Critically acclaimed when it was first published, *Tuck Everlasting* has become a much-loved, well-studied modern-day classic. This anniversary edition features an in-depth interview conducted by Betsy Hearne in which Natalie Babbitt takes a look at *Tuck Everlasting* twenty-five years later. What if you could live forever? Is eternal life a blessing or a curse? That is what young Winnie Foster must decide when she discovers a spring on her family's property whose waters grant immortality. Members of the Tuck family, having drunk from the spring, tell Winnie of their experiences watching life go by and never growing older. But then Winnie must decide whether or not to keep the Tucks' secret—and whether or not to join them on their never-ending journey. Praise for *Tuck Everlasting* by Natalie Babbitt: "A fearsome and beautifully written book that can't be put down or forgotten." —The New York Times "Exciting and excellently written." —The New York Times Book Review "With its serious intentions and light touch the story is, like the Tucks, timeless." —Chicago Sun-Times "Probably the best work of our best children's novelist." —Harper's "Natalie Babbitt's great skill is spinning fantasy with the lilt and sense of timeless wisdom of the old fairy tales. . . . It lingers on, haunting your waking hours, making you ponder." —The Boston Globe "This book is as shapely, crisp, sweet, and tangy as a summer-ripe pear." —Entertainment Weekly This title has Common Core connections. A "tremendous," "intrepid" history of the devastating war in the heart of Africa's Congo, with first-hand accounts of the continent's worst conflict in modern times. At the heart of Africa is the Congo, a country the size of Western Europe, bordering nine other nations, that since 1996 has been wracked by a brutal war in which millions have died. In *Dancing in the Glory of Monsters*, renowned political activist and researcher Jason K. Stearns has written a compelling and deeply-reported narrative of how Congo became a failed state that collapsed into a war of retaliatory massacres. Stearns brilliantly describes the key perpetrators, many of whom he met personally, and highlights the nature of the political system that brought these people to power, as well as the moral decisions with which the war confronted them. Now updated with a new introduction, *Dancing in the Glory of Monsters* tells the full story of Africa's Great War. After a plane crash, thirteen-year-old Brian spends fifty-four days in the wilderness, learning to survive initially with only the aid of a hatchet given him by his mother, and learning also to survive his parents' divorce. When the Sudanese civil war reaches his village in 1985, 11-year-old Salva becomes separated from his family and must walk with other Dinka tribe members through southern Sudan, Ethiopia and Kenya in search of safe haven. Based on the life of Salva Dut, who, after emigrating to America in 1996, began a project to dig water wells in Sudan. By a Newbery Medal-winning author. A critically acclaimed tearjerker from a master storyteller: On one side of the border is brutality and heartache; on the other side—a new life. Fourteen-year-old Manny is an orphan in Juarez, Mexico. He competes with his bigger, meaner rivals for the coins American tourists throw off the bridge between Texas and his town. Across that heavily guarded bridge await a different world and a better existence. On the night when Manny dares the crossing—through the muddy shallows of the Rio Grande, past the searchlights and the border patrol—the young man encounters an old stranger who could prove to be an ally or an enemy. Manny can't tell for certain. But if he is to achieve his dream, then he must be willing to risk everything—even his life. The "fascinating" #1 New York Times bestseller that awakened the world to the destruction of American Indians in the nineteenth-century West (*The Wall Street