The Billionaire Murders Oct 02 2020 NATIONAL BESTSELLER A top journalist crosses the yellow tape to investigate a shocking high-society crime. Billionaires, philanthropists, socialites . . . victims. Barry and Honey Sherman appeared to lead charmed lives. But the world was shocked in late 2017 when their bodies were found in a bizarre tableau in their elegant Toronto home. First described as murder-suicide — belts looped around their necks, they were found seated beside their basement swimming pool — police later ruled it a staged, targeted double murder. Nothing about the case made sense to friends of the founder of one of the world's largest generic pharmaceutical firms and his wife, a powerhouse in Canada's charity world. Together, their wealth has been estimated at well over \$4.7 billion. There was another side to the story. A strategic genius who built a large generic drug company — Apotex Inc. — Barry Sherman was a self-described workaholic, renowned risk-taker, and disruptor during his fifty-year career. Regarded as a generous friend by many, Sherman was also feared by others. He was criticized for stifling academic freedom and using the courts to win at all costs. Upset with building issues at his mansion, he sued and recouped millions from tradespeople. At the time of his death, Sherman had just won a decades-old legal case involving four cousins who wanted 20 percent of his fortune. Toronto Star investigative journalist Kevin Donovan chronicles the unsettling story from the beginning, interviewing family members, friends, and colleagues, and sheds new light on the Shermans' lives and the disturbing double murder. Deeply researched and authoritative, *The Billionaire Murders* is a compulsively readable tale of a strange and perplexing crime.

Rules of Attraction Nov 22 2019 She makes an exception to attend her best friend's birthday party instead of being with her family, and that's when she meets him. He was charming, and she had a great time talking to him. When she found out who he was, she knew she had to stay away from him. Their families had a history, and the best thing to do was to avoid him. With every unexpected encounter the attraction between them grew. Will the rift between their families curb the growing attraction between them? Was surrendering to the sheer attraction between them, the only option? *Rules of Attraction* is a passionate contemporary romance with a happy ending.

The Billionaire Submissive Jan 17 2022 Donovan Morgan rules his billion-dollar international company with an iron fist. But in the privacy of his bedroom, he hungers for an iron lady to rule his body. Lilly Harrison helps her clients tame their personal demons by taming them. Lots of

men—blue collar to white collar—enjoy female domination. But the ultra-rich and powerful CEO is alpha to the core. In public, that is. Donovan selects his potential Mistress as carefully as a prime investment opportunity, and negotiates a contract as tight and binding as any corporate takeover. He must ensure his privacy at all cost—even if he has to resort to a little blackmail to ensure her full cooperation. When the indomitable Miss Harrison laughs in his face, tears his contract up, and walks out without a backward glance, it seals the deal. Donovan will have her. Even if she makes him crawl to her side. Each story in the Billionaires in Bondage series is a standalone story that can be enjoyed in any order. Series order: Book #1: The Billionaire Submissive Book #2: The Billionaire's Ink Mistress Book #3: The Billionaire's Christmas Bargain

The Billionaire's Bride of Convenience Jun 10 2021 Kathryn thought she knew Hugh Parkinson, a charming, rakish playboy who was used to women being served to him on a plate. In his eyes she was just his utterly efficient, slightly uptight assistant. Until she nearly lost the thing that mattered most to her, and unexpectedly Hugh was there to help: he was prepared to marry her! But the catch... Hugh wanted this convenient marriage to keep Kathryn not only as his trusty assistant—but also to warm his bed....

