NOW A NETFLIX MOVIE STARRING JOEY KING AND JACOB ELORDI! Read the first book in the Kissing Booth series for some fun, fresh romance from Beth Reekles. Meet Rochelle "Elle" Evans: pretty, popular—and never been kissed. Meet Noah Flynn: badass, volatile—and a total player. When Elle decides to run a kissing booth at her school's Spring Carnival, she locks lips with Noah and her life is turned upside down. Her head says to keep away, but her heart wants to draw closer. This romance seems far from a fairy tale. Is Elle headed for heartbreak or will she get her happily ever after? Don't miss the next two books in the series: -The Kissing Booth #2: Going the Distance -The Kissing Booth #3: One Last Time (on sale August 2021) New York Times bestselling author of The DUFF Kody Keplinger and artist Sara Kipin reimagine an iconic DC antihero with a gothic-horror twist. Pamela Isley doesn't trust other people, especially men. They always want something from her that she's not willing to give. When cute goth girl Alice Oh comes into Pamela's life after an accident at the local park,

she makes Pamela feel like pulling back the curtains and letting the sunshine in. But there are dark secrets deep within the Isley home. Secrets Pamela's father has warned must remain hidden. Secrets that could turn deadly and destroy the one person who ever cared about Pamela, or as her mom preferred to call her...Ivy. Will Pamela open herself up to the possibilities of love, or will she forever be transformed by the thorny vines of revenge? The New York Times bestseller is now a major motion picture! Seventeen-year-old Bianca Piper may not be the prettiest girl in her high school, but she has a loyal group of friends, a biting wit, and a spot-on BS detector. She's also way too smart to fall for the charms of man-slut and slimy school hottie Wesley Rush, who calls Bianca the Duff--the designated ugly fat friend--of her crew. But things aren't so great at home and Bianca, desperate for a distraction, ends up kissing Wesley. Worse, she likes it. Eager for escape, Bianca throws herself into a closeted enemies-with-benefits relationship with him. Until it all goes horribly awry. It turns out Wesley isn't such a bad listener, and his life is pretty screwed up, too. Suddenly Bianca realizes with absolute horror that she's falling for the guy she thought she hated more than anyone. The remarkable New York Times bestseller! It happens every year before homecoming -- the list is posted all over school. Two girls are picked from each grade. One is named the prettiest, one the ugliest. The girls who aren't picked are quickly forgotten. The girls who are become the center of attention, and each reacts differently to the experience. With THE LIST, Siobhan Vivian deftly takes you into the lives of eight very different girls struggling with issues of identity, self-esteem, and the judgments of their peers. Prettiest or ugliest, once you're on the list, you'll never be the same. "Romeo + Juliet gets an update in this story of forbidden love. Shakespeare's never been so hip." -- Jenny B. Jones, author of The Charmed Life Series As the popular darling of the junior class and heiress to the five-star Monrovi Inn empire, Kate has both everything and nothing. She's bored with school and life...until she locks eyes with Caleb at a school dance. Caleb is new to Kate's exclusive prep school, and it's clear he doesn't fit in. In fact, he and his dad work in

maintenance for Kate's father. And while Caleb knows better than to spend time with the boss's daughter, it seems that every time he tries to back away, something pulls him right back in. When their parents demand that they are to stay away from each other, they learn of a fight between their families that occurred more than fifty years ago. It's a mystery Kate doesn't understand...but a legacy Caleb has endured his entire life. With the world stacked against them, Caleb and Kate will have to walk by faith to find the path that God has planned for them. A year ago, Cal Thompson was a college freshman more interested in meeting girls and partying than in attending biology class. Now, after a fateful encounter with a mysterious woman named Morgan, biology has become, literally, Cal's life. Cal was infected by a parasite that has a truly horrifying effect on its host. Cal himself is a carrier, unchanged by the parasite, but he's infected the girlfriends he's had since Morgan. All three have turned into the ravening ghouls Cal calls Peeps. The rest of us know them as vampires. It's Cal's job to hunt them down before they can create more of their kind. . . . Bursting with the sharp intelligence and sly humor that are fast becoming his trademark, Scott Westerfeld's novel is an utterly original take on an archetype of horror. Some people would say this is the story of a photograph. How it was taken and what happened to me after the whole world saw it. And it is. But it's also the story of a lot of other things. So look at the picture all you want. I am so much more than what you see. Sarah and Brianna have always been friends, and it's always gone like this: guys talk to Sarah in order to get closer to Brianna. So even though Sarah met Ryan first, she's not surprised that he ends up with Brianna (even though Sarah has a massive crush on him). The three of them hang out, and Sarah and Ryan's friendship grows until one night an innocent exchange between them leads to a moment that makes Sarah realize that Ryan might be interested in her after all. But if there's one unwritten rule, it's this: you don't mess around with a friend's boyfriend. So Sarah tries to resist temptation. But with the three of them thrown together more and more, tension builds between Sarah and Ryan, and when they find themselves alone together at one point, they realize they just can't fight how they