Journal*). First published in 1970, *Bury My Heart at Wounded Knee* generated shockwaves with its frank and heartbreaking depiction of the systematic annihilation of American Indian tribes across the western frontier. In this nonfiction account, Dee Brown focuses on the betrayals, battles, and massacres suffered by American Indians between 1860 and 1890. He tells of the many tribes and their renowned chiefs—from Geronimo to Red Cloud, Sitting Bull to Crazy Horse—who struggled to combat the destruction of their people and culture. Forcefully written and meticulously researched, *Bury My Heart at Wounded Knee* inspired a generation to take a second look at how the West was won. This ebook features an illustrated biography of Dee Brown including rare photos from the author's personal collection. A cannon. A strap. A piece. A biscuit. A burner. A heater. A chopper. A gat. A hammer A tool for RULE Or, you can call it a gun. That's what fifteen-year-old Will has shoved in the back waistband of his jeans. See, his brother Shawn was just murdered. And Will knows the rules. No crying. No snitching. Revenge. That's where Will's now heading, with that gun shoved in the back waistband of his jeans, the gun that was his brother's gun. He gets on the elevator, seventh floor, stoked. He knows who he's after. Or does he? As the elevator stops on the sixth floor, on comes Buck. Buck, Will finds out, is who gave Shawn the gun before Will took the gun. Buck tells Will to check that the gun is even loaded. And that's when Will sees that one bullet is missing. And the only one who could have fired Shawn's gun was Shawn. Huh. Will didn't know that Shawn had ever actually USED his gun. Bigger huh. BUCK IS DEAD. But Buck's in the elevator? Just as Will's trying to think this through, the door to the next floor opens. A teenage girl gets on, waves away the smoke from Dead Buck's cigarette. Will doesn't know her, but she knew him. Knew. When they were eight. And stray bullets had cut through the playground, and Will had tried to cover her, but she was hit anyway, and so what she wants to know, on that fifth floor elevator stop, is, what if Will, Will with the gun shoved in the back waistband of his jeans, MISSES. And so it goes, the whole long way down, as the elevator stops on each floor, and at each stop someone connected to his brother gets on to give Will a piece to a bigger story than the one he thinks he knows. A story that might never know an END...if Will gets off that elevator. Told in short, fierce staccato narrative verse, *Long Way Down* is a fast and furious, dazzlingly brilliant look at teenage gun violence, as could only be told by Jason Reynolds. Colson Whitehead's Pulitzer Prize-winning, National Book Award-winning, Oprah-anointed, #1 New York Times bestselling novel that explores America's troubled racial past as only he can—now an original Amazon Prime Video series directed by Barry Jenkins. Cora is a young slave on a cotton plantation in Georgia. An outcast even among her fellow Africans, she is on the cusp of womanhood—where even greater pain awaits. And so when Caesar, a slave who has recently arrived from Virginia, urges her to join him on the Underground Railroad, she seizes the opportunity and escapes with him. In Whitehead's ingenious conception, the Underground Railroad is no mere metaphor: engineers and conductors operate a secret network of actual tracks and tunnels beneath the Southern soil. Cora embarks on a harrowing flight from one state to the next, encountering strange yet familiar iterations of her own world at each stop. As Whitehead brilliantly recreates the terrors of the antebellum era, he weaves in the saga of our nation, from the brutal abduction of Africans to the unfulfilled promises of the present day. The Underground Railroad is both the gripping tale of one woman's will to escape the horrors of bondage and a powerful meditation on the history we all share.