The Billionaire's Fake Fiancé Feb 06 2021 “I’m no Prince Charming, and the last thing I need is a Cinderella.” ~Surly, grumpy billionaire boss Rex O’Rourke My instructions were simple: get me a fake fiancé who’s not my type at all. Have her on my jet Monday morning, dressed for a yacht vacation. I need a woman believable enough to convince a certain client that I’ve changed my playboy ways...yet too annoying to tempt me—no emotional entanglements, thank you very much. This is business only. If she’s unfazed by my looks and wealth, all the better. Should be easy. Right? Apparently not, because my people go and hire Tabitha. My hairdresser. What were they thinking? Yes, I said annoying, but I didn’t mean her, the most aggravating woman in the world. Tabitha is sunshiny. She has a pet hamster. She loves Hello Kitty, and she gets under my skin like nobody else. As if that’s not bad enough, the minute we step on deck, she thinks that certain people on the yacht are up to something shady—based completely on her soap opera knowledge. She won’t listen when I tell her she’s being ridiculous. But as the days go by, I find that we’re actually having fun. And our fake kisses are heating up. And suddenly her wild theories aren’t sounding so strange after all...

Millionaires for the Month Sep 13 2021 How would you spend five million dollars in 30 days? A billionaire's wallet, a bizarre challenge, and an unlikely friendship send two kids on a wild adventure. From the author of *The Miscalculations of Lightning Girl*. Felix Rannells and Benji Porter were never supposed to be field-trip partners. Felix is a rule follower. Benji is a rule bender. They're not friends. And they don't have anything to talk about. Until . . . They find a wallet. A wallet that belongs to tech billionaire Laura Friendly. They're totally going to return it—but not before Benji "borrows" twenty dollars to buy hot dogs. Because twenty dollars is like a penny to a billionaire, right? But a penny has value. A penny doubled every day for thirty days is \$5,368,709.12! So that's exactly how much money Laura Friendly challenges Felix and Benji to spend. They have thirty days. They can't tell anyone. And there are LOTS of other rules. But if they succeed, they each get ten million dollars to spend however they want. Challenge accepted! They rent cool cars, go to Disney World, buy pizza for the whole school—and that's just the beginning! But money can't buy everything or fix every problem. And spending it isn't always as easy and fun as they thought it would be. . . . As smart as it is entertaining, *Millionaires for the Month* is a thought-provoking story about friendship, privilege, and the value of a penny.

Breaking The Playboy's Rules Jul 31 2020 Isn't the best part of making rules – breaking them...? The emptiness of the Outback couldn't be more different from London, yet isolation and solitude is just what heartbroken nurse Emma Matheson needs from her Australian escape. But flying medic and notorious ladies' man Harry Connor can't put his undeniable attraction to Emma on autopilot. The chemistry between them is hotter than the Australian sun, and as their feelings grow stronger Harry finds that he's not following procedure...

Rule #8 Jan 25 2020 He wasn't supposed to be nice. This changes everything. I'm just trying to survive. Mom's dead. Dad's gone crazy. And I'm alone. Senior year is about to start and I can't imagine my life getting any worse. Enter Lucas. The rich, snobby kid who's been banished here by his parents to, I don't know, learn how the poor slum it or something. He's everywhere. Infiltrating my safe places and causing my emotions to spin out of control. If only I can figure out what his angle is, I might actually survive. And then, things change. I begin to

realize there's more depth to him than he's letting on. I didn't expect this. What am I going to do? My heart's already so broken and I'm not sure I can take the chance that I so desperately want to. Losing someone I loved already crushed me once. What if Lucas leaves me too?

The Billionaire's Fake Fiancé Mar 07 2021 I'm no Prince Charming, and the last thing I want is a Cinderella. My instructions were simple: scour the city for a fake fiancé who's not my type at all. Have her on my jet Monday morning, dressed appropriately for a yacht vacation. I need a woman believable enough to convince a certain client that I've changed my playboy ways...yet nothing like the supermodels and socialites I usually have on my arm. Somebody too annoying to tempt me--no emotional entanglements, thank you very much. This is business only. If she's unfazed by my looks and wealth, all the better. Should be easy. Right? Apparently not, because my people go and hire Tabitha. My hairdresser. What were they thinking? Yes, I said annoying, but I didn't mean Tabitha, the most frustrating woman in the world. Tabitha is sunshine. She has a pet hamster. She loves Hello Kitty, and she gets under my skin like nobody else. As if that's not bad enough, the minute we step on deck, she thinks that certain people on the yacht are up to something shady--based completely on her soap opera knowledge. She won't listen when I tell her she's being ridiculous. But as the days go by, I find that we're actually having fun. And our fake kisses are heating up. And suddenly her wild theories aren't sounding so strange after all...