feel anymore.... The easiest, most inexpensive way to build muscle strength, size, and power turns out to be the best, with this supremely effective guide from the world's largest men's magazine *Workout* fads and fitness equipment come and go, but as trainers and bodybuilders know: nothing tops a simple set of dumbbells for convenience, reliability, and versatility when you are trying to build muscles and get in shape. In *Men's Health Ultimate Dumbbell Guide*, Myatt Murphy, a fitness expert and longtime contributor to *Men's Health*, shows readers how to use dumbbells to develop just about every part of their bodies. There are exercises here—lunges, squats, dead lifts, curls, shrugs, kickbacks, presses, and more—that develop abs, arms, chest, legs, and shoulders, along with innovative new ways to get the most of this versatile piece of strength-training equipment. With instructions for creating literally thousands of dumbbell exercises for the novice to advanced lifter, *Men's Health Ultimate Dumbbell Exercises* will be an indispensable addition to any home gym.

Whitley Johnson's dream summer of shopping, partying and tanning on the beach has just turned into a nightmare. Because Dad didn't tell her he doesn't live by the beach anymore, or that he's no longer a bachelor. He's picked up and moved to a tiny, lame town called Hamilton and gotten himself a fiance. A fiance whose son just happens to be what's-his-name from last week's drunken graduation party one night stand. Just freakin' great. As if the summer couldn't get worse, Dad seems to forget Whitley's even there. She doesn't fit in with his perfect new country club family, and Whitley does what any kid lucky enough to go all summer unsupervised does: she parties. Hard. So hard that she doesn't even notice the good things right under her nose: a younger future step-sister who is just about the only person she's ever liked, a best friend (even though Whitley swears she doesn't 'do friends') and a smoking hot, sweet guy who isn't her step brother (yet) and who actually seems to care for her.

It will take all three of them to convince her that they're not phoneys, and to get Whitley to get through her anger and begin to put the pieces of her family together. From the author of The Duff - now a major film starring Bella Thorne, Mae Whitman and Alison Janney. The battle of the sexes is on. Most high school sports teams have rivalries with other schools. At Hamilton High, it's a civil war: the football team versus the soccer team. And for her part, Lissa is sick of it. Her quarterback boyfriend, Randy, is always ditching her to go pick a fight with the soccer team or to prank their locker room. And on three separate occasions Randy's car has been egged while he and Lissa were inside, making out. She is done competing with a bunch of sweaty boys for her own boyfriend's attention. Lissa decides to end the rivalry once and for all: She and the other players' girlfriends go on a hookup strike. The boys won't get any action from them until the football and soccer teams make peace. What they don't count on is a new sort of rivalry: an impossible girls-against-boys showdown that hinges on who will cave to their libidos first. And Lissa never sees her own sexual tension with the leader of the boys, Cash Sterling, coming. In the tradition of novels of Gayle Forman and John Green comes this extraordinary YA debut about a blind teen girl navigating life and love in high school. Parker Grant doesn't need 20/20 vision to see right through you. That's why she created the Rules: Don't treat her any differently just because she's blind, and never take advantage. There will be no second chances. Just ask Scott Kilpatrick, the boy who broke her heart. When Scott suddenly reappears in her life after being gone for years, Parker knows there's only one way to react--shun him so hard it hurts. She has enough on her mind already, like trying out for the track team (that's right, her eyes don't work but her legs still do), doling out tough-love advice to her painfully naive classmates, and giving herself gold stars for every day she hasn't cried since her dad's death three months ago. But avoiding her past quickly proves impossible, and the more Parker learns about what really happened--both with Scott, and her dad--the more she starts to question if things are always as they seem. Maybe, just maybe, some Rules are meant to be broken. Combining a fiercely engaging voice with