'Magnificent set pieces of fastidious sensuality' Ian McEwan 'A quirky, original, and baroque stylist' Margaret Atwood Featuring an introduction from award-winning short story writer Helen Simpson Based on an Athabaskan Indian legend passed along for many generations from mothers to daughters of the upper Yukon River Valley in Alaska, this is the suspenseful, shocking, ultimately inspirational tale of two old women abandoned by their tribe during a brutal winter famine. Though these women have been known to complain more than contribute, they now must either survive on their own or die trying. In simple but vivid detail, Velma Wallis depicts a landscape and way of life that are at once merciless and starkly beautiful. In her old women, she has created two heroines of steely determination whose story of betrayal, friendship, community and forgiveness "speaks straight to the heart with clarity, sweetness and wisdom" (Ursula K. Le Guin). A tense and compulsive survival story of a young boy and an old man adrift on the ocean, then marooned on a tiny, deserted island. It is also a fascinating study of the relationship between Phillip, white, American, and influenced by his mother's prejudices, and the black man upon whom Phillip's life depends. Living in a "perfect" world without social ills, a boy approaches the time when he will receive a life assignment from the Elders, but his selection leads him to a mysterious man known as the Giver, who reveals the dark secrets behind the utopian facade. From the window of the small floatplane, fifteen-year-old Gabe Rogers is getting his first look at Canada's magnificent Northwest Territories with Raymond Providence, his roommate from boarding school. Below is the spectacular Nahanni River -- wall-to-wall whitewater racing between sheer cliffs and plunging over Virginia Falls. The pilot sets the plane down on the lake-like surface of the upper river for a closer look at the thundering falls. Suddenly the engine quits. The only sound is a dull roar downstream, as the Cessna drifts helplessly toward the falls . . . With the brutal subarctic winter fast approaching, Gabe and Raymond soon find themselves stranded in Deadmen Valley. Trapped in a frozen world of moose, wolves, and bears, two boys from vastly different cultures come to depend on each other for their very survival. A psychological horror with a literary twist, *Kill Creek* delivers elevated prose, while evoking the unnerving, atmospheric terror essential to greats like Peter Straub and Stephen King—a haunting that lingers long after turning the last page. Brian returns to the wilderness to discover where he truly belongs in this follow-up to the award-winning classic *Hatchet* from three-time Newbery Honor-winning author Gary Paulsen! As millions of readers of *Hatchet*, *The River*, and *Brian's Winter* know, Brian Robeson survived alone in the wilderness by finding solutions to extraordinary challenges. But now that's he's back to ordinary life, he can't make sense of high school life. He feels disconnected, more isolated than he did alone in the north woods. How can Brian discover his true path in life, and where he belongs? The answer is to return. Gary Paulsen skillfully explores the meaning of belonging and purpose, and reminds us of a crucial rule of the wilderness: expect the unexpected. She was a poor Southern tobacco farmer who worked the same land as her slave ancestors, yet her cells—taken without her knowledge—became one of the most important tools in medicine: The first "immortal" human cells grown in culture, which are still alive today, though she has been dead for more than sixty years. HeLa cells were vital for developing the polio vaccine; uncovered secrets of cancer, viruses, and the atom bomb's effects; helped lead to important advances like in vitro fertilization, cloning, and gene mapping; and have been bought and sold by the billions. Yet Henrietta Lacks remains virtually unknown, buried in an unmarked grave. Henrietta's family did not learn of her "immortality" until more than twenty years after her death, when scientists investigating HeLa began using her husband and children in research without informed consent. And though the cells had launched a multimillion-dollar industry that sells human biological materials, her family never saw any of the profits. As Rebecca Skloot so brilliantly shows, the story of the Lacks family—past and present—is inextricably connected to the dark history of experimentation on African Americans, the birth of bioethics, and the legal battles over whether we control the stuff we are made of. Over the decade it took to uncover this story, Rebecca became enmeshed in the lives of the Lacks family—especially Henrietta's daughter Deborah. Deborah was consumed with questions: Had scientists cloned her mother? Had they killed her to harvest her cells? And if her mother was so important to medicine, why couldn't her children afford health insurance? Intimate in feeling, astonishing in scope, and impossible to put down, *The Immortal Life of Henrietta Lacks* captures the beauty and drama of scientific discovery, as well as its human consequences. **LONGLISTED FOR THE BOOKER PRIZE** A powerful, heart-breaking story about tempting fate and living with the consequences Arthur and Jake are brothers yet worlds apart. Arthur is older, shy, dutiful and set to inherit his father's farm. Jake is younger, handsome and reckless, a dangerous man to know. When Laura arrives in their rural community, the fragile balance of the brothers' rivalry is pushed to the edge of catastrophe... 