Just Not That Into Billionaires Oct 26 2022 "I LOVE THIS BOOK!...It's like the literary version of Ted Lasso, where you find yourself grinning when you're done, yet never felt the smile develop on your face."~ Dolly R. Sickles, All About Romance I get the shock of my life when I discover I've been married—for the last 10 years—to surly, nerdy Benny, my work frenemy from a long-ago summer job in Vegas. Excuuuuuse me? How in the world did we end up married? Though there was a certain drunken night.... I track Benny down, and I can't believe how much he's changed—from total geek to sexy, wolfish billionaire. Naturally I assume he'll be as stunned about the marriage as I am, and that he'll be happy to dissolve our accidental union ASAP, which is what I really need him to do. How wrong I am. Benny will sign the paperwork...for a price: I have to spend the next three weeks playing his adoring wife.

Standalone read! The romcom books in this series are set in the same world. Each can be read as a pure standalone with a guaranteed happily ever after, perfect for fans of Pippa Grant, Meghan Quinn, and Lauren Landish. This is the 6th novel in the Billionaires of Manhattan laugh-out-loud romantic comedy series. Butt-dialing the Billionaire Apr 20 2022 My imitation of our billionaire boss had everyone laughing. Well...almost everyone. Worst. Butt-dial. Ever! But I'm not worried: we're tight like family in this office—no way will my co-workers rat me out. Plus, who brings the cookies? Moi! Things die down after a few months, and I'm pretty sure I'm safe. Thank goodness, because I have my hands full with our lazy, arrogant new office gopher. He has the worst work ethic I've ever seen—how did he even get hired? He's so nosy about the butt-dial. He doesn't know how

to work a vending machine, and he's baffled when we send around a card to be signed for somebody's birthday. It's as if he's never set foot in a place of business in his life. But little by little, we're drawing closer. He's funny. Sexy. Wicked. Still, he's all wrong for me. I like respectable men with a work ethic. Also, I can't shake the feeling that he's hiding something...

Pity the Billionaire Aug 20 2019 From the bestselling author of *What's the Matter with Kansas?*, a wonderfully insightful and sardonic look at why the worst economy since the 1930s has brought about the revival of conservatism Economic catastrophe usually brings social protest and demands for change—or at least it's supposed to. But when Thomas Frank set out in 2009 to look for expressions of American discontent, all he could find were loud demands that the economic system be made even harsher on the recession's victims and that society's traditional winners receive even grander prizes. The American Right, which had seemed moribund after the election of 2008, was strangely reinvigorated by the arrival of hard times. The Tea Party movement demanded not that we question the failed system but that we reaffirm our commitment to it. Republicans in Congress embarked on a bold strategy of total opposition to the liberal state. And TV phenom Glenn Beck demonstrated the commercial potential of heroic paranoia and the purest libertarian economics. In *Pity the Billionaire*, Frank, the great chronicler of American paradox, examines the peculiar mechanism by which dire economic circumstances have delivered wildly unexpected political results. Using firsthand reporting, a deep knowledge of the American Right, and a wicked sense of humor, he gives us the first full diagnosis of the cultural malady that has transformed collapse into profit, reconceived the Founding Fathers as heroes from an Ayn Rand novel, and enlisted the powerless in a fan club for the prosperous. The understanding Frank reaches is at once startling, original, and profound.

