**Ask!** Jun 05 2020 Your dreams become your destiny when you learn the secret art of asking! Most people have beautiful dreams deep inside—the things they would like to have, the relationships they'd love to enjoy, and the wellness and well-being that would help them express their best, in every way. But often those dreams lie buried inside us. Hidden by fear or unworthiness or a lack of awareness of what could be. Asking is the only language to which the Universe can deliver a solution, understanding, illumination, or plan. There are three distinct channels through which we can ask: Ask Yourself Ask Others Ask God You were born with a destiny. Your job is to discover it. Once you begin to practice the art and science of asking to discover your destiny and start to move toward it, you can manifest innumerable blessings for yourself and others. This isn't a complicated process; in fact, it's a simple gift that lies dormant within you. Once you learn to access that gift, everything changes for the better. Ask! will help you access your hidden dreams and reveal them to be recognized and fulfilled in miraculous ways. You matter. The world needs you to find your destiny and live it. This book is your guide. Start crossing the bridge to your destiny today!

*Chicken Soup for the Teenage Soul: The Real Deal Friends* Jan 01 2020 Friends. You gotta have 'em, but sometimes they drive you crazy. You love 'em, but sometimes they make you mad. They'll help you through a crisis...unless they are the crisis. So What's the Deal? Friends are more than just the people you hang out with. They make you laugh, they keep your secrets, they offer advice (some good, some bad), they give you a shoulder to cry on. Sometimes they move away, or betray your trust, or flake out, but mostly they are the people who are always there for you. And they know you'll be there when they need you most. Because that's what it means to be a friend. Sometimes friendship is overwhelming, sometimes it's confusing, sometimes you feel like you don't have a friend in the world, but don't worry, it's like that for everyone. That's what the stories in this book are all about. They're from real teens, and they're about the bizarre, difficult and wonderful things that really happened to them and their friends. Put that together with weird facts, cool graphics, fun advice and quizzes designed to help you figure out what you and your friends are all about, and you've got the real deal on friendship!

**The Soul of Success** Sep 08 2020 Success is a concept universally embraced but individually defined. Our definition of success truly depends on our individual goals. For example, your goal might be monetary, a physical accomplishment or a moral achievement. To flesh out this topic, we are adding a few comments made by famous and successful people in diverse fields - similar and familiar concepts to those put forward by the Premier Experts(r) in this book. Success is to be measured not so much by the position that one has reached in life as by the obstacles which he has overcome while trying to succeed. Booker T. Washington You can succeed best and quickest by helping others to succeed. Napoleon Hill The difference between a successful person and others is not a lack of strength, not a lack of knowledge, but rather a lack in will. Vince Lombardi Nothing can stop the man with the right mental attitude from achieving his goal; nothing on earth can help the man with the wrong mental attitude. Thomas Jefferson In our New Economy, the acquisition of success has been reformatted somewhat by business and industry even though its principles remain the same. The Electronic Revolution has changed the economic landscape as much as the Industrial Revolution. We now live more and more in "real time" and expect others to do the same. This era of instant communication has changed the ways in which we communicate and expect responses. To succeed today, it is useful, perhaps essential, to have a mentor. Errors will be made, but to minimize them will speed up your journey. The Premier Experts(r) in this book will help you along the way. They have been there and know the road. Who would be better to guide you? They will illuminate your path to The Soul Of Success..

**I Can Believe in Myself** May 29 2022 A delightful but powerful story that offers children lifelong lessons about believing in themselves, bolstering their self-esteem, and turning the words "I Can't" into "I Can!" Molly has been chosen to be the next Star of the Day! Most kids would be excited. Molly, however, is terrified! She just can't speak in front of her class. She worries all day. She frets all night. "I can't . . . I can't," Molly convinces herself. Or can she? I Can Believe in Myself is a book that challenges children to change the way they think. Other themes in this book include compassion, confidence, and self-esteem as Molly convinces her classmates--and even her teacher--that they can, indeed, change their perceptions and do things they never thought possible.

**You've GOT to Read This Book!** Dec 12 2020 There's nothing better than a book you can't put down—or better yet, a book you'll never forget. This book puts the power of transformational reading into your hands. Jack Canfield, cocreator of the bestselling Chicken Soup for the Soul® series, and self-actualization pioneer Gay Hendricks have invited notable people to share personal stories of books that changed their lives. What book shaped their outlook and habits? Helped them navigate rough seas? Spurred them to satisfaction and success? The contributors include Dave Barry, Stephen Covey, Malachy McCourt, Jacquelyn Mitchard, Mark Victor Hansen, John Gray, Christiane Northrup, Bernie Siegel, Craig Newmark, Michael E. Gerber, Lou Holtz, and Pat Williams, to name just a few. Their richly varied stories are poignant, energizing, and entertaining. Author and actor Malachy McCourt tells how a tattered biography of Gandhi, stumbled on in his youth, offered a shining example of true humility—and planted the seeds that would help support his sobriety decades later. Bestselling author and physician Bernie Siegel, M.D., tells how William Saroyan's The Human Comedy helped him realize that, in order to successfully treat his patients with life-threatening illnesses, "I had to help them live—not just prevent them from dying." Actress Catherine Oxenberg reveals how, at a life crossroads and struggling with bulimia, a book taught her the transforming difference one person could make in the life of another—and why that person for her was Richard Burton. Rafe Esquith, the award-winning teacher whose inner-city students have performed Shakespeare all over the world, recounts his deep self-doubt in the midst of his success—and how reading To Kill a Mockingbird strengthened him to continue teaching. Beloved librarian and bestselling author Nancy Pearl writes how, at age ten, Robert Heinlein's science fiction book Space Cadet impressed on her the meaning of personal integrity and gave her a vision of world peace she'd never imagined possible. Two years later, she marched in her first civil rights demonstration and learned that there's always a way to make "a small contribution to intergalactic harmony." If you're looking for insight and illumination—or simply for that next great book to read—You've Got to Read This Book! has treasures in store for you.