'An enthralling read, both straightforward and wonderfully intricate' Guardian 'Evokes beautifully the big joys and sorrows of most people, no matter how small their town' The Times In an unnamed Third World country, in the not-so-distant future, three "dumpsite boys" make a living picking through the mountains of garbage on the outskirts of a large city. One unlucky-lucky day, Raphael finds something very special and very mysterious. So mysterious that he decides to keep it, even when the city police offer a handsome reward for its return. That decision brings with it terrifying consequences, and soon the dumpsite boys must use all of their cunning and courage to stay ahead of their pursuers. It's up to Raphael, Gardo, and Rat—boys who have no education, no parents, no homes, and no money—to solve the mystery and right a terrible wrong. Andy Mulligan has written a powerful story about unthinkable poverty—and the kind of hope and determination that can transcend it. With twists and turns, unrelenting action, and deep, raw emotion, *Trash* is a heart-pounding, breath-holding novel. In *Hatchet*, 13-year-old Brian Robeson learned to survive alone in the Canadian wilderness, armed only with his hatchet. Finally, as millions of readers know, he was rescued at the end of the summer. But what if Brian hadn't been rescued? What if he had been left to face his deadliest enemy--winter? Gary Paulsen raises the stakes for survival in this riveting and inspiring story as one boy confronts the ultimate test and the ultimate adventure. A classic work of American literature that has not stopped changing minds and lives since it burst onto the literary scene, *The Things They Carried* is a ground-breaking

meditation on war, memory, imagination, and the redemptive power of storytelling. The Things They Carried depicts the men of Alpha Company: Jimmy Cross, Henry Dobbins, Rat Kiley, Mitchell Sanders, Norman Bowker, Kiowa, and the character Tim O'Brien, who has survived his tour in Vietnam to become a father and writer at the age of forty-three. Taught everywhere—from high school classrooms to graduate seminars in creative writing—it has become required reading for any American and continues to challenge readers in their perceptions of fact and fiction, war and peace, courage and fear and longing. The Things They Carried won France's prestigious Prix du Meilleur Livre Etranger and the Chicago Tribune Heartland Prize; it was also a finalist for the Pulitzer Prize and the National Book Critics Circle Award. Shortlisted for the Victorian Premier's Literary Award for Non-Fiction Shortlisted for the Stella Prize 2017 'Against anything I had ever been told was possible, I was turning white. Suburban Australia. Sweltering heat. Three bedroom blonde-brick. Family of five. Beat-up Ford Falcon. Vegemite on toast. Maxine Beneba Clarke's life is just like all the other Aussie kids on her street. Except for this one, glaring, inescapably obvious thing. From one of Australia's most exciting writers, and the author of the multi-award-winning FOREIGN SOIL, comes THE HATE RACE: a powerful, funny, and at times devastating memoir about growing up black in white middle-class Australia. Fourteen-year-old Francis Tucket is heading west on the Oregon Trail with his family by wagon train. When he receives a rifle for his birthday, he is thrilled that he is being treated like an adult. But Francis lags behind to practice shooting and is captured by Pawnees. It will take wild horses, hostile tribes, and a mysterious one-armed mountain man named Mr. Grimes to help Francis become the man who will be called Mr. Tucket. An alien race calls on one woman to revive mankind after Earth's apocalypse in this science fiction classic from the award-winning author of Parable of the Sower. Lilith Iyapo has just lost her husband and son when atomic fire consumes Earth—the last stage of the planet's final war. Hundreds of years later Lilith awakes, deep in the hold of a massive alien spacecraft piloted by the Oankali—who arrived just in time to save humanity from extinction. They have kept Lilith and other survivors asleep for centuries, as they learned whatever they could about Earth. Now it is time for