Do others look to you for leadership? Do you face a major task or shoulder heavy responsibilities? Do you want to take your leadership skills to a higher level? When Nehemiah confronted the task of rebuilding Jerusalem's wall, he was heartbroken by the damage he saw and nearly overwhelmed by the task that lay before him. Yet through the application of timeless leadership principles, Nehemiah completed this nearly impossible project, and laid a pattern for success which is just as valid for us today. Charles Swindoll brings his sensible and straightforward style to offer a deeply spiritual approach to the role of leader. Whatever the context, secular or ministerial, he demonstrates how to size up a task, organize and motivate a team, and respond to inevitable obstacles such as these: Unforeseen setbacks Unrelenting deadlines Criticism and outside resistance Personality conflicts Financial pressures and temptations The insights that Swindoll draws from Nehemiah's wise administration will change your approach to leadership forever. Free. Unearned. A gift. God's acceptance

comes with no strings attached as you trust in His Son, Jesus. This is the whole gospel. But for 2000 years, Christians—including the first-century Galatians—have often believed they must add performance requirements to the gospel in order to truly earn God's approval. Listen in as the apostle Paul blows the lid off this self-deception by explaining...: why the Good News becomes bad news when you mix it with rules, how to sniff out people who are promoting a false, "rules-added" gospel, why adding requirements to God's grace actually subtracts from your enjoying Christ, why trust is the only thing needed to receive God's grace and live in it day to day, Galatians shows you that life in God's Spirit, through His grace, is still His plan for freedom—so you can live out your full potential as His child. Book jacket. Paul's epistle to the Galatians can be summarized by one simple question: What is the gospel? What is the real gospel, as opposed to false gospels or (to use Paul's own terminology) perverted gospels? This expository book provides clear, easy-to-read answers. The Galatian letter is Paul's response to those in every age who would try to tamper with the essential message of the Gospel: That salvation is obtained by faith, not law, and that freedom in Christ moves us to live by the Spirit of God, not the spirit of this world. Paul was the most influential figure in the early Christian church. In this epistle, written to the founders of the church in Rome, he sets out some of his ideas on the importance of faith in overcoming mankind's innate sinfulness and in obtaining redemption. With an introduction by Ruth Rendell For several months, prior to publication, some people were asking that we should write this book and that it be entitled, "The Message Of The Cross". • I believed then and now that their request was from the Lord. Consequently, this book is the result of that need. • This Message, "The Message Of The Cross" is the single most important Message of the Word in any language. The Salvation of the soul and how we live for God is important beyond comprehension. • I feel every Believer will be greatly strengthened in the Word if they will avail themselves of this publication. Les Wheeldon sets out to challenge his readers to study one of the most searching books of the New Testament. Paul's letter to the Galatians can deeply change a person's life. Its message has the power to transform us and our whole approach to Christ and the Christian life. God Himself was speaking to the Christians in Galatia and beyond them to Christians everywhere. This short letter can open up a world of love, joy and peace in the power of the Holy Spirit. Grace is supposed to be amazing, but all too often the Christian life can be more about keeping stuffy rules than enjoying a relationship with Christ. The tendency to add works to salvation has been a thorny problem since the gospel was first preached. Legalism--the doctrine of salvation by works--robs the Christian of the grace-filled life. The book of Galatians is like an emancipation proclamation that says, "If the Son has set you free, then you are free at last!" The liberating message of Galatians says believers are free from sin, regulations, and guilt. Free from the need to measure up. Free to be loved by Christ and changed by his grace. Galatians is a guide for recovering Pharisees, and in Free at Last, Derrick McCarson takes us on a verse-by-verse journey through Paul's bondage-busting manifesto. You may be surprised to learn that Paul's message of grace is still as relevant today as it was centuries ago. While the culture has changed much in those intervening years, mankind's inherent desire for performance-based religion has not. This book is a timely reminder to Christians everywhere that if we aren't living by