The Richest Man In Babylon. Illustrated Sep 01 2020 To fulfill all his wildest dreams, modern man must first use principles of personal financial management to succeed in matters of money. The financial plan outlined in this book is an accessible and fascinating modern economic approach to getting rich. George Samuel Clayson wrote and published the collected essays on austerity and financial success over four years. The book demonstrates key principles in money management through stories and parables set in Ancient Babylon and recounted by Arkad, a formerly poor scribe who became the richest man in Babylon. The original pamphlets were read by millions of people and the "The Richest Man in Babylon" endures as a recommended modern literature classic on economics, financial management and self-development. Other well known book: *The Intelligent Investor* (Benjamin Graham), *Think and Grow Rich* (Napoleon Hill) The text is reproduced from the original publications of 1920-1924.

5 Rules for Networking with Millionaires & Billionaires Oct 14 2021 Wealthy and highly successful people are attracted to individuals who embody specific characteristics, qualities, values and those who operate in a certain way. Their circles are guarded, their time is

protected, their money is off limits, and for centuries these circles have been impossible to gain access to. Thanks to a fresh wave of technology and connectivity, many of them are now just one person away from you. "5 Rules For Networking With Millionaires & Billionaires" reveals the steps and strategies for connecting to the world's wealthiest people and how to leverage them to become one yourself.

7 Billionaire's Rules for Success Nov 27 2022 The purpose of this book is to identify some of the successful strategies employed by people such as Warren Buffett, Elon Musk, Steve Jobs, Donald Trump, Carlos Slim, Mark Zuckerberg and Richard Branson. These businessmen, all incredibly successful in their respective fields of expertise, share another thing in common: they're all billionaires! If simply working long hours was the key to success, there would undoubtedly be many more billionaires. Why is this the case? Ultimately, the answer to this question is the difference between struggling financially and becoming a billionaire. However, the purpose of this book is not to tell you exactly how to become a billionaire, but to identify approaches that highly successful billionaires have taken on their path to success. Table of Contents Introduction The Trump Rule: Solve Big Problems The Musk Rule: How to Focus on Your Select Few The Branson Rule: Strategic Priorities The Jobs Rule: The Power of One The Buffett Rule: Work in 90 Minute Sprints The Zuckerberg Rule: Rising and Setting Rituals The Slim Rule: Learn less, study more Conclusion

Off Limits Dec 24 2019 Alec: I'm in my thirties and life is...well not boring, but uneventful despite being CEO of the family company. Just how I like it. Then I meet Lumen, a woman who challenges everything in such an irresistible way. For once in my life I can see myself in a relationship. There's one problem though, she's off limits. Lumen: Growing up in foster care wasn't the nightmare for me as it was for some, but life hasn't been easy. I work hard, focus on my goals, and I never let things distract me, specifically men and relationships. Until one rainy Seattle night when a gorgeous hunk walks into the spa where I work. When billionaire Alec McCrae mistakes Lumen Browne's workplace for a "happy ending" massage parlor, things get more complicated than he prefers. Especially when their lives become entwined in ways never imagined. Don't miss Off Limits, the first book in The Scottish Billionaire, M. S. Parker's latest romance series.

The Richest Man in Babylon Apr 27 2020 First published in 1926, 'The Richest Man in Babylon' is an inspirational classic that is celebrated as the greatest of books on finances by George S. Clason, an American author. Clason was a successful businessman who founded the Clason Map Company of Denver, Colorado, and published the first road atlas of the United States and Canada. This book was initially a prominent series of pamphlets on thrift and financial success, using parables set in ancient Babylon, written by Clason, and circulated in

