The inimitable Baby
brings a humorous
spin to the holidays
in a board book fit
for Easter baskets.
The Easter Bunny is
coming! It's time to
dye eggs. Did you
know that red and
blue make purple?
That blue and
yellow make green?
That an art project
may result in a
multicolored Baby?
There are bunny
ears to wear (for
the dog and cat,
too) and an Easter
basket to put out
before bedtime.
What will Baby find
inside it the next

morning? Baby, a
toddler, decides to
use the potty for
the first time. A
comically
expressive tot pays
tribute to the all-
important BLANKIE
in a bright, playful
board book sure to
have instant toddler
appeal. Anyone
who's spent time
with a toddler
knows that few
crises compare with
the (even
temporary) loss of a
favorite blankie.
Here, in her
humorous, bold
graphic style, Leslie
Patricelli plays up
this scenario, surely
near and dear to

every toddler's heart. BLANKIE is an affectionate ode to that special object that comforts many a child through the dramas of each day. Shadows, strangers, thunder and lightning! Sometimes a toy doggie gets scared. Don't worry, Doggie, Baby is here. Baby's toy doggie is scared of many things: shadows, swimming pools, strangers, loud noises. Boom! Good thing Baby is there to help, with a trusty blankie (which sometimes works). Baby also comforts Doggie at daycare and at the playground when Mommy steps out of their sight. But when Doggie himself goes missing, could that

be too scary even for brave Baby? Leslie Patricelli gives a fearless new spin to a universal toddler experience—and offers a few suggestions for things that can help the scary go away. A comically expressive tot pays tribute to the all-important BINKY in a bright, playful board book sure to have instant toddler appeal. Anyone who's spent time with a toddler knows that few crises compare with the (even temporary) loss of a favorite binky. Here, in her humorous, bold graphic style, Leslie Patricelli plays up a scenario near and dear to every toddler's heart, raising the plaintive

question: can there be any peace in the house when a beloved binky is not to be found? From everyone's favorite one-haired baby comes a fond and funny ode to a special daddy, for Father's Day or any day. Uppy, Daddy! Up so high. On the shoulders. Touch the sky. Baby's daddy is big and strong, and his legs are so, so long. He plays horsey, he sings, he cooks, he cleans--this daddy can do anything! In a sweet, simple board book threaded with signature humor, Leslie Patricelli pays tribute to the bond between a little one and a doting daddy. Hooray! SPLASH! Leslie Patricelli's beloved Baby is

back! (Ages 1-3) It's time for a bath! Whee! And Baby obliges as only he can, playing with bubbles (and using them to make facial disguises from Santa's beard to bunny ears), imitating a motorboat, and letting Mommy wash his single hair. And what would tubby time be without running away naked and shiny clean--only to be scooped up and tickled? A beloved bedtime ritual takes on new joy in Leslie Patricelli's bright artwork, exuberant language, and simple, familiar scenes. "Tailor-made for the very young. An absolute delight." — School Library Journal A day at the park. A ride on Daddy's

back. Run, Daddy! Faster! Faster! How fast can Daddy go? Faster than a dog? A horse? How about a cheetah? Leslie Patricelli reprises the duo from Boston Globe-Horn Book Honor winner Higher! Higher! in another humorous riff on a favorite pastime — a laugh-out-loud-funny tale of few words about doting dads and high-energy kids whose imaginations know no bounds. Every day is Mother's Day as the inimitable Baby sings Mommy's praises in a board book full of humor and heart. Now we dance. Wiggle, wiggle. I can make my mommy giggle! Mommy gives hugs and kisses and says Baby's belly is

delicious. She makes spaghetti that's yummy and cleans Baby's face and tummy. Then it's off to the park to play hide-and-seek . . . where's Mommy? Simple (and silly) pleasures abound in this Baby's-eye celebration of a beloved mommy. Towel, hat, sunglasses, sand toys . . . everyone's favorite baby is off and running for a day at the beach—with a new friend. Pack a beach bag and join Baby for that quintessential summer activity: a day at the seashore. With a new buddy in tow to join in the fun, it's time to put on sunscreen (rubby, rubby), set up the umbrella (ouch, this sand is hot!), splash in the waves (run away from the big ones!), and build a sandcastle (extra hands help!). And don't forget ice cream! Thankfully,

there's a shower for rinsing off that sandy, sticky stuff. There's so much to do and see that it might be a challenge to get these babies back home! Little ones off on a summer vacation will soak up this fun adventure, and fans of the beloved Baby will be tickled to meet an adorable new character. to mad can make for a bad day, but Baby is learning some tricks for getting the happy back. Sometimes Baby is sad. And sometimes mad, mad, MAD! Baby screams and falls to the floor, and a spectacular tantrum follows, from furious crying to the final flop. What happens when Baby wants to stop, but even hugging a beloved blankie doesn't dissolve the cranky? Maybe a walkabout is in order, with some mindful breathing to boot? Master of toddler expression Leslie Patricelli turns the focus to feelings in a relatable episode offering some tips for helping the mad go away. A comically