grace, then we have succumbed to spiritual slavery. Paul's letter to the Galatians is not only a defense of his authority as an apostle, but also a celebration of the remarkable grace offered through Jesus Christ. John Stott's teachings from The Message of Galatians are offered here as brief daily devotional readings, with nine weekly studies that take small groups passage by passage through Galatians. Galatians deals with the concern of the Christian's relationship to the Mosaic Law. The kingdom of God is the central theme of Jesus' preaching. Through stories and images, Jesus teaches that God's presence among us—his powerful reign—is both mighty and quiet, both welcoming and demanding. As small as a seed and as grand as a great dinner party, the kingdom of God grows among us and transforms everyone who embraces it. In this volume of *Alive in the Word*, New Testament scholar Frank Matera explores three gospel passages that will orient you to this essential, transforming message of Jesus. In Christ we have salvation as a gift of grace. But what is our responsibility? These studies from Galatians help us understand what God—not others—requires of his followers and how we can live out our faith in both obedience and freedom. In this newly updated Bible study guide you can explore Scripture under John Stott's guidance. "The book of Galatians stands as a bulwark against self-help salvation and man-made religion, observes author Jerry Jones. In his thoughtful study of Paul's letter to a young church torn apart by false teachers, Jones discovers clear guidelines for understanding the true nature of the gospel and recognizing counterfeit versions. Concerned by current trend legalistic 'saved-by-work' Christianity, Jones searches Galatians for answers to vitally important questions of faith. How is the Christian justified and what is the life-style he will lead as a free person in Christ? Is the gospel sufficient to save apart from human effort?"--Back cover. The NIV Application Commentary helps you communicate and apply biblical text effectively in today's context. In Galatians, Paul reminds us of the total sufficiency of Jesus in securing our salvation, and of the leadership of the Holy Spirit for living it out. Calling us back to the simplicity of Christ, Galatians is as critically important for us today as it was when Paul first penned it. Exploring the links between the Bible and our own times, Scot McKnight shares perspectives on the letter to the Galatians that reveal its enduring relevance for our twenty-first-century lives. To bring the ancient messages of the Bible into today's context, each passage is treated in three sections: Original Meaning. Concise exegesis to help readers understand the original meaning of the biblical text in its historical, literary, and cultural context. Bridging Contexts. A bridge between the world of the Bible and the world of today, built by discerning what is timeless in the timely pages of the Bible. Contemporary Significance. This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages. The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved. This unique, award-winning commentary is the ideal resource for today's preachers, teachers, and serious students of the Bible, giving them the tools, ideas, and insights they need to communicate God's Word with the same powerful impact it had when it was first written. After the Apostle Paul returned from his first missionary journey, he heard that a certain group of legalistic Jewish Christians had infiltrated the churches he had established. These false teachers were teaching that new Christians

had to be circumcised and follow the Old Testament law in order to be truly saved. Paul, realizing the gospel was at stake, wrote this letter in response. In *Galatians Verse by Verse*, experienced New Testament scholar sets forth Paul's laser-focused argument: Jesus is not only the Messiah; he came to inaugurate a new era in salvation history. In this new era, Christians are not made right with God by obeying the law; justification is by faith alone. This frees believers to live their lives not trying to earn salvation, but instead joyfully keeping in step with the Spirit. Pastors, Bible study leaders, and invested laypeople will all benefit from Osborne's careful reading of the text and commitment to making sense of the New Testament without scholarly jargon. The Osborne New Testament Commentary Series is a set of commentaries on every New Testament book. In each volume, Grant R. Osborne seeks to carefully exposit the text in plain language, bringing out the treasures in each book and making them accessible for today's readers. A systemic problem plagues the local and global church: we habitually lose the gospel. The gospel has been equated with everything from personal prosperity to laws for virtuous living. But all such perceptions paralyze the mission