large quantities by banks and insurance companies and later became familiar to millions. It is a timeless classic, revealing the secrets to making money and keeping it. It reveals the secrets to wealth, providing priceless guidance, advice, unforgettable parables, financial problem-solving tools, and invaluable information which will get you on your way to prosperity. This book is an essential read for all who want to attain financial well-being. The parables are told by a fictional Babylonian character called Arkad, a poor scribe who evolved as the richest man in Babylon. Incorporated in Arkad's advice are the 'Seven Cures' (or how to generate money and wealth), and the 'Five Laws of Gold' (or how to protect and invest wealth). An essence of Arkad's advice is around 'paying yourself first', 'living within your means', 'investing in what you know', the importance of 'long-term saving', and 'homeownership'. The Billionaire's Rules Short Story May 21 2022 One woman I'm married to, one woman I need, and how to keep them apart... Steele was never supposed to see us together like that, but she had, now what would I do? Two years of marriage and I'd never been happier, or so I thought until my wife turned into a sexy little vixen who was trying hard to keep my sexual attention. Passion, desire, and unadulterated lust poured from my wife, a woman who'd let her job take her over, but I had too, so I had no room to talk. My idea to spice things up turned up the heat we naturally had, but not the way I had planned. Things got out of hand and it was up to me to get them back under control. Could I do it before my little secret would be revealed? Or would my secret have my world crashing down on me?

For His Pleasure (Books One and Two) Aug 24 2022 For His Pleasure is a New York Times and USA Today bestselling series, and with each new book in the series, the romance only gets hotter... Misunderstanding the Billionaire's Heir Aug 12 2021 He wasn't supposed to be nice. This changes everything. Charlotte Robinson has one goal: survive her senior year. Well, if she's truthful, it's actually to survive her new life without her mom. Which would be a lot easier to do if her dad was actually dealing with the death. Instead, he's buried himself in so many abandoned vehicles that their yard has turned into a suburban junkyard and it's just a matter of time before the city intervenes. When Lucas Addington, the obnoxious rich kid who's been banished to the small town of Sweet Water, douses her in his caramel macchiato, she's pretty

sure she's reached her lowest low. But that's only the beginning. He's conceited and spoiled--everything she expected from a billionaire's heir--until things begin to change. Suddenly, she finds herself drawn to him for reasons she can't explain. He makes her feel safe and wanted, something she'd forgotten how to feel. Just when she allows herself to open up to him, her life comes crashing down around her. Now Charlotte must decide if she can fix her crumbling life and keep Lucas, or fail and lose everything she holds dear...again. 1 town. 1 high school. 12 sweet romances. Read *Misunderstanding the Billionaire's Heir* from Anne-Marie Meyer. It is the first installment of the Sweet Water High Multi-Author Series.

The Billionaire Raj Nov 03 2020 A colorful and revealing portrait of the rise of India's new billionaire class in a radically unequal society India is the world's largest democracy, with more than one billion people and an economy expanding faster than China's. But the rewards of this growth have been far from evenly shared, and the country's top 1% now own nearly 60% of its wealth. In megacities like Mumbai, where half the population live in slums, the extraordinary riches of India's new dynasties echo the Vanderbilts and Rockefellers of America's Gilded Age, funneling profits from huge conglomerates into lifestyles of conspicuous consumption. James Crabtree's *The Billionaire Raj* takes readers on a personal journey to meet these reclusive billionaires, fugitive tycoons, and shadowy political power brokers. From the sky terrace of the world's most expensive home to impoverished villages and mass political rallies, Crabtree dramatizes the battle between crony capitalists and economic reformers, revealing a tense struggle between equality and privilege playing out against a combustible backdrop of aspiration, class, and caste. *The Billionaire Raj* is a vivid account of a divided society on the cusp of transformation—and a struggle that will shape not just India's future, but the world's.

Simon Kuper, *New Statesman* 2019: democracy is eating itself, inequality is skyrocketing, the system is breaking apart. Why? Because in 1962, some bankers in London had an idea that changed the world. That idea was called 'offshore'. It meant that, for the first time, thieves could dream big. They could take everything. Join investigative journalist Oliver Bullough on a journey into the hidden world of the new global kleptocrats. See the poor countries where public money is stolen and the rich ones where it is laundered and invested. Watch the crooks at work and at play, and meet their respectable, white-collar enablers. Learn how the new system works and begin to see how we can tackle it.

