Something stirs in the Beyond. A creature Death once banished is clawing its way skyward in search of the last mortal sharing its ancient bloodline. The beast will stop at nothing, raising all manner of horrors, even the Four Horsemen themselves, for the sole purpose of finding and destroying one girl. Verenna. Nothing in the Canterford girl's comfortable life could have prepared her to navigate the dangers she faces. Armed with only a fiery temper and a quick mind, Verenna is no match for the powers of the Underworld. That is, until she becomes an unwilling guest to a company of outcasts who claim they can help. But the group may have a dark secret of their own. It will be nearly impossible to survive in a world where every shadow wants to collect the price on her head. Even the nature of her guardians may put her life at risk. Nevertheless, Verenna must put her trust in herself and the word of her new found traveling companions to stop the ride of the Horsemen before the world plummets into demonic chaos. If she doesn't unseat the riders in time, all Hell will come bubbling up. The fate of mankind and the fate of the gods are entwined in this fast moving thriller. Ethan, Beth and Nora were just three lonely teenagers looking to better themselves. When Pandora's 'box' is opened to reveal a terrifying secret, the future of everything hangs in the balance. The three teenagers must develop superhuman abilities to battle the four horsemen of the apocalypse in Professor Trenton and the Legacy of Zeus. Can the dream of paradise on Earth be saved or will the wrangling of the gods destroy the world? Where is it written that this Universe operates on a base 10 number system? So what number system best categorizes a Universal View? Base 10 or base 12? It is pretty obvious that it is base 12, at least for those non-linear thinkers who can get their heads out of their Ass-ets, that is. This book is an tool for those Be-ings who are ready to awaken to their multi-dimensional selves and release the strangle hold that the 3 dimensional illusion has on their lives. This comprehensive introduction to all the books of the Bible, including the Apocrypha, is written in a clear, easy-to-read style, and is an ideal learning tool for laity, students, adult study groups, and ministers. The one-volume format is convenient for individual study groups, and this revision reflects the most up-to-date biblical scholarship. Based on the NSRV Bible. Notes; index; charts. They're here. They ride. The Four Horsemen of the Apocalypse. Born of a match between good and evil, four siblings stand between hell's minions and everything they want to destroy. They are the Lords of Deliverance, and they have the power to ward off Doomsday . . . or let it ride . . . Rogue Rider Jillian Cardiff came to this remote mountain town to forget the demon attack that almost killed her. Instead, she rescues-and falls for-a gorgeous stranger who has no memory of anything other than his name. Handsome, charming, and protective, Reseph seems like the kind of man whom Jillian can trust. But with hints of a troubling history of his own, he's also the kind of man who can be very dangerous . . . Reseph may not know why he mysteriously appeared in Jillian's life, but he knows he wants to stay. Yet when Jillian's neighbors are killed, and demon hunters arrive on the scene, Reseph fears that he's putting Jillian in danger. And once it's revealed that Reseph is also Pestilence, the Horseman responsible for ravaging the world, he and Jillian must face the greatest challenge of all: Can they forget the horrors of a chilling past to save the future they both desire?

One in a series of twelve New Testament verse-by-verse commentary books edited by Max Anders. Includes discussion starters, teaching plan, and more. Great for lay teachers and pastors alike. When Natravis agreed to return the Sword of Titan to its homeland in the Orient, he had no idea that this voyage, unlike the many he had taken before, would change his life forever. From his many trips around the world, he feared this one the most. For the waters he would be sailing were hostile and unforgiving to those that dared to challenge them. But when a man gives his word, that word must be honored, regardless of the circumstances that might present themselves along the way. Join me as we sail with Natravis to the Orient as he fulfills his destiny. And in doing so, creating his own legacy in which books shall be written about for many years to come. Let the adventure continue!