true heart, debut author Eric Lindstrom's *Not If I See You First* illuminates those blind spots that we all have in life, whether visually impaired or not. It's 1989 and Rae Earl is a fat, boy-mad 17-year-old girl, living in Stamford, Lincolnshire with her mum and their deaf white cat in a council house with a mint green bathroom and a refrigerator Rae can't keep away from. She's also just been released from a psychiatric ward. *My Mad Fat Diary* is the hilarious, harrowing and touching real-life diary Rae kept during that fateful year and the basis of the hit British television series of the same name now coming to HULU. Surrounded by people like her constantly dieting mum, her beautiful frenemy Bethany, her mates from the private school up the road (called "Haddock", "Battered Sausage" and "Fig") and the handsome, unattainable boys Rae pines after (who sometimes end up with Bethany...), *My Mad Fat Diary* is the story of an overweight young woman just hoping to be loved at a time when slim pop singers ruled the charts. Rae's chronicle of her world will strike a chord with anyone who's ever been a confused, lonely teenager clashing with her parents, sometimes overeating, hating her body, always taking herself VERY seriously, never knowing how positively brilliant she is and keeping a diary to record it all. *My Mad Fat Diary – 365 days with one of the wisest and funniest girls in England. A girl with it all planned out discovers a romance she never expected in this funny debut about a class trip to London that HelloGiggles.com says you'll love "if you're into swoony romances with a little bit of history thrown in."* This spring break, Julia's rules are about to get defenestrated (SAT word: to be thrown from a window) when she's partnered with her personal nemesis, class-clown Jason, on a school trip to London. After one wild party, Julia starts receiving romantic texts . . . from an unknown number! Jason promises to help discover the identity of her mysterious new suitor if she agrees to break a few rules along the way. And thus begins a wild goose chase through London, leading Julia closer and closer to the biggest surprise of all: true love. Because sometimes the things you least expect are the most meant to be. *** "Readers of Jennifer E. Smith and Stephanie Perkins will revel in this debate about love ruled by the

stars or as a matter of the heart." --Shelf Awareness "Fun, fresh and irresistibly romantic. STB (SURE to be) loved!" --Sarah Mlynowski "Star-crossed characters, hilarious dialogue, and a perfect London setting. I loved Meant to Be!" --Robin Benway, author of Emmy & Oliver Bo Dickinson is a girl with a wild reputation, a deadbeat dad, and an alcoholic mom. Everyone in town knows the Dickinsons are a bad lot, but Bo doesn't care what anyone thinks. Agnes Atwood has never stayed out past ten p.m., never gone on a date and never broken any of her parents' overbearing rules. Rules that are meant to protect their legally blind daughter - but Agnes isn't quite sure what they are protecting her from. Despite everything, Bo and Agnes become best friends. And it's the sort of friendship that runs truer and deeper than anything else. So when Bo shows up in the middle of the night, police sirens wailing in the distance, desperate to get out of town, Agnes doesn't hesitate to take off with her. But running away and not getting caught will require stealing a car, tracking down Bo's dad, staying ahead of the authorities, and - worst of all - confronting some ugly secrets. A story about the ferocity of friendship and the risks we'll take to save our friends ... And ourselves. A Chinese peasant overcomes the forces of nature and the frailties of human nature to become a wealthy landowner. The Titanic meets the delicious horror of Ransom Riggs and the sass of Mean Girls in this follow-up to the #1 New York Times bestseller How to Hang a Witch, in which a contemporary teen finds herself a passenger on the famous "ship of dreams"—a story made all the more fascinating because the author's own relatives survived the doomed voyage. Samantha Mather knew her family's connection to the infamous Salem Witch Trials might pose obstacles to an active social life. But having survived one curse, she never thought she'd find herself at the center of a new one. This time, Sam is having recurring dreams about the Titanic . . . where she's been walking the deck with first-class passengers, like her aunt and uncle. Meanwhile, in Sam's waking life, strange missives from the Titanic have been finding their way to her, along with haunting visions of people who went down with the ship. Ultimately, Sam and the Descendants, along with some help from

heartthrob Elijah, must unravel who is behind the spell that is drawing her ever further into the dream ship . . . and closer to sharing the same grim fate as its ghostly passengers. Praise for *How to Hang a Witch*: "It's like *Mean Girls* meets history class in the best possible way." —*Seventeen Magazine* "Mather shines a light on the lessons the Salem Witch Trials can teach us about modern-day bullying—and what we can do about it." —*Bustle.com* "Strikes a careful balance of creepy, fun, and thoughtful." —*NPR* "I am utterly addicted to Adriana Mather's electric debut. It keeps you on the edge of your seat, twisting and turning with ghosts, witches, an ancient curse, and—sigh—romance. It's beautiful. Haunting. The characters are vivid and real. I. Could. Not. Put. It. Down." —Jennifer Niven, bestselling author of *All the Bright Places*

