Jonathan Pie: Off The Record Jun 11 2021 Want to know more about history and politics? Then you should probably go and read a proper book. Fancy a laugh at some smutty jokes? Then go and read Viz. But if you fancy a combination of the two, this is the book for you. In *Off The Record*, bitter and twisted leftie news reporter Jonathan Pie picks ten of the world's worst wankers and tears them apart. Here you'll find the answers to some difficult questions. Was Blair just a Tory in disguise? Did Cameron really have sexual relations with that pig? Just how the fuck did we end up with President Donald Trump? It's the ultimate guide to political arseholery. With extra swearing.

The Routledge Handbook of the Ethics of Consent Oct 03 2020 While the importance of consent has been discussed widely over the last few decades, interest in its study has received renewed attention in recent years, particularly regarding medical treatment, clinical research and sexual acts. The Routledge Handbook of the Ethics of Consent is an outstanding reference source to this exciting subject and the first collection of its kind. Comprising over thirty chapters by a team of international contributors, the Handbook is divided into five main parts: • General questions • Normative ethics • Legal theory • Medical ethics • Political philosophy. Within these sections central issues, debates and problems are examined, including: the nature and normative importance of consent, paternalism, exploitation and coercion, privacy, sexual consent, consent and criminal law, informed consent, organ donation, clinical research, and consent theory of political obligation and authority. The Routledge Handbook of the Ethics of Consent is essential reading for students and researchers in moral theory, applied ethics, medical ethics, philosophy of law and political philosophy. This volume will also be very useful for those in related fields, such as political science, law, medicine and social science.

The Devil and Tom Walker Oct 27 2022 The Devil and Tom Walker

The Devil and Tom Walker Jun 30 2020 The Devil himself narrates this uniquely American Faust story, told with a rousing and beautiful folk-inspired score. Old Scratch is challenged when the miserly and slothful Tom Walker refuses to trade his soul for treasure. But after doing Tom the favor of getting rid of his pesky wife, the Devil is able to strike a deal, making Tom a wealthy lender to the foolish and seedy of the aristocracy. When one of his clients commits suicide, Tom realizes his own mortality and seeks absolution to avoid his fate, resulting in a darkly comical cautionary tale of the price of avarice.

Why We Sleep Aug 21 2019 "Sleep is one of the most important but least understood aspects of our life, wellness, and longevity ... An explosion of scientific discoveries in the last twenty years has shed new light on this fundamental aspect of our lives. Now ... neuroscientist and sleep expert Matthew Walker gives us a new understanding of the vital importance of sleep and dreaming"--Amazon.com.

Building the Alaska Log Home Dec 17 2021 BUILDING THE ALASKA LOG HOME includes everything you need to build with logs. The detailed drawings and insightful text in which Walker explains every step clearly and concisely take you from standing timber to the finished home.

Lost in Space: The Story of Tom Walker Apr 09 2021 In a glimpse of a far future, 11 year-old Tom Walker ventures through the vast world of space to find his father, a famous and respectable astronaut who disappeared mysteriously during a space exploration journey. With his brother and sisters by his side, and only a small amount of resources to start with, will Tom be able to surmount the challenges ahead of him and find his missing father, or will he go missing too?

Ethics and Chronic Illness Jan 18 2022 This book provides an account of the ethics of chronic illness. Chronic illness differs from other illnesses in that it is often incurable, patients can live with it for many years, and its day-to-day management is typically carried out by the patient or members of their family. These features problematise key distinctions that underlie much existing work in medical ethics including those between beneficence and autonomy, between treatment and prevention, and between the recipient and provider of treatment. The author carries out a detailed reappraisal of the roles of both autonomy and beneficence across the different stages of treatment for a range of chronic illnesses. A central part of the author's argument is that in the treatment of chronic illness, the patient and/or the patient's family should be seen as acting with healthcare professionals to achieve a common aim. This aspect opens up unexplored questions such as what healthcare professionals should do when patients are managing their illness poorly, the ethical implications of patients being responsible for parts of their treatment, and how to navigate sharing information with those directly involved in patient care without violating privacy or breaching confidentiality. The author addresses these challenges by engaging with philosophical work on shared commitments and joint action, responsibility and justice, and privacy and confidentiality. The Ethics of Chronic Illness provides a new, and much needed, critical reappraisal of healthcare professionals' obligations to their patients. It will be of interests to academics working in bioethics and medical ethics, philosophers interested in the topics of autonomy, responsibility, and consent, and medical practitioners who treat patients with chronic illness.