Jack, the compulsory father of a deceptively aristocratic family turned immortal, after the death of his wife Tangeline in the 1880s finds himself in 1943 during World War II when he should be in his 80's though he has the body of someone in his 20's. Jack's vow to negate her death develops into an obsession. The family's exploits uncover second chance angels, born into the line to live as humans, and earth bound immortals of opposing fallen graces waking into their new lives by birth or appointment as they fight for control of the earth in the bodies of leaders on both sides. Near the end of the century Joshua Hopkins, Jack's great grandson, formulates a method to return Jack into the past to spare Tangeline's life. With her death expunged, the now flawed future of the family and the world progressively escalates to an altered conflict between heaven and hell. The newborn global proliferation as a result of the hostilities plunges humanity into a dark age, into the next book. No book has ever attempted to deal with the subject of divinity in its entirety. Here at long last is a comprehensive book dealing with divine beings in its complexity. It provides the reader with accurate and insightful knowledge concerning the concept of divinity. The author gives a clear explanation of the Triune nature of God. God is one being, manifest and existing in three distinct identities or persons, which is further discussed as being comparable with the makeup of a human being. God shares his divine nature with spiritual beings in the heavens with angels and on earth with humankind. The divine nature of God resides in all spirits. Therefore, men have Gods nature in their spirits; they can communicate with and receive the things of the spiritual realm. Through sin, humanity has lost the nature of God; for all have sinned and fall short of the glory of God. The purpose of the Bible is to spiritualize humankind, because we have fallen short of the glory of God. The broad focus of this book is to bring as many believers to a stage of maturity in the knowledge of Christ. The cards are stacked against Willow. Two evil kings seek destruction; The Department of Secrecy wants to imprison her; the memory potion has everyone in disarray; and she is running low on allies. Can she overcome the odds and bring balance back to the realms? It all comes down to one final battle - winner takes all. When it's all said and done, who will be left standing? Rising Light is on pre-order and is set to Release November 23, 2022. Darkness cowers in the shadows, Hope rises in the light. The moment has arrived. The Alpha must make her final stand against the Darkness. An evil her ancestors have never faced. The Young bloodline is put to its fiercest test. Will Destiny's Champion rise to the challenge, or will the world fall into complete annihilation? Rising Light a contemporary supernatural fantasy, is the final instalment to the Young Chronicles Trilogy. You won't want to put it down, and will be sad when it's over. Here it is! The sequel you've dreaded! Captain Omega in his first novel-length adventure! Omega and his new sidekick are invited to an Imperial Royal Wedding on the peaceful world of Taran. Taran has been protected by knights known as "Guardians" but now only one remains. The evil Baron Talon wants to rule or, failing that, destroy Taran. Can Omega save Taran or is he his own worst enemy? A dark, sexy romance from New York Times bestselling author Larissa Ione for readers of Katee Robert, Laura Thalassa, and Scarlett St. Claire: she's his only hope to stop the Apocalypse—but is he willing to pay the price? His name is Ares, and the fate of mankind rests on his powerful shoulders. If he falls to the forces of evil, the world falls, too. As one of the Four Horsemen of the Apocalypse, he is far stronger than any mortal, but even he cannot fight his destiny forever. Not when his own brother plots against him. Yet there is one last hope. Gifted in a way other humans can't—or won't—understand, Cara Thornhart is the key to both his safety and his doom. But involving Cara will prove treacherous, even beyond the