Lilith to lead them back to her home world, but life among the Oankali on the newly resettled planet will be nothing like it was before. The Oankali survive by genetically merging with primitive civilizations—whether their new hosts like it or not. For the first time since the nuclear holocaust, Earth will be inhabited. Grass will grow, animals will run, and people will learn to survive the planet's untamed wilderness. But their children will not be human. Not exactly. Featuring strong and compelling characters and exploring complex themes of gender and species, Octavia E. Butler presents a powerful, postapocalyptic interplanetary epic, as well as a ray of hope for humanity. This ebook features an illustrated biography of Octavia E. Butler including rare images from the author's estate. From Gary Paulsen, the bestselling and much-loved author of Hatchet, comes another high-stakes survival story about a young boy on the knife-edge between life and death, where the raging seas meet a coastal wilderness. When a deadly plague reaches the small fish camp where he lives, an orphan named Leif is forced to take to the water in a cedar canoe. He flees northward, following a wild, fjord-riven shore, thrown from one danger to the next, unsure of his destination. Yet the deeper into his journey he paddles, the closer Leif comes to his truest self as he connects to the heartbeat of the ocean, the pulse of the sea. A stunning historical adventure with hints of Nordic mythology and an irresistible narrative pull, Northwind is Gary Paulsen at his captivating, adventuresome best. After an almost fatal car crash, novelist Paul Sheldon finds himself being nursed by a deranged fan who holds him captive. A beloved classic that captures the powerful bond between man and man's best friend. Billy has long dreamt of owning not one, but two, dogs. So when he's finally able to save up enough money for two pups to call his own—Old Dan and Little Ann—he's ecstatic. It doesn't matter that times are tough; together they'll roam the hills of the Ozarks. Soon Billy and his hounds become the finest hunting team in the valley. Stories of their great achievements spread throughout the region, and the combination of Old Dan's brawn, Little Ann's brains, and Billy's sheer will seems unbeatable. But tragedy awaits these determined hunters—now friends—and Billy learns that hope can grow out of despair, and that the seeds of the future can come from the scars of the past. Saul Indian Horse is a child when his family retreats into the woods. Among the lakes and the cedars, they attempt to reconnect with half-forgotten traditions and hide from the authorities who have been kidnapping Ojibway youth. But when winter approaches, Saul loses everything: his brother, his parents, his beloved grandmother—and then his home itself. Alone in the world and placed in a horrific boarding school, Saul is surrounded by violence and cruelty. At the urging of a priest, he finds a tentative salvation in hockey. Rising at dawn to practice alone, Saul proves determined and undeniably gifted. His intuition and vision are unmatched. His speed is remarkable. Together they open doors for him: away from the school, into an all-Ojibway amateur circuit, and finally within grasp of a professional career. Yet as Saul's victories mount, so do the indignities and the taunts, the racism and the hatred—the harshness of a world that will never welcome him, tied inexorably to the sport he loves. Spare and compact yet undeniably rich, Indian Horse is at once a heartbreaking account of a dark chapter in our history and a moving coming-of-age story. "Shocking and alien, valuable and true... This digital edition allows young readers and lifelong fans to continue the legacy and love of a classic that will now reach an even wider audience. "Once there was a tree...and she loved a little boy." So begins a story of unforgettable perception, beautifully written and illustrated by the gifted and versatile Shel Silverstein. This moving parable for all ages offers a touching interpretation of the gift of giving and a serene acceptance of another's capacity to love in return. Every day the boy would come to the tree to eat her apples, swing from her branches, or slide down her trunk...and the tree was happy. But as the boy grew older he began to want more from the tree, and the tree gave and gave and gave. This is a tender story, touched with sadness, aglow with consolation. Shel Silverstein's incomparable career as a bestselling children's book author and illustrator began with Lafcadio, the Lion Who Shot Back. He is also the creator of picture books including A Giraffe and a Half, Who Wants a Cheap Rhinoceros?, The Missing Piece, The Missing Piece Meets the Big O, and the perennial favorite The Giving Tree, and of classic poetry collections such as Where the Sidewalk Ends, A Light in the Attic, Falling Up, Every