of the church, which is aimed at finding true abundant and joyful life in Christ. In *Galatians*, the Apostle Paul engages in a passionate defense of the gospel. It may be a short book, but the consequences of its teaching are truly enormous. Martin Luther found such joy and peace in its pages that he said, "The Epistle to the Galatians is my epistle. To it I am as it were in wedlock. It is my Katherine"--Luther's beloved wife. The critical message of *Galatians* takes us into the heart of an experience--the enjoyment of God's presence and everlasting peace--one which sets us free to love and be loved. In *Live in Liberty*, Daniel Bush and Noel Due bring out the spiritual message of Paul's words, helping you apply it to your mind and soul so that you may experience the liberating presence of God. Also included is a study guide by Lee Beckham.--Publisher description. This accounts for the many new battles we have to wage nowadays. But the attacks of the old Serpent are not without profit to us, for they confirm our doctrine and strengthen our faith in Christ. Many a time we were wrestled down in these conflicts with Satan, but Christ has always triumphed and always will triumph. Do not think that the Galatians were the only ones to be bewitched by the devil. Let us realize that we too may be seduced by Satan. *Galatians* is the inaugural volume in an exciting new commentary series, *The Bible in Medieval Tradition*, which seeks to reconnect today's Christians with a rich history of biblical interpretation. In this book Ian Christopher Levy has brought together commentaries on Paul's Epistle to the Galatians written by six medieval theologians spanning the ninth to the fourteenth centuries. Levy provides clear, readable translations of these significant texts which have never before been available in English or, in most cases, any modern language. He sets these works in historical and theological context through his in-depth introduction, locating each author within the broad sweep of medieval scholarship. These remarkable Medieval commentaries, written from a deep and pervasive faith, aimed not only to increase knowledge but, more vitally, to enhance and deepen Christian belief and piety an object of everlasting relevance to the Church. *ESV Scripture Journal: Exodus* positions the full text of the book of Exodus opposite lightly lined blank pages for recording notes and prayers--a great resource for personal Bible reading and reflection, group Bible studies, or sermon notes. This 12-week study leads readers through the book of Galatians, highlighting how the gospel gives Christians a new identity as adopted sons and daughters of God. Part of the *Knowing the Bible* series. Timothy Keller's expository guide to Galatians is a personal and group curriculum that will excite ordinary Christians in their faith and equip teachers and preachers in their work. This book provides a comprehensive biblical and theological survey of the people of God in the Old and New Testaments, offering insights for today's transformed and ethnically diverse church. Jarvis Williams explains that God's people have always been intended to be a diverse community. From Genesis to Revelation, God has intended to restore humanity's vertical relationship with God, humanity's horizontal relationship with one another, and the entire creation through Jesus. Through Jesus, both Jew and gentile are reconciled to God and together make up a transformed people. Williams then applies his biblical and theological analysis to selected aspects of the current conversation about race, racism, and ethnicity, explaining what it means to be the church in today's multiethnic context. He argues that the church should demonstrate redemptive kingdom diversity, for it has been transformed into a new community that is filled with many diverse ethnic communities. To enclaves of young converts tucked away in the mountains of Asia Minor, Paul wrote what is perhaps the oldest document in the New Testament--the letter to the Galatians. What problems were they facing? Among a variety of religious authorities espousing different teachings, how were they to know who was right? How were men and women to be put right with God? How could Christians in the midst of a pagan culture live lives truly pleasing to God? 'Only one way--' answered Paul, 'through Jesus Christ.' His answer holds true for us as well. The details of our struggle have changed since Paul's day, but the principles he sets forth are as timeless as the Lord he exalts. In this book John Stott help us to understand and apply the message of Galatians in the face of contemporary challenges to our faith. "The substance of the following chapters was preached to the evening congregation of All Souls, Langham Place, London, between October 1965 and July 1966, in a course of twenty sermons."