maddening, dangerous desire that seizes them the moment they meet. For staving off eternal darkness requires a staggering cost: Cara's life. Previously released as *Eternal Rider*. Where does science end and religion begin? Can "spiritual" images and feelings be understood on a neurobiological level without dismissing their power and mystery? In this book, psychiatrist Erik Goodwyn addresses these questions by reviewing decades of research, putting together a compelling argument that the emotional imagery of myth and dreams can be traced to our deep brain physiology, and importantly, how a sensitive look at this data reveals why mythic or religious symbols are indeed more "godlike" than we might have imagined. *The Neurobiology of the Gods* weaves together Jungian depth psychology with research in evolutionary psychology, neuroanatomy, cognitive science, neuroscience, anthropology, mental imagery, dream research, and metaphor theory into a comprehensive model of how our brains contribute to the recurrent images of dreams, myth, religion and even hallucinations. Divided into three sections, this book provides: definitions and foundations an examination of individual symbols conclusive thoughts on how brain physiology shapes the recurring images that we experience. Goodwyn shows how common dream, myth and religious experiences can be meaningful and purposeful without discarding scientific rigor. *The Neurobiology of the Gods* will therefore be essential reading for Jungian analysts and psychologists as well as those with an interest in philosophy, anthropology and the interface between science and religion. Heroes don't always walk in the light. The fate of the world is balanced on a knife's edge. Despite everything Madden and Eva have been through to prevent it, the ARC Council is in disarray and demons roam the Earth. The Apocalypse is closer than ever, and the solution couldn't be further from her grasp. Eva has to throw off the yolk of personal tragedy and follow her destiny to the one place she doesn't want to go. The one place she cannot hope to avoid. In 2007, Christopher Hitchens, Richard Dawkins, Sam Harris, and Daniel Dennett filmed a landmark discussion about modern atheism. The video went viral. Now in print for the first time, the transcript of their conversation is illuminated by new essays from three of the original participants and an introduction by Stephen Fry. At the dawn of the new atheist movement, the thinkers who became known as "the four horsemen," the heralds of religion's unraveling—Christopher Hitchens, Richard Dawkins, Sam Harris, and Daniel Dennett—sat down together over cocktails. What followed was a rigorous, pathbreaking, and enthralling exchange, which has been viewed millions of times since it was first posted on YouTube. This is intellectual inquiry at its best: exhilarating, funny, and unpredictable, sincere and probing, reminding us just how varied and colorful the threads of modern atheism are. Here is the transcript of that conversation, in print for the first time, augmented by material from the living participants: Dawkins, Harris, and Dennett. These new essays, introduced by Stephen Fry, mark the evolution of their thinking and highlight particularly resonant aspects of this epic exchange. Each man contends with the most fundamental questions of human existence while challenging the others to articulate their own stance on God and religion, cultural criticism, spirituality, debate with people of faith, and the components of a truly ethical life. Praise for *The Four Horsemen* "This bracing exchange of ideas crackles with energy. It's fascinating to watch four first-class minds explore a rugged intellectual terrain. . . . The text affords a different, more reflective way of processing the truly vital exchange of ideas. . . . I commend the book to those seeking an honest reckoning with their religion—and those curious about how the world looks from a rigorously naturalistic and atheistic point of view."—*Pittsburgh Post-Gazette* "The full, electrifying transcript of the one and only conversation between the quartet of luminaries dubbed the 'four horsemen' of the New Atheism, which took place in Washington, D.C., in 2007. Among the vast range of ideas and questions they discuss: Is it ever possible to win a war of ideas? Is spirituality the preserve of the religious? And, are there any truths you would rather not know?"—*The Bookseller* (UK) (starred review) The signs are everywhere...disastrous world events. Evil rising up, unleashed upon the innocent. The prophecies were there...but no one listened. Until now. The time has come for those who can either usher in Domsday...or prevent it. They are here. They ride. The Four Horsemen of the Apocalypse. Arik Wagner, a soldier with the U.S. Army's paranormal unit, the R-XR, kissed a girl and liked it. And then he went to hell as punishment. Where he's spent weeks being

tortured...and plotting revenge. Limos, Horsewoman of the Apocalypse, isn't your average girl. She's immortal, dangerous, and her fiancé is Satan himself. In a moment of weakness, she gave in to her desire and kissed Arik, triggering her fiancé's wrath - and his claim on her. In order to save Arik, and the world, Limos must make a dangerous pact with her recently turned evil brother, Pestilence. A deal that might just cost her her soul...and her heart. This is the eighth book of a nine-book series.