100 Great Short Stories Nov 23 2019 "This is a wonderful collection of authors from America and around the world. Centuries are covered, making this a great resource for English teachers and any lover of literature." — Life Community Church This treasury of one hundred tales offers students and other readers of short fiction a splendid selection of stories by masters of the form. Contributors from around the world include Edgar Allan Poe, Harriet Beecher Stowe, Guy de Maupassant, Charles Dickens, Anton Chekhov, Mark Twain, Saki, Luigi Pirandello, Kate Chopin, and Ring Lardner. The stories, which are arranged chronologically, begin with tales by Daniel Defoe ("The Apparition of Mrs. Veal," 1705), Benjamin Franklin ("Alice Addertongue," 1732), and Washington Irving ("The Devil and Tom Walker," 1824). Highlights from the nineteenth century include Ivan Turgenev's "The District Doctor" (1852), Sarah Orne Jewett's

"A White Heron" (1886), Thomas Hardy's "Squire Petrick's Lady" (1891), and Rudyard Kipling's "Wee Willie Winkie" (1899). From the twentieth century come James Joyce's "Araby" (1914), Franz Kafka's "The Judgment" (1916), Virginia Woolf's "The Mark on the Wall" (1921), "The Broken Boot" (1923) by John Galsworthy, and many others. "A fabulous collections of stories sure to please any reader! The chronological layout is perfect for those looking to explore the development of stories over time and their relation to society." — Whitchurch-Stouffville Public Library

Tales of a Traveller Mar 28 2020 This collection by the author of *The Legend of Sleepy Hollow* recounts the experiences of an American abroad in the early nineteenth century. In *Tales of a Traveller*, renowned essayist and short story writer Washington Irving turns his talents to the genre of travel writing. Based on his excursions across Europe, Irving tells of the people he meets in France, England, Italy, and elsewhere, recounting the many tall tales they tell him. First published in 1824, this collection includes the narrative of a young German student living in Paris during the French Revolution; an account of Italian bandits who prey on travelers on the road to Naples; and legends of the pirate Captain Kidd, including the story "The Devil and Tom Walker," which served as the inspiration for Stephen Vincent Benét's "The Devil and Daniel Webster."

The Force Is With Us Sep 02 2020 Inspired by encounters with his son from beyond the grave, Tom Walker went searching for answers. He discovered that paranormal phenomena have not only been exhaustively studied, but that scientific evidence exists to support it. He uncovered numerous scientific studies involving telepathy, clairvoyance, precognition, and psychokinesis, as well as government-funded scientists who proved their validity. Through his research, Walker eventually came to the belief that there is a force in the world that makes things happen. The force, an energy field that permeates the universe, forms and sustains all things, and is the basis behind paranormal phenomena and alternative forms of healing. He describes his provocative conclusions in this book. Making compelling connections between ideas like the Great Void and "dark matter," between Ch'i and quantum fields, Walker argues that it is our connection with the higher planes of consciousness — the fundamental quantum reality — that truly makes up the world.

The Devil and Tom Walker Sep 26 2022

Wild and Crazy May 30 2020 "The funniest photographs of wildlife from around the world collected here in one ... book [intended] for animal lovers of all stripes"--

Signed Confessions Jul 12 2021 Guilt and a desperate need to repent drive the antiheroes in Tom Walker's dark (and often darkly funny) stories: A gullible journalist falls for the 40-year-old stripper he profiles in a magazine. A faithless husband abandons his family and joins a support group for lost souls. A merciless prosecuting attorney grapples with the suicide of his gay son. An aging misanthrope must make amends to five former victims. An egoistic naval hero is haunted by apparitions of his dead wife and a mysterious little girl. The seven tales in *Signed Confessions* measure how far guilty men will go to obtain a forgiveness no one can grant but themselves."

Alaska Wildlife Oct 15 2021 Tom Walker, Alaska's premier wildlife photographer, presents the state's well-know wildlife along with its more unusual species in the incredible selections of photos taken for this book. The text is the fascinating story of how and why he obtains these marvelous pictures.