--from the Preface. This phrase-by-phrase commentary and exposition of the New Testament books of 2 Corinthians and Galatians is in use as a college textbook, yet is suitable for lay church members. 2 Corinthians and Galatians were written by Paul during the same time period of his life, to two different churches wrestling with similar, thorny issues. The threat to New Testament Christianity posed by the Judaizers is rightly framed by information learned from 2 Corinthians and Galatians. Time and again in 2 Corinthians, Paul emphasizes his apostolic message and apostolic authority, and insists that the new covenant gospel message which reflects the truths Jesus taught during His earthly ministry is what is now to be preached. The new covenant Scriptures are to be treated as our rule of faith and practice. In Galatians, Paul examines what is involved in the faith that God looks for as He would justify men who have sinned. Is it faith alone (i.e., knowledge, assent, and trust), or is it a faith that includes obedience to what God has said? In his words to Peter - "a man is not justified by works of the Law but through faith in Christ Jesus" (Galatians 2:16) - Paul persuasively proves that the faith that saves is habitually doing what God says, not walking by man-made religious rules. The Judaizers who championed rules like the Pharisees taught were distorting the gospel message as preached by Jesus' apostles

(Galatians 1:7). This commentary is conservative evangelical Christian in outlook, yet skillfully examines the Scriptures from multiple theological viewpoints. Introductory Studies cover authorship and attestation, place and date of writing, original target audience to whom the letters were addressed, and the original purpose for writing. Two extended Special Studies address issues crucial to our understanding of how God deals with people He would save: Readers are introduced to the Dead Sea Scroll referred to as 4QMMT and the subject "works of the Law." The study demonstrates how 4QMMT helps us rightly understand Paul's contrast of faith v. works of the Law. Justification by Faith is given extended treatment, and key theological questions are addressed. Biblically, what is "justification" and what is "faith"? Is sola fides (faith alone) the condition upon which God justifies sinful men? How and how often is justification applied to men by God? And how has our understanding of the New Testament been impacted by the New Perspective on Paul that has dominated theological discussions for the past 30+ years? Since this commentary presumes the God-inspired nature of all Biblical writing, the author seeks to harmonize the teachings of 2 Corinthians and Galatians with other relevant Scriptures, and also helpfully examines the original language in which the epistles were written. An annotated bibliography of other commentaries on 2 Corinthians and Galatians encourages readers to extend their own studies. This commentary continues the author's series on the books of the New Testament, and is written from the unique standpoint of the Restoration Movement, a position which allows him to approach Scripture with no special theological doctrine or dogma to defend and explicate. This approach provides an unhindered freedom to listen to what the Holy Spirit would tell us within the pages of sacred Scripture. By deliberately employing the time-honored grammatico-historical method of interpretation, the Word of God is allowed to impress upon our minds the intent the Divine Author had in mind. The author is Professor Emeritus at Central Christian College of the Bible (Moberly, MO). While slavery has been outlawed in the United States since the Civil War, a form of slavery that is ideological in nature holds numerous African Americans in bondage. In *No Longer Slaves* Brad Braxton brings the New Testament message of Galatians into conversation with the African American culture, a message that echoes Paul's directive that the Galatians need not any longer be slaves to their oppressors. *New York Times* bestseller *What is Jesus worth to you?* It's easy for American Christians to forget how Jesus said his followers would actually live, what their new lifestyle would actually look like. They would, he said, leave behind security, money, convenience, even family for him. They would abandon everything for the gospel. They would take up their crosses daily... But who do you know who lives like that? Do you? In *Radical*, David Platt challenges you to consider with an open heart how we have manipulated the gospel to fit our cultural preferences. He shows what Jesus actually said about being his disciple--then invites you to believe and obey what you have heard. And he tells the dramatic story of what is happening as a "successful" suburban church decides to get serious about the gospel according to Jesus. Finally, he urges you to join in *The Radical Experiment* -- a one-year journey in authentic