Then it's on to tooth cleaning, hair brushing, bear hugging, and getting cozy in PJs. Finally it's time for a bedtime story ("Again! Again!")

and a song with Mommy before Daddy turns out the light. Kissy kissy! Explores opposites, showing things that are big and little. On board pages. Pleading with her dad to push the swing higher and higher, a little girl wonders just how high she has gone and compares her journey to fantastical feats, like venturing higher than a mountain or shooting straight into space! Whether you're big or little, learning about opposites has never been more fun - or funny - than with this winning book. Ladies are big, but ladybugs are little. Amiably illustrated in a bright, graphic style, Leslie Patricelli's spirited

book, BIG LITTLE, stars an obliging, bald, and very expressive toddler who acts out each pair of opposites with comically dramatic effect. After Athena ties Arachne's shoes for her, Arachne takes the credit for Athena's hard work. But when their friends ask Arachne to teach them how to tie their shoes, Arachne must admit the truth. So Athena comes to the rescue and teaches everybody this important skill. All is forgiven, and the girls are friends again. Conceived and crafted by Greek-mythology expert Joan Holub and illustrated by the bestselling Leslie Patricelli, this book also includes a summary

of the original Arachne myth. A new toddler title charts a crucial achievement. (Ages 1-3) There comes a point in a toddler's life when going in one's diaper is only one possible option, and the question must be raised: Should I go in my potty? With pitch-perfect humor and pacing, Leslie Patricelli follows the inner dialogue (sure to have little ones shouting responses) and hilarious actions of everyone's favorite Baby, winding up with an over-the-top look of surprise and delight that will have both parents and offspring laughing out loud. "I did it!" Is Baby really ready for that first haircut? With the usual panache,

Leslie Patricelli's one-haired wonder leads the way into another new experience. It's important to take care of your hair, even if you only have one! As Baby can tell you, that hair gets washed when it's dirty and brushed when it looks messy. But when it grows and grows, there's only one thing to do. This funny and reassuring look at a toddler rite of passage is ideal for little readers—especially those with a tiny bit of trepidation about that first haircut. A father and daughter spend a day at the park where daddy becomes an array of fast moving animals on which his daughter rides, from a dog and a

rabbit to a horse and a cheetah. Goodbye, crib. Hello, bed! Baby is happy to move on to the next phase of sleep furniture. There's so much to do on a big, soft bed — lie on it, play on it, bounce on it! At bedtime, Daddy tucks Baby in, Mommy says good night, and there's so much space, and the bed feels so . . . different. What now? Trepidation gives way to a good night's sleep in a celebration of a familiar toddler ritual. A baby's emotions quickly turn from happy to sad as a series of events happen at the turn of each page. A subject dear to children's hearts is in the spotlight as Leslie Patricelli's beloved

baby character returns. Watch out! Here comes Tickle Monster! Good thing this baby is NOT ticklish. Well, maybe just the feet . . . hee hee! And the tummy . . . pbbbbb! And, oh no — not the armpits . . . har, har! Eee-hee! A spirited tickle fest winds up as a sweet family cuddle in a story sure to tickle kids' funny bones. Learning about opposites has never been more fun - or funny - than with this winning book. Yummy! Spaghetti is yummy, but worms - and blue crayons, and sand, and other things too gross to mention - are definitely yucky when tasted. Amiably illustrated in a bright, graphic

style, Leslie Patricelli's spirited book, Yummy Yucky stars an obliging, bald, and very expressive toddler who acts out each pair of opposites with comically dramatic effect. So many expressions to choose from! What should Baby be—a princess or pirate, ballerina or clown? When the jack-o'-lantern's ready (looking suspiciously like Baby), it's time for a little ghost to head out in the slightly scary night. But fear turns to excitement as the pumpkin fills up with treats. WOW! An imaginative young child has a wonderful time playing with a box he receives for his

birthday. On board pages. Oh, baby! Leslie Patricelli's one-haired wonder returns to revel in Christmas. It's almost Christmas, and baby simply cannot contain the exuberance.