The funny romantic comedy about an unlikely law student with big dreams that inspired the blockbuster movie and the Broadway musical. Elle Woods, California University senior, seems to have it all. President of Delta Gamma sorority, a star in the classroom (her major: sociopolitical jewelry design)—and is on the verge of becoming the much-envied Mrs. Warner Huntington III. Too bad Warner, bound for Stanford Law, dumps her with the explanation that he now needs a more "serious" woman at his side. Faced with this unexpected reversal of fortune, Woods doesn't get depressed, she gets busy. Thanks to a creative application and a demand for "diversity" at Stanford Law, Elle gets her acceptance letter. Soon she's packing up her convertible—as well as her miniature Chihuahua—determined to win back her man, and to prove to herself that dreaming big is the only way to dream. Smart, fast, and funny. *Legally Blonde* proves just how much fun blondes really can have.

Sherwood Forest, home of Oberon, Titania, Puck, Cobweb, Peaseblossom and the rest of the mob, has been whittled away by urban development. It's time to move on, the fairies decide. Sid, their captive, a kindly if gruff young car mechanic, teaches Titania to drive, and on Midsummer's Eve the party sets off in a battered and smelly old bus. They're bound for the New Forest, where they hope to be able to regenerate their magic. The fairies' journey is full of excitement. At a village fair, they show the morris dancers how to cut previously

undreamt-of capers. Titania falls in love with a human baby and steals her from her pram, starting a nationwide search for the missing infant. The fairies then link up with a group of New Age travellers on their way to Stonehenge, who befriend them almost without question. Finally, a fight to the death between Titania and the terrifying and sadistic Morganelle-Fey must take place before everyone can settle down into some form of harmony and peace. Lee and all your favorite Kissing Booth characters for another amazing romantic story that's sure to have you swooning. "It's rare that a book can be as funny and absolutely delightful as it is moving and thought provoking, and Anatomy of a Misfit is both." —Lauren Oliver, author of Before I Fall

Anika Dragomir is the third-most-popular girl at Pound High School. But inside, she knows she's a freak; she can't stop thinking about former loner Logan McDonough, who showed up on the first day of tenth grade hotter, bolder, and more mysterious than ever. Logan is fascinating, troubled, and off limits. The Pound High queen bee will make Anika's life hell if she's seen with him. So Anika must choose—ignore her feelings and keep her social status? Or follow her heart and risk becoming a pariah. Which will she pick? And what will she think of her choice when an unimaginable tragedy strikes, changing her forever?

Part Morgan Matson, part Nicola Yoon, this incredible YA voice narrates a story Teen Vogue calls "perfection in book form." "Like an urban Dian Fossey, Wednesday Martin decodes the primate social behaviors of Upper East Side mothers in a brilliantly original and witty memoir about her adventures assimilating into that most secretive and elite tribe. After marrying a man from the Upper East Side and moving to the neighborhood, Wednesday Martin struggled to fit in. Drawing on her background in anthropology and primatology, she tried looking at her new world through that lens, and suddenly things fell into place. She understood the other mothers' snobbiness at school drop-off when she compared them to olive baboons. Her obsessional quest for a Hermes Birkin handbag made sense when she realized other females wielded them to establish dominance in their troop. And so she analyzed tribal migration patterns; display rituals; physical adornment, mutilation, and mating practices; extra-pair copulation; and more. Her conclusions are smart, thought-provoking, and hilariously unexpected. Every city has its Upper East Side, and in Wednesday's memoir, readers everywhere will recognize the strange cultural codes of powerful social hierarchies and the compelling desire to climb them. They will also see that Upper East Side mothers want the same things for their children that all mothers want--safety, happiness, and success--and not even sky-high