discipleship that will transform how you live in a world that desperately needs the Good News Jesus came to bring. An extremely pertinent commentary on Galatians for both minister and student. As the Galatians were unsettled by the opinions of false teachers, so many Christians today are uneasy-- thanks to the treacherous utterances of some contemporary theologians. Clark Pinnock delves into the central thought of the letter that "Salvation is a matter of believing, not achieving," clearly stressing faith in Christ as Savior and his belief in the Bible as God's inerrant Word. In the July 25, 1899, issue of the *Adventist Review and Sabbath Herald*, the co-editor Alonzo T. Jones wrote: "Several letters have been received asking what law is the subject of consideration in the book of Galatians." His answer was: "Not any law at all; it is the gospel that is the subject, and the whole subject, under consideration in the book of Galatians." Thus he began an in-depth series of studies that lasted sixteen months. The results are faithfully reproduced here for use in your study and personal growth. To enclaves of young converts tucked away in the mountains of Asia Minor, Paul wrote what is perhaps the oldest document in the New Testament - the letter to the Galatians. What problems were they facing? Among a variety of religious authorities espousing different teachings, how were they to know who was right? How were men and women to be put right with God? How could Christians in the midst of a pagan culture live lives truly pleasing to God? 'Only one way -' answered Paul, 'through Jesus Christ.' His answer holds true for us as well. The details of our struggle have changed since Paul's day, but the principles he sets forth are as timeless as the Lord he exalts. ?Jesus is the only way - a timeless truth, beautifully expounded by John Stott from Paul's letter to the Galatians. Acts is the sequel to Luke's gospel and tells the story of Jesus's followers during the 30 years after his death. It describes how the 12 apostles, formerly Jesus's disciples, spread the message of Christianity throughout the Mediterranean against a background of persecution. With an introduction by P.D. James A life-changing journey through all sixty-six books in the Bible. Each volume in these study guides combine the classic insights from Swindoll with the timeless truths from the Bible. This user-friendly devotional commentary divides the text of Galatians and Ephesians into bite-sized passages using a new translation by the author. Each passage is followed by an explanation that reveals themes and patterns, moving from exegesis to practical application in the lives of twenty-first century believers. The format will prove helpful for church study groups, midweek meetings, equipping the reader to understand better God's message of transforming grace today. This book tells the story of the formation of classical Judaism and orthodox Christianity as parallel yet interlocking histories. Here, in a series of chapters written by leading scholars in this country and in Israel, the reader is offered a general account of how, during the first six centuries of the Common Era, Judaism and Christianity took the form we recognize today. This complete series of New Testament commentaries edited by John Stott is characterized by a threefold ideal: to expound the biblical text with accuracy, to relate biblical teaching to contemporary life and to be readable. Perfect for Sunday school teachers, small group leaders, seminary and college students and individual Bible readers. Insightful and heart-warming, this classic book is written for those who seek to know God better. It unfolds life-impacting, biblical truths and has been called a "soul-stirring celebration of the pleasures of knowing God." Did Jesus claim to be the "bridegroom"? If so, what did he mean by this claim? When Jesus says that the wedding guests should not fast "while the bridegroom is with them" (Mark 2:19), he is claiming to be a bridegroom by intentionally alluding to a rich

tradition from the Hebrew Bible. By eating and drinking with "tax collectors and other sinners," Jesus was inviting people to join him in celebrating the eschatological banquet. While there is no single text in the Hebrew Bible or the literature of the Second Temple Period which states the "messiah is like a bridegroom," the elements for such a claim are present in several texts in Isaiah, Jeremiah, and Hosea. By claiming that his ministry was an ongoing wedding celebration he signaled the end of the Exile and the restoration of Israel to her position as the Lord's beloved wife. This book argues that Jesus combined the tradition of an eschatological banquet with a marriage metaphor in order to describe the end of the Exile as a wedding banquet. A reasonably priced, quality black hardcover pew and ministry Bible featuring a large 12-point font.
