*Show Tunes Jan 26 2022 Show Tunes fully chronicles the shows, songs, and careers of the major composers of the American musical theatre, from Jerome Kern's earliest interpolations to the latest hits on Broadway. Legendary composers like Gershwin, Rodgers, Porter, Berlin, Bernstein, and Sondheim have been joined by more recent songwriters like Stephen Schwartz, Stephen Flaherty, Michael John LaChiusa, and Adam Guettel. This majestic reference book covers their work, their innovations, their successes, and their failures. Show Tunes is simply the most comprehensive volume of its kind ever produced, and this newly revised and updated edition discusses almost 1,000 shows and 9,000 show tunes. The book has been called "a concise skeleton key to the Broadway musical" (Variety) and "a ground-breaking reference work with a difference" (Show Music)-or, as the Washington Post observed, "It makes you sing and dance all over your memory." The eagerly anticipated Fourth Edition, updated through May, 2009, features the entire theatrical output of forty of Broadway's leading composers, in addition to a wide selection of work by other songwriters. The listings include essential production data and statistics, the most extensive information available on published and recorded songs, and lively commentary on the shows, songs, and diverse careers. Based on meticulous research, the book also uncovers dozens of lost musicals-including shows that either closed out of town or were never headed for Broadway-and catalogs hundreds of previously unknown songs, including a number of musical gems that have been misplaced, cut, or forgotten. Informative, insightful, and provocative, Show Tunes is an essential guide for anyone interested in the American musical.*

Мэри Леннокс, жестокое и испорченное дитя высшего света, потеряв родителей в Индии, возвращается в Англию, на воспитание к дяде-затворнику в его поместье. Однако дядя находится в постоянных отъездах, и Мэри начинает исследовать округу, в ходе чего делает много открытий, в том числе находит удивительный маленький сад, огороженный стеной, вход в который почему-то запрещен. Отыскав ключ и потайную дверцу, девочка попадает внутрь. Но чьи тайны хранит этот загадочный садик? И нужно ли знать то, что находится под запретом?.. Впрочем, это не единственный секрет в поместье...*

*Democracy at the Opera Mar 04 2020 Was there opera - and just what was it like - in New York City before the advent of the Metropolitan Opera Company? In exploring these questions, Karen Ahlquist describes the social,*

cultural, economic, and esthetic factors that led to the assimilation of Italian opera - a complex, expensive genre of elitist reputation - into New York's business oriented community, with its English cultural heritage and sacred republican traditions. In her lively description of opera as few today can imagine it, Ahlquist considers Jacksonian-era efforts to create a polite social setting, the influence of a socially based clash between "respectability" and broad public access, and the role of music in shaping, not just reflecting, social and cultural life.

"Music and Orientalism in the British Empire, 1780s?940s " Dec 01 2019 Filling a significant gap in current scholarship, the fourteen original essays that make up this volume individually and collectively reflect on the relationship between music and Orientalism in the British Empire over the course of the long nineteenth century. The book is in four themed sections. 'Portrayal of the East' traces the routes from encounter to representation and restores the Orient to its rightful place in histories of Orientalism. 'Interpreting Concert Music' looks at one of the principal forms in which Orientalism could be brought to an eager and largely receptive - yet sometimes resistant - mass market. 'Words and Music' investigates the confluence of musical and Orientalist themes in different genres of writing, including criticism, fiction and travel writing. Finally, 'The Orientalist Stage' discusses crucial sites of Orientalist representation - music theatre and opera - as well as

tracing similar phenomena in twentieth-century Hindi cinema. These final chapters examine the rendering of the East as 'unachievable and unrecognizable' for the consuming gaze of the western spectator.