Hammer and his friends' opponents are a shadowy group who call themselves The Four Horsemen and their mission is nothing less than the destruction of Western Civilization. *Collects Guardians of the Galaxy* (2013) #18-23, Annual #1. In a series of revolts starting in 1820, four military officers rode forth on horseback from obscure European towns to bring political freedom and a constitution to Spain, Naples, and Russia; and national independence to the Greeks. The men who launched these exploits from Andalusia to the snowy fields of Ukraine--Colonel Rafael del Riego, General Guglielmo Pepe, General Alexandros Ypsilanti, and Colonel Sergei Muraviev-Apostol--all hoped to overturn the old order. Over the next six years, their revolutions ended in failure. The men who led them became martyrs. In *The Four Horsemen*, the late, eminent historian Richard Stites offers a compelling narrative history of these four revolutions. Stites sets the stories side by side, allowing him to compare events and movements and so illuminate such topics as the transfer of ideas and peoples across frontiers, the formation of an international community of revolutionaries, and the appropriation of Christian symbols and language for secular purposes. He shows how expressive behavior and artifacts of all kinds--art, popular festivities, propaganda, and religion--worked their way to various degrees into all the revolutionary movements and regimes. And he documents as well the corruption, abandonment of liberal values, and outright betrayal of the revolution that emerged in Spain and Naples; the clash of ambitions and ideas that wracked the unity of the Decembrists' cause; and civil war that erupted in the midst of the Greek struggle for independence. Richard Stites was one of the most imaginative and broad-ranging historians working in the United States. This book is his last work, a classic example of his dazzling knowledge and idiosyncratic yet accessible writing style. The culmination of an esteemed career, *The Four Horsemen* promises to enthrall anyone interested in nineteenth-century Europe and the history of revolutions. A dazzling novel from one of our finest writers—an epic yet intimate family saga about three generations of all-American radicals

At the center of Jonathan Lethem's superb new novel stand two extraordinary women: Rose Zimmer, the aptly nicknamed Red Queen of Sunnyside, Queens, is an unreconstructed Communist who savages neighbors, family, and political comrades with the ferocity of her personality and the absolutism of her beliefs. Her precocious and willful daughter, Miriam, equally passionate in her activism, flees Rose's influence to embrace the dawning counterculture of Greenwich Village. These women cast spells over the men in their lives: Rose's aristocratic German Jewish husband, Albert; her cousin, the feckless chess hustler Lenny Angrush; Cicero Lookins, the brilliant son of her black cop lover; Miriam's (slightly fraudulent) Irish folksinging husband, Tommy Gogan; their bewildered son, Sergius. Flawed and idealistic, Lethem's characters struggle to inhabit the utopian dream in an America where radicalism is viewed with bemusement, hostility, or indifference. As the decades pass—from the parlor communism of the '30s, McCarthyism, the civil rights movement, ragged '70s communes, the romanticization of the Sandinistas, up to the Occupy movement of the moment—we come to understand through Lethem's extraordinarily vivid storytelling that the personal may be political, but the political, even more so, is personal. Lethem's characters may pursue their fates within History with a capital H, but his novel is—at its mesmerizing, beating heart—about love.

The Complete Topical Guide to the Bible provides Scripture references, definitions, and cross-references for the study of the Bible by topic. The topical approach differs significantly from the lexical approach of a concordance, and a topical guide is an essential supplement to a concordance. While a concordance is limited to the connection of biblical passages in which the same word appears, the topical approach identifies and connects all of the underlying concepts related to a topic. A concordance would not yield John 3:16 for a study of grace because the word grace does not appear in the verse, but The Complete Topical Guide to the Bible includes John 3:16 for grace because it's an essential verse on the topic. The topics in this resource include biblical, doctrinal, and historical

subjects, and they are organized into nine major categories: God, Jesus Christ, the Holy Spirit, creation, humanity, sin and salvation, God's people, the life of the believer, and the last things. In addition to the great themes of the biblical message, practical issues of Christian living are also included. Come with me and enter into the darkness of the fight between good and evil. The prince of darkness, half-demon and half-human son of Lucifer, and Adriana, a presumed human orphan who is actually a full-blood good witch, journey along a dangerous, twisted path of light and dark magic, each trying to reach their destinies. His is to marry her and become immortal, a supreme power for darkness, which will tilt the balance between good and evil to evil's side. Hers is to discover her heritage and regain her powers, joining her cousin, who is also a witch, to be the only ones powerful enough to kill the king of hell, the prince's father, setting evil back decades! Who shall conquer? Which way will the balance tilt? Will humans become nothing more but slaves for a new demonic realm? And