Secrets of the Millionaire Mind Feb 24 2020 *Secrets of the Millionaire Mind* reveals the missing link between wanting success and achieving it! Have you ever wondered why some people seem to get rich easily, while others are destined for a life of financial struggle? Is the difference found in their education, intelligence, skills, timing, work habits, contacts, luck, or their choice of jobs, businesses, or investments? The shocking answer is: None of the above! In his groundbreaking *Secrets of the Millionaire Mind*, T. Harv Eker states: "Give me five

minutes, and I can predict your financial future for the rest of your life!" Eker does this by identifying your "money and success blueprint." We all have a personal money blueprint ingrained in our subconscious minds, and it is this blueprint, more than anything, that will determine our financial lives. You can know everything about marketing, sales, negotiations, stocks, real estate, and the world of finance, but if your money blueprint is not set for a high level of success, you will never have a lot of money—and if somehow you do, you will most likely lose it! The good news is that now you can actually reset your money blueprint to create natural and automatic success. *Secrets of the Millionaire Mind* is two books in one. Part I explains how your money blueprint works. Through Eker's rare combination of street smarts, humor, and heart, you will learn how your childhood influences have shaped your financial destiny. You will also learn how to identify your own money blueprint and "revise" it to not only create success but, more important, to keep and continually grow it. In Part II you will be introduced to seventeen "Wealth Files," which describe exactly how rich people think and act differently than most poor and middle-class people. Each Wealth File includes action steps for you to practice in the real world in order to dramatically increase your income and accumulate wealth. If you are not doing as well financially as you would like, you will have to change your money blueprint. Unfortunately your current money blueprint will tend to stay with you for the rest of your life, unless you identify and revise it, and that's exactly what you will do with the help of this extraordinary book. According to T. Harv Eker, it's simple. If you think like rich people think and do what rich people do, chances are you'll get rich too!

Breaking Rules Nov 15 2021 Alec: Lumen is amazing. She brings out the playful, relaxed side of me, but fate doesn't seem to agree we belong together. And now, my ex pops back into my life and wants to make a go of it again so our daughter can have a real family. I'm torn between what's best for my daughter or following my feelings for Lumen. Lumen: Just when our relationship was going great, Alec basically blows me off the minute his ex is back in town. He texted that he needs a break while he figures out what's going on with his family. And to add fuel to the fire, someone told my principal about the massage parlor job I had before I started teaching, like it was something illegal. Who else knew about that job but Alec? I'm crushed. This is why I don't do relationships. Third-grade teacher Lumen Browne and multi-billionaire CEO Alec McCrae are an unlikely couple, but they're willing to defy the odds. As they struggle to fit into each other's lives, they must decide if they're willing to fight for their love...or walk away. Don't miss *Breaking Rules*, the second book in *The Scottish Billionaire*, M. S. Parker's latest romance series.

Mine! Oct 22 2019 "Mine" is one of the first words babies learn, and by the time we grow up, the idea of ownership seems natural, whether we are buying a cup of coffee or a house. But who controls the space behind your airplane seat: you, reclining, or the squished laptop user behind you? Why is plagiarism wrong, but it's okay to knock off a recipe or a dress design? And after a snowstorm, why does a chair in the street hold your parking space in Chicago, while in New York you lose both the space and the chair? In *Mine!*, Michael Heller and James Salzman, two of the world's leading authorities on ownership, explain these puzzles and many more. Remarkably, they reveal, there are just six simple rules that everyone uses to claim everything. Owners choose the rule that steers us to do what they want. But we can pick differently. This is true not just for airplane seats, but also for battles over digital privacy, climate change, and wealth inequality. *Mine!* draws on mind-bending, often infuriating, and always fascinating accounts from business, history, courtrooms, and everyday life to reveal how the rules of ownership control our lives and shape our world.