penthouses and chauffeured SUVs can protect this ecologically released tribe from the universal experiences of anxiety and loss. When Wednesday's life turns upside down, she learns how deep the bonds of female friendship really are. Intelligent, funny, and heartfelt, Primates of Park Avenue lifts a veil on a secret, elite world within a world--the exotic, fascinating, and strangely familiar culture of privileged Manhattan motherhood"-- A super-fun romantic comedy short story, set in the world of the bestselling The Kissing Booth - written exclusively for World Book Day 2020! Everyone knows it's TOUGH having a long-distance relationship - especially when your boyfriend is as sizzlingly hot and exciting as Noah Flynn. Elle's thrilled her bad-boy-turned good has made it into Harvard, but being stuck back in Los Angeles isn't much fun without him. So there's only one thing for it . . . a road trip to visit! And what could be better than packing up your best buddy's convertible sports car, heading out on Route 66, and looking for fun and adventure along the way? Maybe only the person waiting for you at the other end . . . Girls, boys, love, lust, and a brother called Simple. The alternative coming of age story which has been critically acclaimed across Europe will now hit British shores 10:00 tonight at the water tower. Tell no one. -Chaos Club When Max receives a mysterious invite from the untraceable, epic prank-pulling Chaos Club, he has to ask: why him? After all, he's Mr. 2.5 GPA, Mr. No Social Life. He's Just Max. And his favorite heist movies have taught him this situation calls for Rule #4: Be suspicious. But it's also his one shot to leave Just Max in the dust... Yeah, not so much. Max and four fellow students-who also received invites-are standing on the newly defaced water tower when campus security "catches" them. Definitely a setup. And this time, Max has had enough. It's time for Rule #7: Always get payback. Let the prank war begin. Oceans 11 meets The Breakfast Club in this entertaining, fast-paced debut filled with pranks and cons that will keep readers on their toes, never sure who's pulling the strings or what's coming next. Six survived to tell the story, but who knows the truth? An addictive page-turner from bestselling US sensation Kody Keplinger, author of THE DUFF. It's been three years since the Virgil County High

School Massacre. Three years since my best friend, Sarah, was killed in a bathroom stall during the mass shooting. Everyone knows Sarah's story - that she died proclaiming her faith. But it's not true. I know because I was with her when she died. I didn't say anything then, and people got hurt because of it. Now Sarah's parents are publishing a book about her, so this might be my last chance to set the record straight . . . but I'm not the only survivor with a story to tell about what did - and didn't - happen that day. Except Sarah's martyrdom is important to a lot of people, people who don't take kindly to what I'm trying to do. And the more I learn, the less certain I am about what's right. I don't know what will be worse: the guilt of staying silent or the consequences of speaking up . . . A gorgeous debut about family, friendship, first romance, and how to be true to one person you love without betraying another "One thing my mother never knew, and would disapprove of most of all, was that I watched the Garretts. All the time." The Garretts are everything the Reeds are not. Loud, numerous, messy, affectionate. And every day from her balcony perch, seventeen-year-old Samantha Reed wishes she was one of them . . . until one summer evening, Jase Garrett climbs her terrace and changes everything. As the two fall fiercely in love, Jase's family makes Samantha one of their own. Then in an instant, the bottom drops out of her world and she is suddenly faced with an impossible decision. Which perfect family will save her? Or is it time she saved herself? A dreamy summer read, full of characters who stay with you long after the story is over. Kody Keplinger both returns to the halls of Hamilton High and explores new territory in her collection of two e-book exclusive novellas. In these short stories, the author revisits a familiar cast of characters from THE DUFF (Designated Ugly Fat Friend) and A Midsummer's Nightmare. Explore the uniquely teen world of high school drama, secrets, and romantic entanglements from completely fresh perspectives that will intrigue fans of Kody Keplinger and new readers alike. Jeff Lyons is both repelled and fascinated by Ellen de Luca, the fat girl in his ceramics class. The "crumbs of kindness" he tosses her way soon turn into advice on weight loss, college, clothes ... until good-looking Jeff dumps his girlfriend to

