enflames his heart, ignites his interest, and inspires his respect. Trouble is, Myla's also a quasi. By thrax law, Lincoln must kill anything demonic—not date them. For the first time in his life, Lincoln wonders if he'll follow his duty...or heed the demands of his heart. 20,000 words. Takes place before Myla and Lincoln meet.

The Brutal Time Special Edition Apr 12 2021 "This author's words were spellbinding, I was in absolute bliss. Myla was simply awesome. What can I say more? Anything demonic fires up my thriller-y mind ... And THE BRUTAL TIME produced a fiery blaze that was pure Myla." - Book Reviews by Shalini As the Great Scala, Myla Lewis is the only being who can move Purgatory's souls to Heaven or Hell. It's a big job. Too bad Myla goes through assistants faster than a hot knife through brownies. Not that it bothers her much; Myla's always been a solo fighter. Then comes the problem of the fading angels. Millions of Heavenly residents are dying. According to a prophecy, the only way Myla can save them is by traveling back in time, meeting King Arthur, and creating her own knights of the round table. The catch? Doing so might end the after-realms in a bloody demonpocalypse. Yipes. Myla and her main squeeze, Lincoln, aren't afraid of taking a few chances (in between kisses). But with so much at risk, the stakes may be too high, even for them. And the biggest challenge of all? Finding those knights. Because Myla Lewis doesn't play well with others. At all. Alien Minds Nov 07 2020 On my 17th birthday, I wake up in the hospital to find I just survived a sketchy but terrible accident. My parents stand by my bedside--both are beautiful, wealthy, and super-nice. They tell me that once I leave the hospital, I'll attend the prestigious ECHO Academy, where I'll churn out equations for the government along with my mega-smart peers. But then there's Thorne, my brooding yet yummy classmate, who keeps telling me I need to remember my true past, which seems to have included a lot of us kissing. And worst of all, why does it feel so yucky to work on these calculations for the government? It's all supposed to be part of ECHO, but my heart tells me that I'm helping something truly terrible come to pass. Thorne seems to think that kissing him again will release my real memories. Maybe it's time to pucker up.