River of Bears Nov 04 2020 Photographs and text document the largest gathering of bears in the world at the McNeil River State Game Sanctuary in Alaska

The Devil and Tom Walker Mar 20 2022 It is 1899. A man has been shot. His senseless death is of as little concern to us as was his equally irrelevant life. It is the shooter to whom we must turn our attention. More specifically, to the whys that led to that desperate act. But we speak now of the future, the same future which will see the rise to national prominence of the Larkin manufacturing Company and its bringing Frank Lloyd Wright to Buffalo to design not only its headquarters but the homes of many of the company's officials. Enter a world of society, music, spiritualism, the Pan American Exposition, electricity, the automobile (after the popularity of the bicycle), and the assassination of not one but two Presidents. Tragic deaths, hopeless loves, even the possibility of repressed memories of unbearable pain and horror. Fact and fiction intertwine as HRFB follows the lives and loves of two very different women over four decades as they struggle to find their place and themselves in one of the most prosperous and fastest growing cities in America. Margaret Trussler and Lizzie Knapp are strangers with seemingly nothing in common as their stories begin in 1875 . . .

Long, Tall Texans: Tom Dec 25 2019 Join New York Times bestseller Diana Palmer as she revisits another unforgettable Long, Tall Texans story! Tom Walker has never believed in true love. A difficult upbringing hardened his heart many years ago, but Elysia Craig is slowly but surely melting his tough exterior. The innocent blonde makes him want to be a different man. But can Tom change from a rough 'n' tumble bachelor to the forever husband Elysia deserves?

The Devil and Daniel Webster Nov 28 2022 Having promised his soul to the Devil in exchange for good fortune, Jabez Stone asks the talented lawyer Daniel Webster to get him out of the bargain.

Fort Apache Aug 13 2021 OVER THIRTY YEARS AFTER its publication, *Fort Apache: New York's Most Violent Precinct* remains the definitive account of the vicious cycle of violence that has gripped urban America over the past century. A swollen head floating down the Bronx River, a junkie murdered for stealing a woman's wig, a French Connection-style chase through blind alleys, police barricaded inside their precinct as a wild mob lays siege to the station — and, above all, mindless violence that seemed to erupt in profusion for no apparent reason against the cops who faithfully served and cared deeply about the neighborhood that was rapidly imploding.

Return to Fort Apache Jan 26 2020 More than thirty years ago, Tom Walker published *Fort Apache: New York's Most Violent Precinct*, introducing the world to the 4-1, a South Bronx precinct that was home to more murders than the entire city of San Francisco. To this day, his story about life as police lieutenant in the 4-1 precinct remains the definitive account of the vicious cycle of violence that gripped urban America in the late twentieth century. The battle between criminals and law enforcement did not end in 1971, but massive controversy over the book's publication precluded the release of a sequel until now. With *Return to Fort Apache: Memoir of an NYPD Captain*, Walker finally tells the rest of his fascinating life story. *Return to Fort Apache* was written to counter the prevailing politically correct opinion that the officers in *Fort Apache* used their weapons first and their wits last. In addition, Walker hopes to memorialize the courageous officers he served with in the 4-1, to remember forever their sacrifices, their courage, and their daily brushes with death and violence.

The Mysterious Death of Tom Thomson Apr 28 2020 In master engraver George A. Walker's newest work, *The Mysterious Death of Tom Thomson*, the circumstances surrounding the death and disappearance of the iconic Canadian artist are explored through some one hundred and nine wood engravings, creating a work that eulogizes not only the artist himself, but the struggle of the artist's attempt to express himself while constrained by society, the reality of the moment, and mortality.