what of Lucifer? The prince? Adriana? Who shall be left standing in the wake of the final war? Hard Back Addition: The Anthology is a collective of the novels in the anno Domini series bound into one. The idea of convenience and savings was my goal. You can have all the works in one book. The previews for each book bound in this single addition can be found right here on this website under this listing. Thank you for your continued support and great emails. Today is a special day for Makenna Circe Thesis, and she has decided to go all out. Now that Mack has turned eighteen, she's determined to show everyone—including her overprotective mother, Cybele—that she is no longer a tomboy and child. But a night that was supposed to be the best celebration ever turns into a nightmare that breaks her heart and tears Mack's family apart. The powers that have been dormant in her and her siblings since they were babies have manifested themselves. The four must now prepare for a life they could not have imagined. They are the Elementals, and the future of the universe resides with them. But they are not alone, and Mack finds herself drawn to a man who could destroy them all before they even have a chance to fight. The first in the Elemental Thesis series, this fantasy novel follows four special children who are destined for more than they ever dreamed of. The Book of Revelation is the last book in the canon of the New Testament, and its only apocalyptic document, though there are short apocalyptic passages in various places in the gospels and the epistles. This second of two volumes on Revelation offers a systematic and thorough interpretation of the latter chapters of the book. Revelation brings together the worlds of heaven, earth and hell in a final confrontation between the forces of good and evil. Its characters and images are both real and symbolic, spiritual and material, and it is frequently difficult to know the difference between them, Revelation's cryptic nature has ensured that it would always be a source of controversy. This commentary focuses on the theological content, gleaned the best from both the classical and modern commentary traditions and showing the doctrinal development of Scriptural truths. Scholarship on the book of Revelation has nonetheless not only endured, but even captured the imagination of generations of Bible students, both professionals and laypeople alike. Through its focus on the message of the book through scholarly analysis, this ITC reconnects to the ecclesial tradition of biblical commentary as an effort in re-orientation, though not slavish repetition. The First book in the Created Angel Chronicles and the Leighla Tenebrae Novels: Leighla hasn't had the best luck with her life on Earth and being the first International Preternatural Marshal hasn't made it any easier. When the Archangel Michael assigns her to an active case with a body count, the past comes back to haunt her. Old unrequited love, betrayal, and metaphysical wounds that she thought closed reopen. Leighla must decide whether to confront those who hurt her or let it fester and kill any chance that she has of moving on. Have you ever been in so much pain that sometimes it's hard to breathe? Spiritual pain? Mental pain? Physical pain? I write this story to give you the hope no one was able to give me because people didn't understand. Just about every character you read about is someone I know and the struggles they had in their lives. From divorce to panic attacks, it's all here. The characters in From Death to Life are all in heaven, and they each have a job to do. Walking into the spiritual world can be fascinating and scary at the same time. They are waiting for Christ to return, but in the meantime, their jobs are complicated. From heaven to hell on earth, it's a complex military structure. A thought can become an action. Action becomes a habit. Habit becomes a

serious addiction. Let this story take you in and see that it does get better. God promised us, and he doesn't lie. Because of the nature of the environmental crisis, Kuykendall has designed and number of Liturgies to be done in the Church or outdoors--by congregations or just interested people who would like to celebrate the Earth's "holy days"--the Solstices, Equinoxes, and the Celtic "quarter days" which fall between the Solstices and Equinoxes. The purpose of this book is to instill a sense of the sacredness of the Earth, and thereby help us not to abuse the Earth. The Circle, Cubed is an instruction manual for those proficient in erecting the temple rites, such as "Casting the Circle" or "Casting a Pentagram," who desire to go deeper in their understanding. Rather than rehashing the same three temple rites used by most Wiccans, Kaatryn MacMorgan-Douglas explains what the functions of the various pieces of the rite are, and how those pieces work as a coherent whole. The author also explores earlier and lesser-used temple techniques, as well as modern techniques, in part at frustration at the over-reliance of the Wiccan community on the elemental tetragram circle, a rite that many Wiccans are taught as if it is the sole temple rite, not one of dozens. The author encourages Wiccans to use the material herein to craft their own, personalized temple rite, an essential part of any Wiccan's personal practice. This exclusive edition also features bonus material including "The Ritual of the Compass Rose." They're here. They ride. The Four Horsemen of the Apocalypse Born of a match between good and evil, four siblings stand between hell's minions and everything