Learn to play one of Bach's most exquisite preludes in just 6 weeks, even if you have never played the piano before. An accessible and inspiring book by the pianist and international bestselling writer James Rhodes, who promises that it gives anyone with two hands, a piano or an electric keyboard and just 45 minutes a day the tools they need to learn to play Bach's Prelude No. 1 in C Major in 6 weeks, even if they know nothing about music and have never even touched a piano before. How often do we convince ourselves that it's just too late - too late to learn how to ride a bike, too late to know how to meditate, too late to travel the world... As we get older and time slips through our fingers like water, we become resigned, almost defeatist, about abandoning our dreams. For James Rhodes, after the inevitable "How many hours a day do you practice?" and "Show me your hands", the most common thing people say to him when they hear he's a pianist is "I used to play the piano as a kid. I really regret giving it up". Where does this mourned and misplaced creativity go? For Rhodes, it's still there to be tapped into by all of us, at any point. This inspirational book gives us the means to do this, by breaking up Bach's seminal Prelude No. 1 from the Well-Tempered Clavier into manageable segments, teaching us the basics of piano playing - how to read music, the difference between the treble and the bass clef, sharp and flat notes, how to practice etc.. - and encouraging personal interpretation in a way that is guaranteed to soothe the mind, feed the soul and unleash creative powers we didn't know we still had. All of this will culminate in an ability to perform one of Bach's masterpieces. "If listening to music is soothing for the soul, then playing music is achieving enlightenment. It's going from kicking a ball around with a few pals to playing alongside Ronaldo." El presente libro constituye el fruto de una acuciosa investigación sobre La dinámica del lenguaje radioperiódico. Es un valioso auxiliar, no sólo para aquellos que se inician en las actividades del periodismo radial, sino incluso para quienes llevan tiempo ejerciendo profesionalmente en esta actividad. Así como, los diferentes montajes, diseños sonoros, leyes que mueven la atención y el interés, la realización de los géneros periódicos, espacios informativos y programas especiales informativos. This comprehensive approach to functional musicianship at the keyboard includes varied repertoire, theory, technique, sight-reading, harmonization from lead sheets, ear training and ensembles. " Sur cet aveu de désespoir de celle qui disait à son public " Ma plus belle histoire d'amour, c'est vous " s'ouvrent ces Mémoires, que la mort - survenue en novembre 1997 - ne lui laissa pas le temps d'achever. Nous y rencontrons la petite fille des Batignolles, qu'une enfance vagabonde, sur fond d'Occupation, amènera notamment à Marseille, à Tarbes, à Saint-Marcellin, avant le retour à Paris. Puis la jeune fille qui, bravant la

misère et les déceptions, poursuivra obstinément son rêve : chanter, devant un piano noir, jusqu'aux débuts à L'Ecluse, aux premiers succès, aux tournées... Témoignage sensible et vrai sur un métier, la chanson, ce livre est aussi et avant tout l'autoportrait d'une femme rebelle, artiste, solitaire malgré l'adulation de ses fans, et qui aura retenu jusqu'au bout quelques aveux déchirants, livrés dans ces pages. Piano students of all ages enjoy playing pieces in the boogie and blues style. According to the author, Something to Read is, precisely, “Something to read in the toilet”, in those moments of silent reflection and free time which the loo allows. It is not, however, an entirely broad-minded text. It has got much of that typical British humour –which causes a silent smile rather than raucous laughter. Furthermore, it has elements of a travelogue, and much of British popular lore. In its pages, readers will find themselves faced with a collection of anecdotes which can be taken as a legacy for generations to come. As in a cocktail, these ingredients are mixed to obtain a refreshing and unique flavour. A decir de su autor, Algo para leer es, precisamente, “Algo para leer en el baño”, en esos momentos de silenciosa reflexión y tiempo muerto que el toilette permite. Hay mucho del característico humor inglés –ese que produce una sonrisa “interna” más que una estentórea carcajada. Hay, también, elementos de un travelogue (diario de viajes), y bastante del saber popular inglés. En sus páginas el lector se hallará frente a un anecdotario que puede tomarse como legado

para generaciones futuras. Como en un cóctel, estos ingredientes se mezclan para lograr un sabor único y refrescante. The contents of the Solo Sounds folios features works on State Contest lists for each instrument (and pieces that are likely list candidates). Two folios are available for each instrument (flute, clarinet, oboe, alto saxophone, trumpet, trombone, French horn, and tuba), both with supplementary piano accompaniment volumes.