The Man in the Empty Suit Feb 19 2022 In this dystopian novel set in the 2030s, a man suffering from a gunshot wound is trying to remember what happened to him in the years since Trump got elected. Fimple is an alcoholic psychological counselor suffering from post-traumatic amnesia. As he recovers in the hospital, he tries to reconstruct his past, but can't recognize the America his country has become. As his memory slowly returns, he realizes the hospital is owned by his half-uncle, a Trump-like corporatist who wants to run for president and has hired Fimple to babysit three sexually addicted young people to keep them out of the news. This is necessary because a sex scandal in the evangelical right-wing post-Trump era could weaken his run for president. But in counseling the three young addicts locked up in a halfway house, Fimple comes to love them. When they beg him to set them free, he is tempted. Fimple can't afford to lose his job, but feels morally obligated to aid in their escape. What should he do? "While Walker's prose is never flashy, his careful grounding of details and patient efforts in constructing character and setting create a universe of flaws and possibilities, and his stories unfold with a cumulative, occasionally wrenching emotional effect." — Kirkus review of Tom Walker's book *Signed Confessions* (2013)

The Tom-Walker Jan 06 2021 A hold, biting novel by the author of *Old Jules* and *Crazy Horse*, *The Tom-Walker* spans three generations in a Midwestern family. The patriarch, Milt Stone, who lost a leg fighting in Grant's army, is the Tom-Walker, circusoslang for man on stilts. After the Civil War he takes his family west to the Missouri country. There he gains a reputation as a raconteur and as a passionate defender of the little man who works hard, fights the wars, and gets squeezed out by powerful interests. He lives to see his son and grandson fight in World War I and World War II, respectively, and return home from those wars, maimed like him, only to have to resume a fight just to stay alive. Crowded with living characters, *The Tom-Walker* never loses the larger view of American history. From the Gilded Age to the Atomic Age, everybody is "trying to be either a Jay Gould or a Jesse James, out for easy money, everybody [is] wanting to be king of something: mines, railroads, cattle, outlaws, anything." How people like the Stones fare is the story within this story.

Tales of a Traveller Dec 05 2020

Alaska Wildlife Oct 23 2019 More than 150 stunning images, featuring the "Big Five": caribou, Dall sheep, grizzly, moose, and wolf Both an educational overview and a tourist-oriented gift book Includes all of Alaska's iconic wildlife species From grizzlies, Dall sheep, and the elusive wolverine to bald eagles and the common ground squirrel, photographer Tom Walker displays birds, mammals, and more from work that spans four decades. This is a "Best of"

collection from a celebrated Alaskan writer and photographer. Captions focus on factual natural history interpretation; for example: "An Arctic ground squirrel's body temperature can drop below 32 degrees F without its tissues actually freezing. Hibernating squirrels are the 'coldest mammal alive.' Their heart rates drop from 200 beats-per-minute to 2 bpm with a pulse every 30 seconds." This new gift book is seasonally organized, revealing the wondrous Alaska landscape and the activities and behavior of a variety of species during spring, summer, autumn, and winter. Park visitors, families, classrooms, and readers of all ages will delight in the range of beautiful images and learn what is happening in Alaska's natural world throughout the year.

The Tom-walker Aug 01 2020 Descendants of Civil War veteran are veterans of European and World Wars. Post-war conditions in each case are compared.

The Money Diggers Apr 21 2022 Classic tales of pirate lore from the father of American literature.

The Devil and Tom Walker Dec 29 2022 The Devil and Tom Walker by Washington Irving Classic Short Horror Stories - The Devil By his interest in popular legends the first of the great American writers shows his sympathy with the Romantic movement, which prevailed in his time in all the countries of Europe. His devil, however, has not been imported from the lands across the Atlantic, but is a part of the superstitions of the New World. The author himself did not believe in "Old Scratch." The real devils for him were the slave-traders and the witch-hunters of Salem fame. It is interesting now to read a contemporary critic of Washington Irving's devil-story: "If Mr. Irving believes in the existence of Tom Walker's master, we can scarcely conceive how he can so earnestly jest about him; at all events, we would counsel him to beware lest his own spells should prove fatal to him" (Eclectic Review, 1825). Few people in those days had the courage to take Old Nick good-naturedly. "Even the clever Madame de Stael," said Goethe, "was greatly scandalized that I kept the devil in such good-humour." The devil appears in many colours, principally, however, in black and red. It is a common belief in Scotland that the devil is a black man, as may also be seen in Robert Louis Stevenson's story "Thrawn Janet." There is no warrant in the biblical tradition for a black devil. Satan, however, appeared as an Ethiopian as far back as the days of the Church Fathers. The black colour presumably is intended to suggest his place of abode, whereas red denotes the scorching fires of hell. The devil was considered as a sort of eternal Salamander. In the New Testament he is described as a fiery fiend. Red was considered by Oriental nations as a diabolical colour. In Egypt red hair and red animals of all kinds were considered infernal. The Apis was also red-coloured. Satan's red beard recalls the Scandinavian god Donar or Thor, who is of Phoenician origin. Judas was always represented in mediaeval mystery-plays with a red beard; and down to the present day red hair is the mark of a suspicious character. The devil also appears as yellow, and even blue, but never as white or green. The yellow devil is but a shade less bright than his fiery brother. The blue devil is a sulphur-constituted individual. He is the demon of melancholy, and fills us with "the blues." As the spirit of darkness and death, the devil cannot assume the colours of white or green, which are the symbols of light and life. The devil's dragon-tail is, according to Sir Walter Scott, of biblical tradition, coming from a literal interpretation of a figurative expression. A few interesting remarks on the expression "The Devil and Tom Walker" current in certain parts of this country as a caution to users will be found in Dr. Blondheim's article "The Devil and Doctor Foster" in Modern Language Notes for 1918.