they want to destroy. They are the Lords of Deliverance, and they have the power to ward off Doomsday . . . or let it ride . . . Lethal Rider Thanatos, the most deadly Horseman of the Apocalypse, has endured thousands of years of celibacy to prevent the end of days. But just one night with the wickedly sexy Aegis Guardian, ReganCooper, shatters centuries of resolve. Yet their passion comes with a price. And Thanatos must face a truth more terrifying than an apocalypse-he's about to become a father. Demon-slayer Regan Cooper never imagined herself the maternal type, but with the fate of the world hanging in the balance she had no choice but to seduce Thanatos and bear his child. Now, as the final battle draws closer and his rage at being betrayed is overshadowed by an undeniable passion for the mother of his child, Thanatos has a life-shattering realization: To save the world, he must sacrifice the only thing he's ever wanted-a family. They're here. They ride. The Four Horsemen of the Apocalypse Born of a match between good and evil, four siblings stand between hell's minions and everything they want to destroy. Jackson Mathias More had a dream—a grand, vivid dream. Codenamed the Apocalypse, Mathias, along with four of his friends, dubbed the Four Horseman, gathered an army, went to war with a government he despised and brought about the Restoration in his country. These five spent years contriving the ingenuity, the strategy, the will . . . the guts to go through with the plan, and when all the pieces were in place, they began their incredible journey. Defying odds, facing sorrow-filled trials and tribulations, warring with a mighty enemy, and basking in the glory of victories, Mathias finds a strength of body and soul that can only be provided by God. Through his prayers and sufferings, Mathias brings the restoration of his faith to the people of his nation, separating the righteous from the wicked as he initiates a war to purge the enemy from the country. The war Jackson Mathias More foresaw in a dream came—he waged it. It's the final meeting of the camp before Willow and her friends find themselves whisked away to different schools hidden all over the main world. When Cassandrhea Tibbins interrupts, changes in plans are set in motion. With 'The Empowered' newspaper, run by the Quidnunks, continuing to pipe out damaging articles about

Willow, there is no choice but to hide her from everyone. Never has she felt so isolated and helpless. It will take all of Willow's strength to muster enough courage to face old and new enemies without the support of her allies. This fourth book of the Portal Prophecies series, delves deep into the understanding of magic and self-discovery. The plot continues to twist and turn as Cornelius' ideas dive further into madness. Will Willow be able to handle this new pressure of hiding everything about herself from assassins, reporters, and new enemies or will she end up on the run from everyone? Will she be able to figure out the meaning of the latest prophecy alone? The SERAPHIM COLLECTIVE. Keeping the world safe for thousands of years. There are many who've worked for and with them throughout history, doing what was necessary, even at the cost of their lives. One of the SC's top operatives is one Major Tomas Walker, all round specialist and the one the SC turns to when things get...difficult. But Tomas is more than just an exceptional agent, he has a destiny. But nobody knows it yet; at least not until he dies for the first time on a mission that goes sideways. Surviving that, returning home only to lose his family by his unexpected second death. Now Tomas is getting very tired of dying. Hitting an emotional and spiritual rock bottom, Tomas does the only thing left to him, he runs. The Adversary, killer of the earth's guardians for millennia, commences with his nefarious plan - Tomas's death exposes him as such a guardian and could ruin everything. The Adversary - Arch demon and the one who usurped Lucifer, sends anything and everything at his disposal to find Tomas, but others who are desperately trying to thwart the Adversary find him first - just. Placed into the care of the legendary FOUR HORSEMEN OF THE APOCALYPSE Tomas's problems really begin. Can Tomas adjust to his role as a guardian? Now the pawn of cosmic forces, the mantle of destiny is thrust upon him and the fate of many worlds rides on Major Tomas Walker, guardian, human, warrior. His new mission, kill The Adversary any way possible. So begins the destiny of Tomas Walker, ex Seraphim Collective agent, thrust into a war he never knew existed, sought by gods, monsters and creatures straight out of myth, legend and nightmare. To just survive it'll take a miracle and Tomas no longer believes in those, but what the hell... A reminder of the Divine, a space for spiritual encounter, or a focal point for meditation--the altar is a powerful tool for people of all faiths. Sandra Kynes demonstrates how to create personal altars and empower these sacred spaces according to your needs. Discover how to harness energies to manifest change, make decisions, receive wisdom, find balance, explore your soul, and grow spiritually. Kynes's unique approach provides nine overall matrices--each one corresponding to the number of objects placed on the altar--and the numerological significance of each. You'll also find suggested meditations and a wealth of helpful information--spanning chakras, colors, days of the week, elements, gemstones, gods/goddesses, runes, and more--for choosing appropriate symbols and objects that reflect your needs.