date the fat girl! As Ellen changes, Jeff resents the happy, independent young woman he has unleashed. Revisit Hamilton High in this **MUST READ** for all fans of *The DUFF* - co-starring Bianca and Wesley. Sonny Ardmore is an excellent liar. She lies about her dad being in prison. She lies about her mom kicking her out. And she lies about sneaking into her best friend's house every night because she has nowhere else to go. Amy Rush might be the only person Sonny shares everything with - secrets, clothes, even a nemesis named Ryder Cross. Ryder's the new kid at Hamilton High and everything Sonny and Amy can't stand - a prep-school snob. But Ryder has a weakness: Amy. So when Ryder emails Amy asking her out, the friends see it as a prank opportunity not to be missed. But without meaning to, Sonny ends up talking to Ryder all night online. And to her horror, she realizes that she might actually 'like' him. Only there's one small catch: he thinks he's been talking to Amy. So Sonny comes up with an elaborate scheme to help Ryder realize that she's the girl he's really wanted all along. Can Sonny lie her way to the truth, or will all her lies end up costing her both Ryder and Amy? From the author of *The Duff* - now a major film starring Bella Thorne, Mae Whitman and Alison Janney, out in DVD in Summer 2015. The lyrical and moving middle-grade debut from YA author Kody Keplinger! Eleven-year-old Nola Sutton has been best friends and neighbors with the Swift boys for practically her whole life. There's the youngest, Kevin, who never stops talking; the oldest, Brian, who's always kind and calm; and then there's Canaan, the ringleader and Nola's best-best friend. Together, they have a summer of fun adventures planned. But then everything changes overnight. When the boys' dad leaves without even saying good-bye, it completely destroys the Swift family, and all Nola can do is watch. She tries to hold on to them, but they are changing. Kevin stops talking, Canaan starts hanging out with mean boys, and Brian is never around. Nola just wants things to go back to the way they were -- the way they've always been. Is Nola strong enough to save the Swift boys from themselves, or has she lost them forever? Fans of Julia Quinn, Jane Feather and Eloisa James will delight in Meredith's trademark headstrong heroine, cunning hero and tale of deep emotional intensity! One daring widow meets one reluctant suitor ... In the social whirl of Victorian England, Elizabeth Chudderley is at the top of every guest list, the life of every party, and the belle of every ball. But her friends and admirers would be stunned to know the truth: that the merriest widow in London is also the loneliest.

Behind the gaiety and smiles lies a secret longing - for something, or someone, to whisk her away . . . Raised in scandal, Lord Michael de Grey is convinced that love is a losing gamble - and seduction the only game worth playing. But when duty threatens to trump everything he desires, the only way out is marriage to a woman of his brother's choosing. Elizabeth Chudderley is delightful, delicious - and distressingly attractive. With such a captivating opponent, Michael isn't quite sure who is winning the game. How can such passionate players negotiate a marriage of necessity - when their hearts have needs of their own? Want more Rules for the Reckless? Don't miss Your Wicked Heart, Fool Me Twice, Lady Be Good and Luck Be A Lady. Anna and Bennett were never supposed to meet. Why would they? Anna's a sixteen-year-old in 1995, fiercely determined to secure a running scholarship so she can leave her quiet, dull town and finally travel the world. Bennett's a seventeen-year-old in 2012, living in San Francisco and trying to control his ability to travel through time - an incredible gift, but also an unpredictable curse, which constantly threatens to separate him from the people he loves. When a minor lapse in judgment puts his sister Brooke in danger, Bennett finds himself two thousand miles and seventeen years away - in Anna's world. As he searches for Brooke, Bennett is strangely and inescapably drawn to Anna, who feels sure she's seen him somewhere before. Through the gorgeous, mysterious newcomer, able to travel anywhere in a split second, Anna visits deserted tropical beaches and stunning mediterranean coastlines for the first time, and they can't help falling for one another. But they both know, deep down, that it can never last. For no matter how desperate Bennett is to stay with Anna, his uncontrollable condition will inevitably knock him right back to where he belongs - and Anna will be left to pick up the pieces. Can a lost girl save a found dog? Find out in this unforgettable story about discovering true friendship, finding home, and the possibilities of forgiveness. Hadley is angry about a lot of things: Her mom going to jail. Having to move to another state to live with her older sister, Beth, even though they haven't spoken in five years. Leaving her friends and her school behind. And going blind. But then

Hadley meets Lila. Lila is an abandoned dog who spends her days just quietly lying around at the local dog rescue where Beth works. She doesn't listen to directions or play with the other dogs or show any interest in people. So when Lila comes and sits by Hadley (which is hardly anything, but it's more than she's done with others), Beth thinks maybe Hadley can help Lila. She tells Hadley they'll bring Lila home as a foster dog and she can teach her to follow commands, walk on a leash, and be more of a people dog so she's ready to be adopted. Only working with Lila is harder than Hadley thought, and so is the mobility training she starts taking to help with her failing vision. It feels like Lila is too stubborn to train and that learning to use a cane is impossible. But unless Hadley can help Lila, she'll never be adopted into a home. If Hadley could just let go of her anger, she might be able to save Lila... and herself. New York Times bestselling author Kody Keplinger weaves an unforgettable story about discovering true friendship, finding home, and the possibilities of forgiveness.