Rip Van Winkle; Legend of Sleepy Hollow; The Devil and Tom Walker.--The Voyage.--Westminster Abbey.--Stratford-on-Avon.--The Stout Gentleman Jul 24 2022

A Study Guide for Washington Irving's "Devil and Tom Walker" Aug 25 2022 A Study Guide for Washington Irving's "Devil and Tom Walker," excerpted from Gale's acclaimed Short Stories for Students. This concise study guide includes plot summary; character analysis; author biography; study questions; historical context; suggestions for further reading; and much more. For any literature project, trust Short Stories for Students for all of your research needs.

Kidd the Pirate Jun 23 2022 Touching upon the legends surrounding the infamous captain William Kid, Washington Irving's short story deals in feats of adventures, pirates, and buried treasure. The tempestuous life of William Kid and his return "laden with booty" gives vent to the rise of treasure-seekers, chasing wild rumours. Superstition, devilry, and magic intertwine in this short story that forms the backbone of American folklore tales about pirates and hidden, stolen goods. But do not hasten to grab the shovel – the aforesaid treasure is often guarded by the Devil himself. Versatile as the subject matter of his literary oeuvre, the name of Washington Irving still echoes in the corridors of the American literary canon. Having earned special status as a man of letters in America and Europe alike, Irving's fame stems primarily from his short stories "Rip Van Winkle" and "The Legend of Sleepy Hollow". An avid biographer and historian, his influence can be felt within a vast group of American and British authors such as Nathaniel Hawthorne, E. A. Poe, Charles Dickens, and Sir Walter Scott.

Death of a Bronx Cop Nov 16 2021 A fourth-generation New York cop whose great-grandfather was on the force during the Civil War Draft Riots of 1863, and author of Fort Apache: New York's Most Violent Precinct, Tom Walker delivers another eye-opening look at the life of being a cop in the Bronx. In this ambitious novel based on events from his family's history, Hugh Ryan, a proud third-generation New York police officer, runs up against the most difficult challenge of his career: battling the institution that has sustained his family for a century, driving him to the brink...

The Diaries of Judith Malina, 1958-1971 Feb 07 2021 The Diaries of Judith Malina, 1958-1971 collects the diaries of Judith Malina--artist, activist, and lifelong diarist--from a seismic period of her life and a formative era for her company with, The Living Theatre. This book is part of scholar Kate Bredeson's larger project to gather, edit, and introduce Malina's unpublished diaries. This volume covers thirteen years as Malina records her days, beginning in New York and ending in Ouro Preto, Brazil. During this decade-plus, Malina experienced profound transformation as she co-led The Living Theatre while it opened its first theatre space in New York, saw her theatre seized by the IRS, lived and toured in Europe, travelled to Morocco to discuss a split of the company, and relocated to Brazil to launch a new phase of personal and professional work. Malina's scrupulous diaries record The Living's extraordinary activities, illustrate the thinking of a key figure in late-twentieth-century theatre, and paint a dazzling portrait of the times in which she lived. Bredeson includes a significant critical introduction that situates Malina's legacy in theatre history, discusses the influence of her theatre, examines the genre of diary-keeping, and spotlights Malina's work as an artist, activist, and diarist.