Brian sets out on the hunt of a lifetime in this follow-up to the award-winning classic Hatchet from three-time Newbery Honor-winning author Gary Paulsen! Brian Robeson has stood up to the challenge of surviving the wilderness in Hatchet, The River, Brian's Winter, and Brian's Return. Now, while camping alone on a lake in the woods, he finds a wounded and whimpering dog. As Brian treats her wounds, he worries about who or what did this to her. His instincts tell him to head north, quickly, to check on his Cree friends. With his new companion at his side, he sets out on the hunt. Gary Paulsen expertly delivers a riveting story that brilliantly combines two of his great themes: the human animal's place in nature, and the mysterious and wonderful bond between humans and dogs. “The Brian books reveal nature and humankind's place in it with spare prose that seems ideally suited to the setting and plot.” —VOYA “Based on real incidents, this well-written sequel to Hatchet and its successors will be gobbled up by the author's legions of fans.” —Kirkus Reviews Read all the Hatchet Adventures! Brian's Winter The River Brian's Return Brian's Hunt Celebrate the thirtieth anniversary of the Newbery Honor-winning survival novel Hatchet with a pocket-sized edition perfect for travelers to take along on their own adventures. This special anniversary edition includes a new introduction and commentary by author Gary Paulsen, pen-and-ink illustrations by Drew Willis, and a water resistant cover. Hatchet has also been nominated as one of America's best-loved novels by PBS's The Great American Read. Thirteen-year-old Brian Robeson, haunted by his secret knowledge of his mother's infidelity, is traveling by single-engine plane to visit his father for the first time since the divorce. When the plane crashes, killing the pilot, the sole survivor is Brian. He is alone in the Canadian wilderness with nothing but his clothing, a tattered windbreaker, and the hatchet his mother had given him as a present. At first consumed by despair and self-pity, Brian slowly learns survival skills—how to make a shelter for himself, how to hunt and fish and forage for food, how to make a fire—and even finds the courage to start over from scratch when a tornado ravages his campsite. When Brian is finally rescued after fifty-four days in the wild, he emerges from his ordeal with new patience and maturity, and a greater understanding of himself and his parents. NATIONAL BESTSELLER “Elie Honig has written much more than a compelling takedown of an unfit attorney general; he also offers a blueprint for how impartial and apolitical justice should be administered in America.”—Preet Bharara “An essential analysis for anyone committed to understanding the abuses of the Trump administration so we can ensure they never happen again.”—Joyce White Vance “Essential reading for all who cherish the rule of law in America.”—George Conway "Written with all the color and pacing of a legal thriller."—Variety CNN Senior Legal Analyst Elie Honig exposes William Barr as the most corrupt attorney general in modern U.S. history, with stunning new scandals bubbling to the surface even after Barr's departure from office. In Hatchet Man, former federal prosecutor Elie Honig uncovers Barr's unprecedented abuse of power as Attorney General and the lasting structural damage done to the Justice Department. Honig uses his own experience as a prosecutor at DOJ to show how, as America's top law enforcement official, Barr repeatedly violated the Department's written rules, and those vital, unwritten norms and principles that comprise the “prosecutor's code.” Barr was corrupt from the beginning. His first act as AG was to distort the findings of Special Counsel Robert Mueller, earning a public rebuke for his dishonesty from Mueller himself and, later, from a federal judge. Then, Barr tried to manipulate the law to squash a whistleblower's complaint about Trump's dealings with Ukraine—the report that eventually led to Trump's first impeachment. Barr later intervened in an unprecedented manner to undermine his own DOJ prosecutors on the cases of Michael Flynn and Roger Stone, both political allies of the President. And then Barr fired the U.S. Attorney for the Southern District of New York under false pretenses. Finally, Barr amplified baseless theories about massive mail-in ballot fraud, pouring gasoline on the dumpster fire battle over the 2020 election results and contributing to the January 6 insurrection that led to Trump's second impeachment. In Hatchet Man, Honig proves that Barr trampled the two core virtues that have long defined the department and its mission: credibility and independence - ultimately in service of his own deeply-rooted, extremist legal and personal beliefs. Honig shows how Barr corrupted the Justice Department and explains what we must do to prevent this from ever happening again.
